## CASTILLO MAXIM

*Princess of Egypt* Lerner Publications™  
 "Not many, if any, children's books on the Middle Ages and castles contain the wealth of information found in this fresh, appealing offering." -- SCHOOL LIBRARY JOURNAL (starred review) What was it really like to live in a castle? Step back to the Middle Ages with CASTLE DIARY: THE JOURNAL OF TOBIAS BURGESS. Eleven-year-old Toby's vivid diary entries offer an insider's view of day-to-day castle life, including tips on etiquette (where do you spit at a feast?) and exciting descriptions of hunting, jousting, and harvesting. Complete with glossary, index, and detailed endnotes, this is a rich look at medieval life that informs as much as it entertains.

### **The Diary of 1636** ABDO

"Like Platt's previous 'diaries' about castles, pirates, and ancient Egypt, this offers an accessible introduction to history." — Booklist Iliona never imagined that her sea voyage from Greece to Egypt would lead to Rome, but when she is captured by pirates and auctioned off as a slave, that's where she lands. Readers are invited to view the wonders of Rome through Iliona's eyes—the luxury, the excess, and the politics. Back matter includes notes for the reader, a glossary, and sources.

What it was like and how it felt to be an Egyptian woman revolutionary during the eighteen days that changed Egypt forever Mona Prince's humorous and insightful memoir tells of one woman's journey as a hesitant revolutionary through the eighteen days of the Egyptian uprising that toppled Hosni Mubarak in 2011.

Alongside the brutal violence of the security forces, the daily battles of resistance, and the author's own abduction and beating at the hands of the police, this is a story of exceptional solidarity, perseverance, and humanity. Juggling humor and horror, hope and fear, certitude and anxiety, Prince immerses us in the details of each unpredictable and fateful day. She mixes the political and the personal, the public and the private to expose and confront divisions within her family, as well as her own social prejudices, which she discovers through encounters with diverse sectors of society, from police conscripts to street children. *Revolution Is My Name* is a testimony not only of women's participation in the Egyptian uprising and their courage in confronting constrictive gender divides at home and on the street, but equally of their important contribution as chroniclers of the momentous events of January and February 2011.

*Discovering Ancient Egypt* Candlewick Press

Meet some of history's most illustrious and interesting characters in this book that visits key moments of the past from around the world. When young Augustus falls asleep in history class, Professor Tempo decides to teach him a lesson and show him that history isn't boring at all! She hands him a magic diary, all he needs to do is write the time and place to travel there. Together they head out on a whistle-stop tour of history through the ages to meet some of the world's finest explorers, inventors, leaders, writers, composers and painters, including Albert Einstein, Mozart, Louis XIV, Shakespeare, Leonardo Da Vinci, Christopher Columbus, Genghis Khan, Emperor Titus in Rome, athletes at the very first Olympic Games, Tutankhamen in Egypt, and even Palaeolithic man as he discovers fire. Each double page spread introduces a different time and place, with an introductory text from Augustus which explains the sights and sounds, and accompanying captions from the Professor which provide key facts. A character index at the rear gives a short biography of all the historical characters covered, and a timeline helps

to contextualize the different time periods covered.

*Karnak Gate and Pylon Ancient Egypt Journal* Puffin Modern Classics The glamour and glitter of the lives of Egypt's royal family Princess Nevine Halim is a direct descendant of the royal family that ruled Egypt from 1805 until the abdication of King Farouk in the wake of the Free Officers coup in 1952. The eldest of three children, she was born in Alexandria on 30 June 1930, the great-great-granddaughter of Muhammad Ali Pasha on her father's side and the great-granddaughter of Khedive Ismail on her mother's side. Drawing on her own diary, as well as those of her mother and grandmother, she takes us on a journey from the First to the Second World War, from Egypt to Europe and the United States, from a world of glamour, wealth, and privilege to the fugitive existence of the exile and social outcast after 1952. We also meet her father, Abbas Halim, the charming rebel prince who clashed with

King Fuad for championing the rights of workers, as well as many other members of the Egyptian royal family and a glittering host of international royals, politicians, and film stars. Packed with royal gossip and political intrigue, with tales of young love and fashionable society, and of princes and princesses dancing perilously close to the edge of a way of life that would one day fall apart and then vanish, *Diaries of an Egyptian Princess* is an event-filled account of an endlessly fascinating epoch in modern Egyptian history.

**Movie Log Book** Capstone Have you ever looked at photographs of the pyramids and wondered about the people who created them? How did they live from day to day? Why was the Nile River so important to their survival? What role did all of their gods and goddesses play in the way they led their lives? Meet Kebi—young Egyptian girl who works hard to help her family, while she says her prayers to the god Habi and watches to see if the Nile waters are rising as they should. Too little means possible starvation and drought. Too much means lost homes and floods. It is a fascinating life—and one just waiting to be explored. *The Rise and Fall of Ancient Egypt* Gibson Square Books

In this volume, Tintin meets the people who live today in the Nile Valley. He also visits the pyramids, and discovers ancient Egyptian art, sees the sights of modern Cairo, treks across the desert and learns about modern Arab culture.
