The Simple 6: A Writing Rubric for Kids Heinemann Educational Books

"Writing allows each of us to live with that special wide-awakeness that comes from knowing that our lives and our ideas are worth writing about." -Lucy Calkins Teaching Writing is Lucy Calkins at her best-a distillation of the work that's placed Lucy and her colleagues at the forefront of the teaching of writing for over thirty years. This book promises to inspire teachers to teach with renewed passion and power and to invigorate the entire school day. This is a book for readers who want an introduction to the writing workshop, and for those who've lived and breathed this work for decades. Although Lucy addresses the familiar topics-the writing process, conferring, kinds of writing, and writing assessment- she helps us see those topics with new eyes. She clears away the debris to show us the teeny details, and she shows us the majesty and meaning, too, in these simple yet powerful teaching acts. Download a sample chapter for more information.

Spaghetti in a Hot Dog Bun Rourke Educational Media Twelve-year-old Grace and her feline best friend, Midnight, have a secret: Midnight is a ghost. But then again, so are the rest of Graces' friends. Since she's the only person in hundreds of years with the ability to see them, the many ghosts of Tansy have flocked to Grace since birth. She doesn't mind. She prefers the company of the dead to that of the cliquey kids at school. Grace is happy with her strange life, until one day, the ghosts tell her about the secret her town has hidden for centuries. There's a reason there are more ghosts than living people in Tansy. Three-hundred years ago, a lonely witch cast a spell that mistakenly trapped the soul of every person to ever set foot in the tiny town. So when the spirits beg her to find a way to break the curse, Grace is eager to help. As she searches for answers, Grace makes discoveries about the secret her family hid for generations and a world of magic hidden in her own backyard. Grace soon realizes that if she succeeds in breaking the curse, she'll lose Midnight and all of her ghost friends, but if she fails, everyone living in Tansy will face the same fate. Can Grace break the curse before it's too late?
