*7 Billion Needles, Volume 1* Vertical Inc

In the ancient city of Kapilavastu, a prince named Siddhartha Gautama was born, and a wise man declared that he would grow up to be either a powerful king or a spiritual leader who would end suffering. Though his father kept him sheltered, Siddhartha soon became aware of the pain and disease that plagued the world and so abandoned his noble life in order to find answers. He'd eventually become the founder of a religion which persists today, and which has spread a message of compassion and understanding across the world. It was not an easy journey; Siddhartha faced the temptations of a demon, the outbreaks of war, and rebellion within his own order. Follow his journey from prince to pauper and from beggar to Buddha.

**Buddha: Volume 6: Ananda** First Second

An intimate portrayal of one of history's most important and obscure figures, the Buddha, this chronicle reveals him not as a mystic, but a warm and engaged human being that was very much the product of his turbulent times. This biographical account traces the path of Siddhartha Gautama as he walked away from the pleasure palace that had been his home and joined a growing force of wandering monks, ultimately making his way towards enlightenment beneath the bodhi tree, and spending the next 45 years sharing his insights along the banks of the Ganges. The Buddhist canon is expertly harvested to provide insight into the Buddha's inner life and to grant a better understanding of how he came to play his pivotal role as founder of one of the world's largest religions.

*The Buddha and Dr. Führer* NBM Publishing

“Auerback has produced an entirely original history of Japanese Buddhism . . . a major contribution to the field. This book is exemplary.” —D. Max Moerman, author of The Japanese Buddhist World Map Since its arrival in Japan in the sixth century, Buddhism has played a central role in Japanese culture. But the historical figure of the Buddha, the prince of ancient Indian descent who abandoned his wealth and power to become an awakened being, has repeatedly disappeared and reappeared, emerging each time in a different form and to different ends. A Storied Sage traces this transformation of concepts of the Buddha, from Japan’s ancient period in the eighth century to the end of the Meiji period in the early twentieth century. Micah L. Auerback follows the changing fortune of the Buddha through the novel uses for the Buddha’s story in high and low culture alike, often outside of the confines of the Buddhist establishment. Auerback argues for the Buddha’s continuing relevance during Japan’s early modern period and links the later Buddhist tradition in Japan to its roots on the Asian continent. Additionally, he examines the afterlife of the Buddha in hagiographic literature, demonstrating that the late Japanese Buddha, far from fading into a ghost of his former self, instead underwent an important reincarnation. Challenging many established assumptions about Buddhism and its evolution in Japan, A Storied Sage is a vital contribution to the larger discussion of religion and secularization in modernity. “The point where this study blossoms with voluminous detail is when developments in historiography made biographies of the Buddha controversial in the early modern era . . . Auerback’s coverage of these debates is exceedingly thorough.” —Journal of Japanese Studies

**The Nao of Brown** HarperCollins UK

Considered by many to be one of the finest works of Japanese comics art ever produced, Phoenix: Future is a rollicking space-age adventure, an apocalyptic cautionary tale, a fable of human frailty and triumph, and a fantastic voyage through time, space, and the macroverse. Above all it is a great love story, an epic account of Class II Space Patrolman Masato's tragic, undying love for the doomed beautiful alien "moopie," Tamami. Told in bold layouts and mind-warping page designs

that revolutionized Japanese comics, this is the work of the greatest manga artist of them all, Osamu Tezuka, soaring at the height of his powers. -- VIZ Media

*Ode to Kirihito* John Murray

A story about a biography of Shiddhartha, Gautama Buddha, the founder of Buddhism.

**An End to Suffering** Oxford University Press

The Eisner and Harvey Winner The third volume of this epic graphic novel send Siddhartha further into a world mired in pain and suffering. The journey to peace and enlightenment looms far but bright. Prince Siddhartha quickly learns that the monk’s path is covered in thorns and self-abuses much more profound than shaving your head. His new companions Dhepa and Assaji accompany him to plague-ridden town, ruled by the ravishing Visakha. On a different path filled with as many vagaries is Devadatta, an orphan who learns only that bad almost always gets worse. To strange cities, and dire prophecies...

*The Life of the Buddha* National Geographic Books

A story about a biography of Shiddhartha, Gautama Buddha, the founder of Buddhism.

*Saint Young Men 2* Dark Horse Comics

Though fascinated with the land of their tradition’s birth, virtually no Japanese Buddhists visited the Indian subcontinent before the nineteenth century. In the richly illustrated Seeking Śākyamuni, Richard M. Jaffe reveals the experiences of the first Japanese Buddhists who traveled to South Asia in search of Buddhist knowledge beginning in 1873. Analyzing the impact of these voyages on Japanese conceptions of Buddhism, he argues that South Asia developed into a pivotal nexus for the development of twentieth-century Japanese Buddhism. Jaffe shows that Japan’s growing economic ties to the subcontinent following World War I fostered even more Japanese pilgrimage and study at Buddhism’s foundational sites. Tracking the Japanese travelers who returned home, as well as South Asians who visited Japan, Jaffe describes how the resulting flows of knowledge, personal connections, linguistic expertise, and material artifacts of South and Southeast Asian Buddhism instantiated the growing popular consciousness of Buddhism as a pan-Asian tradition—in the heart of Japan.

"Sens-Plastiquehas now been a companion of mine for nearly 20 years, and so far as I am concerned, Malcolm de Chazal is much the most original and interesting French writer to emerge since the war." -W.H. Auden After seeing an azalea looking at him in the Curepipe Botanic Gardens (and realizing that he himself was becoming a flower), Malcolm de Chazal began composing what would eventually become his unclassifiable masterpiece, Sens-Plastique, which would take its final form in 1948. Containing over 2,000 aphorisms, axioms and allegories, the book was immediately hailed as a work of genius by André Breton, Francis Ponge, Jean Dubuffet and Georges Braque. Embraced by the Surrealists as one of their own, Chazal chose to avoid all literary factions and steadfastly anchored himself in his solitary life as a bachelor mystic on the island nation of Mauritius, where he would proceed to write books and paint for the rest of his life. Sens-Plastiqueemploys a strange humor and an alchemical sensibility to offer up an utterly original world vision that unifies neo-science, philosophy and poetry into a new form of writing. Mapping every human body part, facial expression and emotion onto the natural kingdom through subconscious thinking, Chazal presents a world in which humankind is not just made in the image of God, but Nature is made in the image of humankind: a sensual, synesthetic world in which everything in the universe, be it animal, vegetable, mineral or human, employs a spiritual copula. Malcolm de Chazal(1902-81) was a Mauritian writer and painter. Forsaking a career in the sugar industry, he spent the majority of his life in a solitary, mystical pursuit of the continuity between man and nature.

**Yasodhara, the Wife of the Bodhisattva** Prabhat Prakashan

It is 1730 when Raphael Pommeroy arrives in the West Indies with his ornithology professor. They’re supposed to be in search of the almost-extinct dodo . . . but Raphael is quickly entranced with the piratical inhabitants of the island, becoming obsessed with their vision of a world where all people are free and equal, regardless of their skin color. Drama unfolds on Bourbon Island as all the inhabitants race to find the treasure secretly cached on their island – and reveal their inner selves in doing so. An epic adventure in the tradition of Watership Down, Bourbon Island 1730 is a unique historical drama featuring animal characters, fully imagined and realized by Lewis Trondheim and Appollo in pitch-perfect words and inventive pictures.

*Seeking Sakyamuni* Farrar, Straus and Giroux

Originally written in the First Century, A.D. by Asvaghosha. This may be the oldest known story of the complete life of Buddha, having been written in the first century AD. The author was an educated ecclesiastic Buddhist who traveled throughout India collecting stories and traditions relating to the Buddhas life. He was a famous preacher and musician who then wove them into a Sanskrit poem which he performed musically during his travels. The people of India delighted in this magical tale whenever it was performed with the choir of musicians who traveled with him. It holds many facts that other biographies or stories of the Buddha dont have, which makes this work so important. The entire epic is preserved in this rare book, long out of print, which may have otherwise been lost to the western world.

*Devadatta* Veritcal

An End to Suffering is a deeply original and provocative book about the Buddha's life and his influence throughout history, told in the form of the author's search to understand the Buddha's relevance in a world where class oppression and religious violence are rife, and where poverty and terrorism cast a long, constant shadow. Mishra describes his restless journeys into India, Pakistan, and Afghanistan, among Islamists and the emerging Hindu middle class, looking for this most enigmatic of religious figures, exploring the myths and places of the Buddha's life, and discussing Western explorers' "discovery" of Buddhism in the nineteenth century. He also considers the impact of Buddhist ideas on such modern politicians as Gandhi and Nelson Mandela. As he reflects on his travels and on his own past, Mishra shows how the Buddha wrestled with problems of personal identity, alienation, and suffering in his own, no less bewildering, times. In the process Mishra discovers the living meaning of the Buddha's teaching, in the world and for himself. The result is the most three-dimensional, convincing book on the Buddha that we have.

**Philosophy** University of Chicago Press

Deepak Chopra brings the Buddha back to life in this gripping New York Times bestselling novel about the young prince who abandoned his inheritance to discover his true calling. This iconic journey changed the world forever, and the truths revealed continue to influence every corner of the globe today. A young man in line for the throne is trapped in his father's kingdom and yearns for the outside world. Betrayed y those closest to him, Siddhartha abandons his palace and princely title. Face-to-face with his demons, he becomes a wandering monk and embarks on a spiritual fast that carries him to the brink of death. Ultimately recognizing his inability to conquer his body and mind by sheer will, Siddhartha transcends his physical pain and achieves enlightenment. Although we recognize Buddha today as an icon of peace and serenity, his life story was a tumultuous and spellbinding affair filled with love and sex, murder and loss, struggle and surrender. From the rocky terrain of the material world to the summit of the spiritual one, Buddha captivates and inspires—ultimately leading us closer to understanding the true nature of life and ourselves.

*The Four Encounters* SelfMadeHero

Modern day Japan is the stage for a new form of hard science-fiction, as author Nobuaki Tadano revisits one of the genre's Grand Masters, Hal Clement, in his debut work *7 Billion Needles*. Loosely

inspired by Clement's golden age title *Needle*, *7 Billion Needles* follows the life of a teenage girl whose quiet boring days are dramatically changed when her body is possessed by an alien life form caught up in an intergalactic manhunt. On a clear calm night, while on a class trip to the beach, Hikaru Takabe decides to go for a walk to escape the shackles of school and peer pressure. While observing the stars above a calm dark sea in an instant she is disintegrated when struck by a meteor. Flash forward one page, and Hikaru awakes, from what seems like a horrible daydream of sorts, sitting amongst classmates in school without a scratch on her. The meteor dream seemed so real she cannot believe she's alive, but given her relative aloof nature, she soon shrugs off the events and moves on with life. However, one thing she cannot shake off is the strange buzzing she hears coming from her new pair of headphones...

[Ayako](#) Penguin Books India

Long considered as one of Osamu Tezuka's most political narratives, *Ayako* is also considered to be one of his most challenging as it defies the conventions of his manga by utilizing a completely original cast and relying solely on historical drama to drive the plot. *Ayako*, pulls no punches, and does not allow for gimmicks as science-fiction or fantasy may. Instead Tezuka weaves together a tale which its core simply focuses on a single family, a family that could be considered a metaphor for a rapidly developing superpower. Overflowing with imagery of the cold war seen through Japan's eyes, *Ayako* is firmly set in realism taking inspiration from a number of historical events that occurred over the American occupation and the cultural-revolution which soon followed. Believed to be Tezuka's answer to the gekiga (dramatic comics) movement of the 60's, *Ayako* should be considered one of the better early examples of a seinen (young adult) narrative to be published. Initially set in the aftermath of World War II, *Ayako* focuses its attention on the Tenge clan, a once powerful family of landowners living in a rural community in northern Japan. From the

moment readers are introduced to the extended family, it is apparent that the war and American occupation have begun to erode the fabric that binds them all together. The increasing influence of political, economic and social change begins to tear into the many Tenge siblings, while a strange marriage agreement creates resentment between the eldest son and his sire. And when the family seems to have completely fallen apart, they decide to turn their collective rage on what they believe to be the source of their troubles—the newest member of the Tenge family, the youngest sister *Ayako*.

*Message to Adolf, Part 1* National Geographic Books

Today there are many Buddhists in the West, but for 2000 years the Buddha's teachings were unknown outside Asia. It was not until the late 18th century, when Sir William Oriental Jones, a British judge in India, broke through the Brahmin's prohibition on learning their sacred language. Sanskrit, that clues about the origins of a religion quite distinct from Hinduism began to be deciphered from inscriptions on pillars and rocks. This study tells the story of the search that followed, as evidence mounted that countries as diverse as Ceylon, Japan and Tibet shared a religion which had its origins in India yet was unknown there. British rule brought to India, Burma and Ceylon a whole band of enthusiastic Orientalist amateurs - soldiers, administrators and adventurers - intent on investigating the subcontinent's lost past. Unwittingly, these men helped lay the foundations for the revival of Buddhism in Asia during the 19th century and its spread to the West in the 20th. Charles Allen's book is a mixture of detective work and story-telling, as this acknowledged master of British Indian history pieces together early Buddhist history to bring a handful of extraordinary characters to life.

*Buddha 5: Deer Park* SUNY Press

Originally serialized in the '80s in newsmagazine WEEKLY BUNSHUN in the first such attempt by comics master Osamu Tezuka, the magnum opus from the last decade of his momentous career returns in two hardcover installments and a new translation. A graveyard in contemporary Israel has an unlikely visitor. The elderly gentleman from Japan, a former news correspondent, lays a bouquet of flowers at the tomb of one Adolf Kamil. For he remembers the tale of three Adolfs: Kamil, a Jew who grew up in Kobe, Japan, the son of a baker; Kaufmann, only child of a German consul stationed at that port city and his Japanese wife; and the Fuhrer with whom the Far Eastern nation made common cause. A briskly paced political thriller, in this first part MESSAGE TO ADOLF takes us from the Nazi propaganda victory of the 1936 Berlin Olympics to the ravaging flames and atrocities of World War II. The disastrous education of Adolf Kaufmann in the ways and prerogatives of the master race begins.

*Buddha Benefactor Of Humanity* Book Tree

Contains colored map on lining of dust jacket.

**Steps To English Composition Tom Thumb Essays Book 1** VIZ Media LLC
