BRADFORD BANKS

Fresh from the Farm 6pk Faber & Faber
A female Goodfellas—the true story of A supermodel turned getaway driver for the mob. All-American beauty Georgia Durante was one of the most photographed models in the country when she married mobster Joe Lamendola. It plunged her into a world she never dreamed of—and one she feared she'd never survive—as a getaway driver for the Mafia and an eyewitness to unspeakable violence, brutality, and murder, as she came to understand the terrifying risk of being married to the Mob.

The Joy of Small Things Simon & Schuster/Paula Wiseman Books
Following his two classics, *Ask the Fellows Who Cut the Hay* and *The Horse in the Furrow*, renowned oral historian George Ewart Evans continues his study of the vanishing customs, working habits

and rich language of the farming communities of East Anglia with *The Pattern Under the Plough* (Faber, 1966). Although based on East Anglia, this book was and remains of wider interest, for - as the author pointed out at the time - similar changes were occurring in North America, and also happening with remarkable speed in Africa. In chronicling the old culture George Ewart Evans has taken its two chief aspects, the home and the farm. He describes the house with its fascinating constructional details, the magic invoked for its protection, the mystique of the hearth, the link of the bees with the people of the house, and some of their fears and pre-occupations. Among the chapters on the farm is one of Evans's most original pieces of research: the description of the secret horse societies. Beautifully illustrated by David Gentleman, this book is important not only for the material it reveals about the past but for the implications for present-day society. 'As real (and as valuable) as the

evidence unearthed by the spadework of archaeology.' Observer

Python 101 e-artnow

George Catlin discusses how closing one's mouth during sleep and day to day will foster improvement in mental and physical condition. This edition contains all of the original illustrations the author made. Walking among and studying various Native American tribes in the 19th century, the author noticed that many of the elders possessed a serene and well-preserved appearance. The young members of the tribe seemed especially healthy, with an innate resistance to certain illnesses and congenital conditions. Seeing the tribe's members sleeping, he noted that they all did so with closed mouths. Catlin pondered whether this habit contributed to the physical vigor of the people, and investigated further. After venturing back to the towns of the Midwest, he attests to witnessing how terrible many people who had practiced mouth breathing throughout life appeared, and became deeply opposed to its practice. This book details how children and young people can be encouraged against mouth breathing, and notes how different the facial countenance appears between mouth breathing people and nose breathers. Today, the notion that mouth breathing promotes physical ugliness or decrepitude is wholly disavowed as an eccentric idea with no basis in fact. However, sleep researchers have demonstrated that breathing with the mouth open while asleep can result in more snoring and thus a lower quality of sleep and therefore health. Overall, one could venture that Catlin's ideas possess a certain merit, even if his book is an exaggeration. Although primarily known today as a painter and traveller who became an emissary of sorts to the

Plains tribes, George Catlin was also an enthusiastic if occasional writer. He admired the Native American peoples for their traditions and distinctive appearance, and took to painting them - his marked talent led to their respect for his gifts, and they duly welcomed him with friendship.

Please Yourself: How to Stop People-Pleasing and Transform the Way You Live Penguin

For Readers of Paul Kalanithi's *When Breath Becomes Air*, an Intensive Care Doctor Reveals How Everyday Emotions Are Taken to Extremes in the ICU Dr. Aoife Abbey takes us beyond the medical perspective to see the humanity at work inside our hospitals through the eyes of doctors and nurses as they witness and experience the full spectrum of human emotion with every shift. It is their responsibility to mitigate the grief of a family in mourning, calm a patient about to die, and confront their own fear of failure when lives are on the line. Whether they're providing hospice care, tending to victims of car accidents or violent attacks, determining the correct treatment for someone displaying signs of a heart-attack or stroke, and managing staff, stress is a doctor's number one companion. Cycling through the whirlwind of emotion that accompanies every case isn't only exhausting—it can be fatal. Told using seven key emotions—fear, grief, joy, distraction, anger, disgust, and hope—*Seven Signs of Life* opens the door, and heart, of the hectic life inside a hospital to reveal what it means to be alive and how it feels to care for others. *Sissy Dreams: From Boyfriend to Girlfriend* SAGE Publications Pvt. Limited To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy

millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.

The Book of Woodcraft and Indian Lore - Survival in the Wild Lothian Children's Books

In *What A Time To Be Alone*, The Slumflower will be your life guru, confidante and best friend. She'll show you that being alone is not just okay: it's just about the best freaking thing that's ever happened to you. As she says, 'You're bad as hell and you were made with intention.' It's about time you realised. Peppered with insightful Igbo proverbs from Chidera's Nigerian mother and full of her own original artwork, *What A Time To Be Alone* will help you navigate the modern world. We can all decide our own fates and Chidera shows us how, using a three-part approach filled with sass, wisdom and charm. Learn how to celebrate YOU - decide your self-worth, take time to heal and empower yourself in this messy world. Don't worry about THEM - avoid other people's demons and realise that everyone is protecting themselves from something - no matter how aggressive their method. Feel the togetherness in US - sustain and grow healthy relationships and avoid toxicity in your friendships. Own your story. Create your

own narrative. Read this book. #WATTBA [Handbook of Birmingham](#) Thames & Hudson

'At the age of thirteen, I knew I was destined to marry John Travolta. One day he would arrive on my North London doorstep, fall madly in love with me and ask me to marry him. Then he would convert to Islam and become a devoted Muslim.' Shelina is keeping a very surprising secret under her headscarf - she wants to fall in love. Torn between the Buxom Aunties, romantic comedies and mosque Imams, she decides to follow the arranged-marriage route to finding Mr Right, Muslim-style. Shelina's captivating journey begins as a search for the One, but along the way she also discovers her faith and herself. A memoir with a hilarious twist from one of Britain's leading female Muslim writers, *Love in a Headscarf* is an entertaining, fresh and unmissable insight into what it means to be a young British Muslim woman. Shelina Janmohamed is a columnist for the Muslim News and EMEL magazine and regularly contributes to the Guardian., the BBC and Channel 4. She is much in demand as a commentator on radio and television and has appeared on programmes including Newsnight and The Heaven and Earth Show. Her award-winning blog, Spirit 21, is hugely popular. *Love in a Headscarf* is her first book.

Shooting in the Wild Notion Press

'One of the most original and talented young writers we have.' Sathnam Sanghera 'A must-read.' Elizabeth Day 'A beautiful, searingly personal account of a world defined by money, full of courage and truth telling.' Owen Jones [Seven Signs of Life](#) Lulu.com

'I don't think anyone, apart from Don Bradman, is in the same class as Sachin Tendulkar.' -Shane Warne This is cricket

icon, Sachin Tendulkar's life story in his own words - his journey from a small boy with dreams to becoming a cricket god. His amazing story has now been turned into a major film, *A Billion Dreams*, in which he stars. The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status,

Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Bodies in Balance Open Road Media Beloved by collectors and scholars alike, Leiber's beautiful bookseller catalogs shaped the canon of publications. The pioneering San Francisco art dealer, collector, and gallerist who specialized in the dematerialized art practices of the 1960s and 1970s and the ephemera and documentation spawned by conceptual art and other postwar movements, produced a series of 52 iconic catalogs between 1992 and 2010.

Dont Spend Money For Generating Leads Paul Zante

Stories or Glimpses of Indian Character. The book is illustrated with over 500 drawings by the author. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Home Farm Books are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Each One Believing Hodder

Sophie is entering her last year of college, and is doing all the normal things. Taking classes. Dating. Thinking about a Masters Degree. Helping in her community. Being a Witch. You know, the usual. But when an ordinary student paper gets her embroiled in a life or death game with one of the largest Tech Conglomerates in the world, Sophie must choose. Will she follow in the occult traditions passed down to witches over the centuries, and back out of the fray? Or will she fight for what's right, even going to lengths she knows are wrong? And, when the dust settles, just which sort of witch will she end up being? Trigger Warnings: Discussion of rape, suicide. Depiction of self-harm.

The Pattern Under the Plough Penguin

'This book is a not-so-small joy in itself.' NIGELLA LAWSON 'Parkinson has the gift of making you look with new eyes at everyday things. The perfect daily diversion.' column, these everyday exultations and inspirations will get you through dismal days. Hannah Jane Parkinson is a specialist in savouring the small pleasures of life. She revels in her fluffy dressing gown ('like bathing in marshmallow'), finds calm in solo cinema trips, is charmed by the personalities of fonts ('you'll never see Comic Sans on a funeral notice'), celebrates pockets and gleefully abandons a book she isn't enjoying. Parkinson's everyday exultations - selected from her immensely successful Guardian column - will utterly delight. FEATURES BRAND NEW MATERIAL 'A compendium of delights.' OBSERVER 'Delightful . . . a love letter to those little moments of bliss that get us through the daily grind.' RED

The Secret to Happy Aurum

International Bestseller: A novel of youthful love and loss and "a powerful evocation of the war years" in England (The Guardian). On a hot August evening in 1939, cousins Oliver, Calypso, Polly, Walter, and Sophy spent one last night together, celebrating the end of summer, at the home of their aunt and uncle. Now, forty years later, as the motley cast of characters drive to the funeral of one of their own, they recall how important that night truly was—and all that came after. From Oliver, whose desperation to prove himself in war ended up as his downfall, to Calypso, whose flirtations landed her in an unlikely marriage with even less likely results, to Sophy, whose secrets from that night haunted her for the rest of her life, each of them recalls the twisted paths of love and betrayal they walked as the country came apart around them under the coming shadow of World War II. Mary Wesley masterfully interweaves tragedy and humor in this

“extraordinarily accomplished and fast-moving” novel, presenting a tale of both the world at large and the dalliances, allegiances, and losses of her expertly crafted characters (Financial Times).

Playing It My Way Hachette UK

Longtime producer Palmer provides an in-depth look at wild animals on film, covering the history of wildlife documentaries, safety issues, and the never-ending pressure to obtain the money shot. Marlin Perkins, Jacques Cousteau, Steve Irwin, Timothy Treadwell, and many other familiar names are discussed along with their work, accidents, and in some cases, untimely deaths. Palmer is highly critical of Irwin, and offers fascinating revelations about game farms used by exploitative filmmakers and photographers looking for easy shots and willing to use caged animals to obtain them. He also considers the subliminal messages of many wildlife films, considering everything from Shark Week to Happy Feet and how they manipulate audiences toward preset conclusions about animal behavior. In all this is an engaging and exceedingly timely look at a form of entertainment the public has long taken for granted and which, as Palmer points out, really needs a fresh and careful reconsideration.

On the Border with Crook Fourth Estate

THE IMMEDIATE SUNDAY TIMES

BESTSELLER The debut self-help book from Vicky Pattison, on how to quash your inner doubts, overcome fear and live a happier life. "If there's any woman out there who is feeling like they're going through things on their own, or they're worried that they're not achieving what they should be, or feeling or looking how they should, I want this book to let you know you're not alone."

In over a decade on television, Vicky Pattison has had her fair share of ups and downs, from her rise to fame on *Geordie Shore* to her public break-up with her fiancé, her body confidence issues and debilitating anxiety. In *The Secret to Happy*, Vicky opens up about her darkest moments and shares the pearls of wisdom and hard-won lessons she's picked up along the way - to overcoming heartbreak, ending toxic relationships and managing her mental health - to help you find inner strength, accept imperfections and be true to yourself. Brave, honest and insightful, with Vicky's trademark *Geordie* humour, *The Secret to Happy* is an empowering and uplifting guide to help you find your own kind of happiness, whatever that looks like.

The Company She Keeps Faber & Faber Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller Outliers, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a

profound effect on our lives and our world. In his first book since his #1 bestseller David and Goliath, Malcolm Gladwell has written a gripping guidebook for troubled times.

From the popular podcast Power Hour comes a book about making the most of the first hour of your day, to pursue your passions and unlock your full potential. How many times have you said, 'I'd love to do that, but I don't have time'? The Power Hour message is simple: one hour a day is all you need to change your life for the better. We all have an hour to dedicate to ourselves and our dreams, whether we think we do or not. Power Hour will show you how to harness the first hour of your day in order to achieve your goals - whether those are writing a book, getting fit or pursuing your passion - before the rest of the world wakes up and starts competing for your attention. From the importance of developing a growth mindset to creating powerful habits and the significance of daily movement, it will help you reclaim your time and unlock your full potential. Most importantly, it will make you realise that

there is no better time than now to make a change and create a life you love. Stop waiting for the right time, or for more time. Start with just one hour today.
