There has to be accountability at every level of the organization from the chief to the rookie. Company officers have to step up and remind those under their command of safe operations and related procedures. Accountability at all levels is key to the success of any program, and it's the key to survival when it comes to firefighter safety. Chief Ron Kanterman's

Fire Officer's Guide to Occupational Safety & Health is a guide to safe operations and a healthy work force. Who needs this book? Fire chiefs, fire officers, incident safety officers, and health and safety officers Why? To gain the tools they need to operate the department within some acceptable parameters of safety and occupational health Ask yourself these questions: -- Have you made firefighter safety and health a primary value of your organization? --Is there a culture of safety in your fire department? --Do the chief and line officers "walk the walk" and "talk the talk"? Key concepts and resources: --Risk management -- Personnel protection (protecting the protectors) --Scene safety --The 16 Life Safety Initiatives and The Courage to be

My goal is to prevent fires from happening so I authored this informative eye capturing Look Book about Fire Prevention, called SafeBook in an effort to reduce the number of deaths, injuries and property damage from the ravage of fire. To accomplish this goal my plan is to introduce SafeBook to every community and its stakeholders so that it will be in every

home and in every family member's hand. You will not parish from a lack of fire prevention knowledge and awareness on my watch. SafeBook will be your messenger and after reading it, it will be your duty to actively follow directions consistently in regards to knowing and understanding the tools of fire detection, which increases your chances of protection before a fire gets out of control. The Office of Fire Prevention, Inc. takes Fire Prevention seriously and to get your attention we wanted the book to be in color because color serves as a means of attraction. Our hopes are that as you continue to read SafeBook the greatest take away will be your motivation and commitment to make your home and community a fire safer place to live, work and play,

because of your actions. Knowledge is great, but is useless if you do not properly apply it, SafeBook, your home is safer already because you have choose to live by it.
