Essential reading for Catholics of all walks of life.
Here it is - the first new Catechism of

the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word

catechism means "instruction" - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in

learning about the mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation .

This revised and expanded edition of *Actions and Words: Symbolic Language and the Liturgy* (1997) pulls readers into an active and knowledgeable participation in the worship of God. *Common*

and accessible congregational prayer. At once inspirational and practical, it will empower and equip laypeople and clergy alike to offer heartfelt, informed, and appropriate prayers on behalf of the people of God. As Samuel Wells and

Abigail Kocher say, "Interceding in public worship is a duty. This book is intended to make it a joy." Shaping the Prayers of the People begins by considering what public prayer is and offering practical guidelines for avoiding

common pitfalls. It explores prayer as an integral part of worship and discusses the language we need (and don't need) to address God. Significantly, the book also provides an array of example prayers along with commentary.
