Welcome to a work of history unlike any other. Mothering is as old as human existence. But how has this most essential experience changed over time and cultures? What is the history of maternity—the history of pregnancy, birth, the encounter with an infant? Can one capture the historical trail of mothers? How? In *Mother Is a Verb*, the historian Sarah Knott creates a genre all her own in order to craft a new kind of historical interpretation. Blending memoir and history and building from anecdote, her book brings the past and the present viscerally alive. It is at once intimate and expansive, lyrical and precise. As a history, *Mother Is a Verb* draws on the terrain of Britain and North America from the seventeenth century to the close of the twentieth. Knott searches among a range of past societies, from those of Cree and Ojibwe women to tenant farmers in Appalachia; from enslaved people on South Carolina rice plantations to tenement dwellers in New York City and London's East End. She pores over diaries, letters, court records, medical manuals, items of clothing. And she explores and documents her own experiences. As a memoir, *Mother Is a Verb* becomes a method of asking new questions and probing lost pasts in order to historicize the smallest, even the most mundane of human experiences. Is there a history to interruption, to the sound of an infant's cry, to sleeplessness? Knott finds answers not through the telling of grand narratives, but through the painstaking accumulation of a trellis of anecdotes. And all the while, we can feel the child on her hip.

Otis P. Oliver is taking a stand. He is NOT taking another bath—ever. But when your opinions matter to the rest of the family about as much as the opinions of the family dog (who, it's worth mentioning, only has to bathe once a month), you have to get serious. So Otis borrows a spiffy suit from his dad and rouses a rabble of neighbor kids to stand up for what the know is right: a bathtub ban. All the animals are cute and playful, but they're a little too happy for Billy's taste. When Billy wanders into another section of the store, however, he stumbles across a different group of animals awaiting adoption. These pets are grouchy and scruffy. Otis Redding and Steve Cropper's timeless ode to never-ending days is given fresh new life in this heartwarming picture book. Sittin' in the mornin' sun I'll be sittin' when the evening comes Watching the ships roll in Then I'll watch 'em roll away again, yeah (Sittin' on) The Dock of the Bay is a charming picture book set to one of the King of Soul'sTM greatest hits. The song was one of the last Redding recorded, and ranked number four on Billboard's year-end Hot 100 chart, going on to win two GRAMMYS and be certified triple-platinum. With lyrics by Otis Redding and Steve Cropper and illustrations by Kaitlyn Shea O'Connor, this picture book imagines a lonesome cat fishing off a dock and hoping the fish will bite soon. (Sittin' on) The Dock of the Bay is the perfect picture book for parents wanting to share a classic song with their children, allowing both to find joy in it along the way. "What [Otis Redding's] voice conveyed to listeners was an immediate, almost unparalleled connection; he could wring inconceivable intensity and complexity out of a minimal phrase and returned, most often, to the basic, raw power of love." --New York Times The Otis Redding Foundation: Redding was dedicated to improving the quality of life for his community through the education and empowerment of its youth. He provided scholarships and summer music programs which continued until his untimely death on December 10, 1967. Today, the mission of the Otis Redding Foundation, established in 2007 by Mrs. Zelma Redding, is to empower, enrich, and motivate all young people through programs involving music, writing, and instrumentation.
