"The family elements in the story - the real struggles with marriage, raising a family, making a living, and just trying to enjoy life - have broadened the book's appeal to a wider audience, primarily women who are not into technology."DARK END OF SPECTRUM will make you think twice before turning on your cell phone or PDA!DARK END OF THE SPECTRUM is a frighteningly plausible and headline ripping tale of the real threats that loom in cyberspace and beyond with a Michael Crichton realism. Based on the author's years of research into the hacker culture.DARK END OF THE SPECTRUM is a thriller that will connect with everyone with a cell phone, PDA or wireless device.When a group of digital terrorists known as ICER take over the US power grid and the cell phone network, they give the government an ultimatum - bomb the borders of Afghanistan and Pakistan with nuclear weapons to put an end to Al-Quada or they will start downing commercial airliners. When the government refuses, ICER destroys most of the downed aircraft in airports all over the country. When ICER sends a pulse that will kill millions on the East Coast, only security expert Dan Riker can stop them, but ICER has kidnapped Dan's family.Will Dan save his family or will millions die? <i>Medallic Art of the First World War</i> Oxford University Press

From Joan Juliet Buck, former editor-in-chief of Vogue Paris and “one of the most compelling personalities in the world of style” (New York Times) comes her dazzling, compulsively readable memoir: a fabulous account of four decades spent in the creative heart of London, New York, Los Angeles, and Paris—“If you loved The Devil Wears Prada, you’ll adore The Price of Illusion” (Elle). In a book as rich and dramatic as the life she’s led, Joan Juliet Buck takes us into the splendid illusions of film, fashion, and fame to reveal, in stunning, sensual prose, the truth behind the artifice. The only child of a volatile movie producer betrayed by his dreams, she became a magazine journalist at nineteen to reflect and record the high life she’d been brought up in, a choice that led her into a hall of mirrors where she was both magician and dupe. After a career writing for Vogue and Vanity Fair, she was named the first American woman to edit Vogue Paris. The vivid adventures of this thoughtful, incisive writer at the hub of dreams across two continents over fifty years are hilarious and heartbreaking. Including a spectacular cast of carefully observed legends, monsters, and stars (just look at the index!), this is the moving account of a remarkable woman’s rocky passage through glamour and passion, filial duty and family madness, in search of her true self.

Click here to listen to Julia Ericksen's interview about Dance with Me on Philadelphia NPR's "Radio Times" Rumba music starts and a floor full of dancers alternate clinging to one another and turning away. Rumba is an erotic dance, and the mood is hot and heavy; the women bend and hyperextend their legs as they twist and turn around their partners. Amateur and professional ballroom dancers alike compete in a highly gendered display of intimacy, romance and sexual passion. In Dance With Me, Julia Ericksen, a competitive ballroom dancer herself, takes the reader onto the competition floor and into the lights and the glamour of a world of tanned bodies and glittering attire, exploring the allure of this hyper-competitive, difficult, and often expensive activity. In a vivid ethnography accompanied by beautiful photographs of all levels of dancers, from the world's top competitors to social dancers, Ericksen examines the ways emotional labor is used to create intimacy between professional partners and between professionals and their students, illustrating how dancers purchase intimacy. She shows that, while at first glance, ballroom presents a highly gendered face with men leading and women following, dancing also transgresses gender.

It’s 1995 and James Eastman never met his real grandfather Ben because he died in 1944 in the South Pacific. Then after James discovers a functioning time machine in the basement of an old abandoned home, he time travels back to 1944. James was disguised as a USMC Marine Corsair pilot and was able to finagle orders to the same island where Ben was stationed. But after James saves Ben’s life, he learns the horrible truth on how he was shot down in the first place.	
<u>Ballroom Dancing and the Promise of Instant Intimacy</u> Simon and Schuster	
“A venerated creator. An adored, tragic interpreter. An uncomplicated, memorable melody. Ambiguous, evocative words. Faith and uncertainty. Pain and pleasure.” Today, “Hallelujah” is one of the most-performed rock songs in history. It has become a staple of movies and television shows as diverse as Shrek and The West Wing, of tribute videos and telethons. It has been covered by hundreds of artists, including Bob Dylan, U2, Justin Timberlake, and k.d. lang, and it is played every year at countless events—both sacred and secular—around the world. Yet when music legend	
Leonard Cohen first wrote and recorded “Hallelujah,” it was for an album rejected by his longtime record label. Ten years later, charismatic newcomer Jeff Buckley reimagined the song for his much-anticipated debut album, Grace. Three years after that, Buckley would be dead, his album largely unknown, and “Hallelujah” still unreleased as a single. After two such commercially disappointing outings, how did one obscure song become an international anthem for human triumph and tragedy, a song each successive generation seems to feel they have discovered and claimed as uniquely their own? Through in-depth interviews with its interpreters and the key figures who were actually there for its original recordings, acclaimed music journalist Alan Light follows the improbable journey of “Hallelujah” straight to the heart of popular culture. The Holy or the Broken gives insight into how great songs come to be, how they come to be listened to, and how they can be forever reinterpreted.

Sometimes life requires a partner.Ed Maurer has bounced back, more or less, from the neck injury that permanently benched his semipro football career. He hates his soul-killing office job, but he loves volunteering at a local community center. The only fly in his ointment is the dance instructor, Laurie Parker, who can't seem to stay out of his way.Laurie was once one of the most celebrated ballet dancers in the world, but now he volunteers at Halcyon Center to avoid his society mother's machinations. It would be a perfect escape, except for the oaf of a football player cutting him glares from across the room.When Laurie has a ballroom dancing emergency and Ed stands in as his partner, their perceptions of each other turn upside down. Dancing leads to friendship, being friends leads to becoming lovers, but most important of all, their partnership shows them how to heal the pain of their pasts. Because with every turn across the floor, Ed and Laurie realize the only escape from their personal demons is to keep dancing--together.This novel has been previously published and has been revised from its original release.

<u>1000 Songs that Rock Your World</u> Rizzoli Publications	
Leonard Cohen is one of the great writers, performers, and most consistently daring artists of our time. Book of Longing is Cohen’s eagerly awaited new collection of poems, following his highly acclaimed 1984 title, Book of Mercy, and his hugely successful 1993 publication, Stranger Music, a Globe and Mail national bestseller. Book of Longing contains erotic, playful, and provocative line drawings and artwork on every page, by the author, which interact in exciting and unexpected ways on the page with poetry that is timeless, meditative, and at times darkly humorous. The book brings together all the elements that have brought Leonard Cohen’s artistry with language worldwide recognition.

Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying	

dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits.

This kindergarten handwriting paper is ideal for young children who are learning how to write and properly proportion letters. Our story paper has a measured space at the top for a title, then a picture box for the child to draw an illustration and then five lines for the child to write their story. You may use this story paper to create themed story books to reflect different children's interests or school subjects. Product details Large 6x9 inches size for easy writing for kids 100 pages/50 sheets Paper back cover with cute design Perfect for kindergarten Each measured space consists of two lines (top and bottom) .65" apart and a dotted line in the center to guide the child as they write. Also useful for older children who have delays with handwriting.

The Spice-Box of Earth Candlewick Press

Dancer-choreographer-directors Fred Astaire, George Balanchine and Gene Kelly and their colleagues helped to develop a distinctively modern American film-dance style and recurring dance genres for the songs and stories of the American musical. Freely crossing stylistic and class boundaries, their dances were rooted in the diverse dance and music cultures of European immigrants and African-American migrants who mingled in jazz age America. The new technology of sound cinema let them choreograph and fuse camera movement, light, and color with dance and music. Preserved intact for the largest audiences in dance history, their works continue to influence dance and film around the world. This book centers them and their colleagues within the history of dance (where their work has been marginalized) as well as film tracing their development from Broadway to Hollywood (1924-58) and contextualizing them within the American history and culture of their era. This modern style, like the nation in which it developed, was pluralist and populist. It drew from aspects of the old world and new, "high" and "low", theatrical and social dance forms, creating new sites for dance from the living room to the street. A definitive ingredient was the freer more informal movement and behavior of their jazz-age generation, which fit with song lyrics that poeticized slangy American English. The Gershwins, Rodgers and Hart, and others wrote not only songs but extended dance-driven scores tailored to their choreography, giving a new prominence to the choreographer and dancer-actor. This book discusses how these choreographers collaborated with directors like Vincente Minnelli and Stanley Donen and cinematographers like Gregg Toland, musicians, dancers, designers and technicians to synergize music and moving image in new ways. Eventually, concepts and visual-musical devices derived from dance-making would give entire films the rhythmic flow and feeling of dance. Dancing Americans came to be seen around the world as archetypal embodiments of the free-spirited optimism and energy of America itself.

Firekeeper's Daughter Drawn and Quarterly

A captivating, revealing biography of the legendary musician and poet Leonard Cohen opens in Los Angeles on the last night of the man's life in 2016. Alone in his final hours, the beloved writer and musician ponders his existence in a series of flashbacks that reveal the ups and downs of a storied career. A young Cohen traded in the promise of steady employment in his family's Montreal garment business for the unlikely path of a literary poet. His life took another sharp turn when, already in his thirties, he recorded his first album to widespread international acclaim. Along the way he encountered a who's who of musical luminaries, including Lou Reed, Nico, Janis Joplin, and Joni Mitchell. And then there's Phil Spector, the notorious music impresario who held a gun to Cohen's head during a coke-fueled, all-night recording session. Later in Cohen's life, there's the story of "Hallelujah," one of his most famous songs, and its slow rise from relative obscurity when first recorded in the 1980s to its iconic status a decade later with covers by John Cale and Jeff Buckley. And the period when Cohen went broke after his manager embezzled his lifetime savings, which ironically sparked an unlikely career resurgence and several worldwide tours in the 2000s. Written with careful attention to detail and drawn with a palette of warm, lush colors by the Quebec-based cartoonist Philippe Girard, Leonard Cohen is an engaging portrait of a cultural icon.

Dance Me a Song Henry Holt and Company (BYR)

One of the best-known experimental novels of the 1960s, *Beautiful Losers* is Leonard Cohen's most defiant and uninhibited work. As imagined by Cohen, hell is an apartment in Montreal, where a bereaved and lust-tormented narrator reconstructs his relations with the dead. In that hell two men and a woman twine impossibly and betray one another again and again. Memory blurs into blasphemous sexual fantasy--and redemption takes the form of an Iroquois saint and virgin who has been dead for 300 years but still has the power to save even the most degraded of her suitors. First published in 1966, *Beautiful Losers* demonstrates that its author is not only a superb songwriter but also a novelist of visionary power. Funny, harrowing, and fiercely moving, it is a classic erotic tragedy, incandescent in its prose and exhilarating for its risky union of sexuality and faith.

Wicked Souls Da Capo Press, Incorporated

FRIGHTENED MONSTERS. STOLEN TIME. AND ONE SERIOUSLY UNDERESTIMATED DAMSEL. Katie ran from the magical world years ago. She never planned on being dragged back in by a prophesying clamshell. The seers believe she alone can prevent an apocalypse of ruined time and broken worlds. Bran the Crow King believes she can save him from his cannibalistic grandfather. Katie believes they're all nuts. One thing is for certain: she's not waiting around for help. Operation Katie Saves her Own Damn Self is officially on.
