LYNN BRIANNA

Sons of Anarchy Liberty Street

A graphic novel depiction of the events between season three and four of the television show sees the Sons of Anarchy in jail, Gemma and Tara defending the homefront, and Jax trying to keep his Sons safe.

The Anti-Capitalist Resistance Comic Book Simon and Schuster

Sons of Anarchy collaborators Ed Brisson (Sheltered, Batman & Robin Eternal) and Damian Couceiro (Murder Book) are no strangers to rich, flawed characters with criminal backgrounds. This time they're taking to the stars in this futuristic, sci-fi

adventure filled with old-school, hard-boiled action. What It Is: In the distant future, as mankind discovers life on other planets, it needs soldiers to defend its colonies across the stars. In order to increase the number of boots on the ground, criminals are offered the opportunity to serve in the place of incarceration. When a rag-tag group of prisoners become stranded on a war-torn planet, they'll need to work together to survive and uncover the truth behind Earth's role in deep space. Collects the complete limited series, issues #1-8.

Sons of Anarchy #17 BOOM! Studios
With no one else to turn to, the daughter of an old SAMCRO member comes to Charming looking for help. The only people standing between Kendra and certain death are the Sons of Anarchy, and, for better or for worse, Sergeant-at-Arms Tig.
Sons of Anarchy BOOM! Studios
With the Slaughter MC quickly honing in on SAMTAZ territory, SAMCRO must make a difficult decision: Do they bring what support they can to the quickly floundering charter of the Sons of Anarchy, or do they stay back and protect the homefront after an already devastating year? Faced with few allies and even fewer resources, Jax must find a way to keep the club together.

Tensions escalate as disgraced ex-prospect Dillon frames the Mayans for vandalizing the SAMCRO clubhouse and kidnapping Lyla.

Sons of Anarchy #1 Simon and Schuster

Pour la première fois en France, voici réunis les quatre numéros d'Anarchy Comics, publiés à San Francisco entre 1978 et 1986. Trente auteurs du monde entier y collaborèrent, alliant anarchisme politique et sensibilité punk dans un mélange passionnant de satire, d'appel à la révolte et d'expérimentation formelle. Cette intégrale est augmentée de pages inédites et d'un historique de la publication par son fondateur même, Jay Kinney.

Wildcat Anarchist Comics collects the drawings of Donald Room, mostly (but by no means entirely) from the long-running "Wildcat" cartoon series that has been published in Freedom newspaper since 1980. Room does not just purvey jokes but makes the drawings comical in

themselves, "getting the humour in the line," provoking laughter even in those who do not read the captions or speech balloons. The chief characters in the strip are the Revolting Pussycat, a short-fused anarchist who is furious and shouty; and the Free-Range Egghead, an intellectual who would like anarchism to be respectable but sometimes appears foolish. Governments, bosses, and authoritarians are presented as buffoons, and quite often so are anarchists. This thoughtful and delightful collection includes strips from The Skeptic and many more, all beautifully colored for the first time by Jayne Clementson. The book also includes a lively autobiographical introduction that discusses Room's role in the 1963 "Challenor case," in which a corrupt police officer planted a weapon on Room at a demonstration, ultimately resulting in Room's acquittal.

Sons of Anarchy #4 BOOM! Studios

The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of

fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There is detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

New story arc! When Bobby's estranged nephew rolls into Charming, he seems like a promising Prospect. However, when it comes to the Sons of Anarchy, one mistake is all it takes to fall from grace...and into violence.

Sons of Anarchy #23 BOOM! Studios

Consisting of ten collaborative picture-essays that weave Cindy Milstein's poetic

words within Erik Ruin's intricate yet bold paper-cut and scratch-board images, *Paths toward Utopia* suggests some of the here-and-now practices that prefigure, however imperfectly, the self-organization that would be commonplace in an egalitarian society. The book mines what we do in our daily lives for the already-existent gems of a freer future—premised on anarchistic ethics like cooperation and direct democracy. Its pages depict everything from seemingly ordinary activities like using parks as our commons to grandiose occupations of public space that construct do-it-ourselves communities, if only temporarily, including pieces such as "The Gift," "Borrowing from the Library," "Solidarity Is a Pizza," and "Waking to Revolution." The aim is to supply hints of what it routinely would be like to live, every day, in a world created from below, where coercion and hierarchy are largely vestiges of the past. *Paths toward Utopia* is not a rosy-eyed stroll, though. The book retains the tensions in present-day attempts to "model" horizontal institutions and relationships of mutual aid under increasingly vertical, exploitative, and alienated conditions. It tries to walk the

line between potholes and potential. Yet if anarchist and other autonomist efforts are to serve as a clarion call to action, they must illuminate how people qualitatively, consensually, and ecologically shape their needs as well as desires. They must offer stepping-stones toward emancipation. This can only happen through experimentation, by us all, with diverse forms of self-determination and self-governance, even if riddled with contradictions in this contemporary moment. As the title piece to this book steadfastly asserts, "The precarious passage itself is our road map to a liberatory society."

Sons of Anarchy Vol. 1 PM Press

Tensions are building between the Sons and the Mayans, and ex-prospect Dillon teams up with a ragtag crew of small-time criminals in his hometown to get revenge on his former MC.

Sons of Anarchy #13 Liveright Publishing New York, 1989 - a decade of activism around the urban housing crisis is coming to a close. Legendary graphic artist Seth Tobocman documents it in his bold comic style. In a collection of his most enduring images, Tobocman covers everything from the imprisonment of Mumia Abu-Jamal; the

rise of Reaganomics; the struggle against apartheid and the Miami race riots. It is both a candid portrait of a decade of struggle to preserve basic human rights and a critical historical artefact.

Jerusalem National Geographic Books Officially licensed and part of the SONS OF ANARCHY TV Series canon, this series tells the further adventures of the SAMCRO motorcycle club that fans didn't see on television. The Sons of Anarchy are more than a club, more than a gang, more than an organization: they are a brotherhood. However, when it comes to the Sons of Anarchy, one mistake is all it takes to fall from grace...and into violence. With tensions building between the Sons and the Mayans, Jax will have to choose between the strongest forces in the MC: family, or the club. While Jax battles for control of the club, one of Chibs's old IRA foes comes to Charming, Opie considers leaving the club after a tragedy, and corruption in the city turns Charming into a powder keg. Writers Ed Brisson (Uncanny X-Men) and Ryan Ferrier (Jim Henson's Labyrinth: Coronation) with illustrators Jesús Hervás (The Empty Man) and Matías Bergara (Coda) weave tales of

SAMCRO deciding how deep loyalty truly runs. Legacy Editions collect every issue of the most popular BOOM! Studios series in chronological order and in a newly designed, value priced format for the very first time.

Wildcat Anarchist Comics Boom! Studios
With Kendra's life on the line, tensions rise and guns are drawn. As the Ghost Brothers close in on Kendra's location, Jax must win Lin over to the side of honor and family, driving the Sons closer to war with Griggs.
Society Is Nix BOOM! Studios
Final issue! As Opie and the club zero in on his location, Jax breaks free from the Israeli gangsters and starts a bloody fight in his escape.
