*Eminem* University of Illinois Press

This comprehensive title is among the first to extensively use newly released 2010 U.S. Census data to examine multiculturalism today and tomorrow in America. This distinction is important considering the following NPR report by Eyder Peralta: "Based on the first national numbers released by the Census Bureau, the AP reports that minorities account for 90 percent of the total U.S. growth since 2000, due to immigration and higher birth rates for Latinos." According to John Logan, a Brown University sociologist who has analyzed most of the census figures, "The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations." Both non-Hispanic whites and blacks are getting older as a group. "These groups are tending to fade out," he added. Another demographer, William H. Frey with the Brookings Institution, told *The Washington Post* that this has been a pivotal decade. "We're pivoting from a white-black-dominated American population to one that is multiracial and multicultural." *Multicultural America: A Multimedia Encyclopedia* explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today. Pedagogical elements include an introduction, a thematic reader's guide, a chronology of multicultural milestones, a glossary, a resource guide to key books, journals, and Internet sites, and an appendix of 2010 U.S. Census Data. Finally, the electronic version will be the only reference work on this topic to augment written entries with multimedia for today's students, with 100 videos (with transcripts) from Getty Images and Video Vault, the Agence France Press, and Sky News, as reviewed by the media librarian of the Rutgers University Libraries, working in concert with the title's editors.

*Dance with Me* Chicago Review Press

NATIONAL BESTSELLER • A coming-of-age classic, acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. *The House on Mango Street* is the remarkable story of Esperanza Cordero, a young Latina girl growing up in Chicago, inventing for herself who and what she will become. Told in a series of vignettes—sometimes heartbreaking, sometimes deeply joyous—Sandra Cisneros' masterpiece is a classic story of childhood and self-discovery. Few other books in our time have touched so many readers. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —*The New York Times Book Review*

### So, You Want to Be a Dancer? Summersdale

Get ready to dance! It's a toe-tapping, finger-snapping good time when Paula Abdul gives Zoe her very first dance lesson! Soon Sesame Street's favorite ballerina is learning how to step with pep in a ballet warm-up, get the beat in her feet from an African drum, be grand with her hands in an Asian dance, and just have fun with Zoe's own Silly Willy Nilly dance. And, that's not all! When Zoe's best friend Elmo joins in, everyone moves and grooves to a hip-hop, feel-good finale that will get you up and dancing along! Special DVD Bonus Feature: Paula Abdul's view on Dance, kids and growing up with Sesame Street! DVD includes free bonus CD sampler! Features 3 songs from Sesame Street's Hot Hot Hot Dance Songs!

*Trends in Hip-Hop Dance* Taylor & Francis

A SHY TEENAGER HAPPENS ON A CLASSMATE DANCING ALONE, AND HER JOY TURNS A KEY, UNLOCKING SOMETHING IN HIS HEART... Kaboku Kotani is starting high school, and he plans to do what he's always done: go along with his friends, keep quiet, and not draw too much attention to himself. After all, it's hard enough to get by with a stutter like his— why make things worse by standing out from the crowd? But then he sees another first-year, Hikari Wanda, dancing like no one is watching—or like she doesn't care who sees her. It makes Kaboku wonder: Could he reach that same freedom? To find his way to Wanda, he does something he never thought he could: He joins the dance club. After all, every routine begins with a single step, right? Join Kaboku and Wanda as they freestyle their way to life and love!

Listen to Hip Hop! Exploring a Musical Genre provides an overview of hip-hop music for scholars and fans of the genre, with a focus on 50 defining artists, songs, and albums. Listen to Hip Hop!

Exploring a Musical Genre explores non-rap hip hop music, and as such it serves as a compliment to Listen to Rap! Exploring a Musical Genre (Greenwood Press, Anthony J. Fonseca, 2019), which discussed at length 50 must-hear rap artists, albums, and songs. This book aims to provide a close listening/reading of a diverse set of songs and lyrics by a variety of artists who represent different styles outside of rap music. Most entries focus on specific songs, carefully analyzing and

deconstructing musical elements, discussing their sound, and paying close attention to instrumentation and production values—including sampling, a staple of rap and an element used in some hip hop dance songs. Though some of the artists included may be normally associated with other musical genres and use hip hop elements sparingly, those in this book have achieved iconic status. Finally, sections on the background and history of hip hop, hip hop's impact on popular culture, and the legacy of hip hop provide context through which readers can approach the entries.

*Indie Girl* Candlewick Press

This guide provides an overview of the history of hip hop culture and an exploration of its dance style, appropriate both for student research projects and general interest reading. Rapping. Breakdancing. MCing. DJing. Beatboxing. Graffiti art. These are just some of the most well-known artistic expressions spawned from hip hop culture, which has grown from being an isolated inner-city subculture in the 1970s to being a truly international and mainstream culture that has taken root in countries as diverse as Japan, France, Israel, Poland, Brazil, South Korea, and England. This insightful book provides not only an overview of hip hop's distinctive dance style and steps, but also a historic overview of hip hop's roots as an urban expression of being left out of the mainstream pop culture, clarifying the social context of hip hop culture before it became a widespread suburban phenomenon. Hip Hop Dance documents all the forms of street music that led to one of the most groundbreaking, expressive, and influential dance styles ever created.

*Dancing Is the Best Medicine* Faber & Faber

An introduction to popular dance, from ballroom to hip-hop, discussing the history, styles, and famous dancers and choreographers.

*When the Beat Was Born* Vintage

From the bestselling social commentator and cultural historian comes Barbara Ehrenreich's fascinating exploration of one of humanity's oldest traditions: the celebration of communal joy In the acclaimed *Blood Rites*, Barbara Ehrenreich delved into the origins of our species' attraction to war. Here, she explores the opposite impulse, one that has been so effectively suppressed that we lack even a term for it: the desire for collective joy, historically expressed in ecstatic revels of feasting, costuming, and dancing. Ehrenreich uncovers the origins of communal celebration in human biology and culture. Although sixteenth-century Europeans viewed mass festivities as foreign and "savage," Ehrenreich shows that they were indigenous to the West, from the ancient Greeks' worship of Dionysus to the medieval practice of Christianity as a "danced religion." Ultimately, church officials drove the festivities into the streets, the prelude to widespread reformation: Protestants criminalized carnival, Wahhabist Muslims battled ecstatic Sufism, European colonizers wiped out native dance rites. The elites' fear that such gatherings would undermine social hierarchies was justified: the festive tradition inspired French revolutionary crowds and uprisings from the Caribbean to the American plains. Yet outbreaks of group revelry persist, as Ehrenreich shows, pointing to the 1960s rock-and-roll rebellion and the more recent "carnivalization" of sports. Original, exhilarating, and deeply optimistic, *Dancing in the Streets* concludes that we are innately social beings, impelled to share our joy and therefore able to envision, even create, a more peaceable future. "Fascinating . . . An admirably lucid, level-headed history of outbreaks of joy from Dionysus to the Grateful Dead."—Terry Eagleton, *The Nation*

*Step Up* Bloomsbury Publishing USA

Beginning Hip-Hop Dance provides dance students and general education students a strong foundation in the fundamentals of hip-hop—its techniques, styles, aesthetics, history, significant works, and artists. The text comes with a web resource of 56 video clips to aid in practicing techniques.

*B-Boy Championships* Infobase Publishing

A former member of the violent Latin Kings street gang, Reymundo Sanchez brings his hard-earned experience and insight to bear on the issue of young women in gangs, tracing the heartbreaking transformation of a bright young girl named Sonia Rodriguez—who tried desperately to avoid the drugs, violence, and gang members that infested her family and neighborhood—into the ruthless and powerful Latin Queen leader known as &"Lady Q.&" From throwing punches and running drugs to getting shot at and doing time in prison, Lady Q follows the same dangerous, dead-end road as so many young men in gangs, until she realizes that saving herself and her children means changing course before it's too late.

*Listen to Hip Hop!* Mitchell Lane

This is a comprehensive and fully-illustrated book on the world of B-Boy, by the man who founded and organizes the Sony Ericsson B-Boy Championships.

Zoe's Dance Moves Abrams

The year is 1878, and 13-year-old Eva has lost all the family she's ever known. Eva feels like an orphan—but she's not. Sadie Lewis, the woman who gave her up at birth, is alive and well in Denver. And Eva sets out to find her, carrying only an address on a slip of paper. But Denver holds more surprises than Eva can bear. When she reaches 518 Holladay Street, she discovers Sadie Lewis's shocking secret—a secret that lands Eva in a house of ill repute, forced to dance with strangers for her keep. But Eva knows in her bones that she's free—and that she's got to escape. In a novel that pulses with the sights, sounds, and wild dangers of the frontier West, Elisa Carbone explores the

many faces that family, and freedom, can take.

*Dancing in the Streets* Vintage

Are you cursed with two left feet? Are your dance moves unrighteous? Do you refrain from getting down lest others judge you cruelly? Fear not. Salvation is at hand. Singing hymns of praise is standard practice—now it's time to set your feet a-tapping with a collection of original dance moves inspired by Jesus and the likes of Moses and John the Baptist. Dances include: the Water Walk, the Temptation Tango, the Judas Hustle, and The Apostolic Conga. Each dance move is outlined with: how to, inspiration, and an illustration. Slyly irreverent but ultimately festive, *Dancing with Jesus* is illustrated in full color. Best of all, two of the dances are animated for full effect by a lenticular cover and last-spread finale, making this a truly one-of-a-kind novelty item! As the Bible says in Ecclesiastes, there is, "A time to weep, a time to laugh, a time to mourn, a time to dance."
