Ethnodramatherapy explores the integration of the performance ethnography method, known as ethnodrama, with the principles and practices of drama therapy to establish a sound theoretical formulation for ethnodramatherapy, and considers its use as art, as therapy, as research and as a vehicle for social justice. The book begins by defining ethnodramatherapy – an original synthesis created by the author through deep study and practice of Mienczakowski's ethnodrama, combined with 35 years of his own practice and research in drama therapy, creative arts therapies and therapeutic theatre. The book describes the origins of ethnodramatherapy, along with its evolution and method. It then delves into applications of the practice highlighted by five case studies with different audiences in different settings. Subjects include adults with developmental disabilities, female adolescents in youth protection, caregivers for loved ones with mental illnesses and Chinese students exploring controversial issues of oppression in China. Complex ethical issues are reviewed and suggestions are

made on how to deal with some of the challenging ethical situations that are likely to arise in the ethnodramatherapy process. What emerges is a powerful tool that harnesses theatrical art, ethnographic research and the clinical techniques of drama therapy to create a potential for emancipatory experience for both performers and audiences. This exciting and dynamic synthesis of drama therapy, performance ethnography, theatrical art and social activism will be of interest to the whole community of theatre practitioners and scholars who use theatre to effect individual and social change, including the disciplines of applied theatre, theatre education, experimental theatre, performance studies, and, of course, drama therapy, psychodrama and the other creative arts therapies.

As professional directors and teachers who work with young and adult actors at the Tony Award-Winning American Conservatory Theater, Slaight and Sharrar have years of experience helping actors uncover the dynamics of the monologue, as acting exercise and as audition material. Now in their impressive third volume of age-appropriate monologues, culled from plays by substantial playwrights from an international field, the editors have assembled an impressive collection to

take the actor/director/teacher to new levels of sophistication and breadth. The volume's introduction is a concise guide to today's audition obstacles and how to overcome them. As in their other award-winning collections, Slight and Sharrar have selected character speeches from the finest dramatic literature. In addition, they have included a special section on the use of the song lyric as an exciting and useful exercise in solo work.

Soccer, the most popular mass spectator sport in the world, has long been a site which articulates the complexities and diversities of the everyday life of the nation. The imaging and prioritization of the game as a 'national' or an 'international' event in public opinion and the media also play a critical role in transforming the soccer culture of a nation. In this context, the FIFA World Cup remains the grand spectacle for asserting the identity of the nation. This book intends to offer eclectic perspectives and discourses on the FIFA World Cup, and to throw light on the changing dimensions of football and sports culture in terms of identity, race, ethnicity, gender, fandom, governance, and so on. On the one hand, it focuses

on the significance of the FIFA World Cup for nations in terms of hosting, performance, playing style, and identity formation. On the other, it looks beyond the World Cup to highlight the growing importance of a host of perspectives in sport in general and football in particular with reference to art, fandom, gender, media, and governance. The chapters in this book were originally published as a special issue of *Sport in Society*.

Worship and Creative Arts have such a broad scope of influence. More goes in to a Sunday morning worship service than the average person realizes. Every aspect of that service and every volunteer on the stage has one thing in common. They are set up and led by a leader, a worship leader. Title or not, the office of worship leader has a great sphere of influence and can get overwhelming. This book strategically touches on many areas within Worship and Creative Arts. Dr. Brandi Lowery began leading worship at the age of sixteen and has been in full time ministry ever since. She received her undergraduate degree from Southeastern University and has since completed her Master's and Doctorate degrees in Theology. Dr. Lowery is founder of Platinum Ministries and Platinum Worship, who have had the honor of taking the stage with some of the biggest names in Christian and Gospel music. She is currently still serving as Creative Arts Pastor and does a great deal of mentoring and consulting for church worship departments. This book was authored to aid those who find themselves wanting to know more about this ministry. She is the mother of three beautiful children, and comes from a legacy of ministers. Her aim is that

despite church size or resources, that with direction, every church can have a successful and impactful worship department if they know how to use the resources they already have.

Melody needs some downtime — and the summer youth retreat will really hit the spot! But a last-minute crisis at camp means an opportunity for the band to lead worship every morning, plus headline the camp's big beach concert, and go to camp for free. Too busy and unhappy, Mello makes some selfish choices that result in the girls getting lost, sunburned, in trouble, and embarrassed. Can she pull out of the downward spiral before she ruins camp — and the band—completely?

*Creating Solo Performance* Routledge

A book packed with monologues, duologues, script extracts and other stimuli for performance. It is aimed at young performers from pre teens to young adults. The Drama Pot 3 follows on from the success of The Drama Pot & The Drama Pot 2. The book has been written by a drama teacher with over twenty years experience which includes heading up a performing arts faculty in a secondary school, GCSE and A-Level examining and most currently residing as the principal of a successful theatre school. She also has her work published in the 2019 LAMDA Acting Anthology. The original monologues and scenes can be used for class work, festivals, exams, and there are also some great script starters, which make great starting points for children to create their own performance work. The monologues have guidance on age suitability and there is a good mix of male and female characters, with some written as non-gender specific in order to give the

performer a wider selection of pieces to choose from. This collection of creative material would be a great asset to any drama teacher's resources and be of benefit to primary and secondary schools as well as youth groups, and those preparing for auditions. "A great series of books, funny, sad and heart warming. Like a little sidekick in paperback form! The Drama Pot 1 and 2 are extremely reliable resources for all genres of monologue. The author has, thankfully, broadened the horizons for anyone looking for suitable and appropriate audition material. Students will be thrilled to perform these fun, new, fresh, quirky and up to date pieces." Dave King (Drama Teacher and LAMDA Tutor)

The six one-person plays included in this collection are ideal for actors looking to showcase their talents at solo performance theatre festivals, whose popularity has grown exponentially in recent years. Poignant, sometimes heart-wrenching, sometimes heart-warming and frequently witty, each piece allows the actor to explore a multifaceted, well-rounded character that will demonstrate their skills at their finest and fullest. They say never judge a book by its cover but it's something many of us are apt to do at some point. Judging a person by their appearance is equally unwise, as none of us can know the personal turmoil behind the public facade of a perfect stranger. But what if we could? Juxtaposing the public face with the private, conflicted person behind it, these solo plays present an actor with the opportunity to truly immerse themselves in the mind of the character they're portraying.

Comedian and musician Reggie Watts shares his story of growing up in Montana as a biracial oddball struggling to navigate life, girls, drugs, and his own identity in America's heartland—and having a blast doing it. Reggie Watts is weird. But you knew that. Anyone who's seen his multifaceted, entirely improvised comedy and music shows knows that. Reggie Watts is also from the town of Great Falls, MT. These two facts are not unrelated. Watts grew up in Montana in the '80s, half French, half American, half white, half Black, speaking a bunch of different languages and slipping between the orchestra geeks and the football jocks until he finally found a squad of fellow misfits with an affinity for trouble. It was a wide-open time and place that invited freedom and exploration—as well as car theft and the not infrequent use of recreational cough syrup. And it helped him become the uniquely strange creative voice he is today. In Great Falls, MT, Watts takes us through his story, hitting on the culture shock he experienced after moving from Europe to the heart of America, where he was called racial slurs by neighbors but wasn't Black enough for his father's

extended family. Where he fought with his authoritarian dad, built a new family of antiestablishment, post-punk oddballs—and ultimately knew he had to leave. But after Watts's career exploded in Seattle and New York, ultimately scoring him a nightly place next to James Corden on *The Late Late Show*, he found himself drawn back to his hometown after the deaths of his parents. This is his love letter to the town that made him. But like love itself, it's messy and complicated and dirty and beautiful—and as weird and wonderful as Watts himself.

From the bestselling author of *Swindle*, *Restart*, and *Slacker* is another hilarious story about an underachiever who learns to go above and beyond. Cameron Boxer, king of the slackers, has found something worth his time. By playing video games online in front of an audience he can find both fame AND fortune -- especially with Elvis (a beaver who seems to love video games as much as Cam) at his side. The only problem? Things keep getting in Cam's way. Like school. And the club he accidentally started. And the misguided people in his life who don't think beavers should be playing video games. It's going to take some trickery, some close calls, and a fierce devotion to slacking in order for Cam to get to his goal -- conquering the game's infamous Level 13. But if any slacker can do it, Cam can.
