budget.
Whether

you're moving into a new home, launching a home makeover, or just sprucing up a room, this book, *At Home With Modern June*, by Kelly McCants, provides plenty of ideas on how to infuse individuality into every room in the house. The 27 budget-friendly projects have a retro style and use materials such as oilcloth, laminated cotton, and chalk cloth in addition to

quilter's cotton. Easy-to-follow instructions and helpful photographs guide you to success. You'll make drapes, bed skirts, floor mats, and much more. All that's required is a bit of ingenuity, a little time, and some basic skills. "This follow-up will be welcomed by [McCants's] readers eager for more of her bright, cheerful, and often-oilcloth-centered designs."—Publishers Weekly
"McCants...too

k her vintage modern aesthetic—think cheery 1950s housewife with a contemporary flair for design—and applied it to home decor. The result is this collection of fun sewing projects for the home, many featuring [her] beloved laminated cottons. Most of the projects are beginner-friendly and require little more than the ability to machine sew in a straight line, but there are a few for

fashion through the decades. Five adaptable master patterns for tops, dresses, and pants are transformed into nineteen unique projects for both women and men that draw inspiration from key fashion moments. These influential looks—from the Roaring Twenties to the Awesome Eighties—are all modernized and reinterpreted for today’s sewing enthusiasts.

BurdaStyle, the world’s largest online community of people who sew, is synonymous with stylish sewing and high-quality patterns. In this follow-up to The BurdaStyle Sewing Handbook, they provide step-by-step instructions and techniques for customizing the enclosed master patterns into new design variations, all perfectly fitted for you. You’ll also get a taste of fashion

history—the essential designers, signature trends, and style icons from each era—to help you channel your inner Coco Chanel, Audrey Hepburn, or Yves Saint Laurent. BurdaStyle Sewing Vintage Modern combines the best of fashion from the past with an updated approach to sewing. Whether you prefer a slim-fit pant, the perfect men’s button-down, or a versatile

shift dress, this book offers a classic collection that will last you a lifetime.

The Costume Making Guide
Abrams
Japanese craft books are loved the world over for their beautiful and practical design, unique aesthetic, and their clear, meticulous and educational instruction. Translated into English for the first time, Stylish Dress Book contains 26 projects for beautiful dresses and blouses.

Elegant and loose-fitting, the pieces in this book are designed to be worn in any season and are suitable for women of all ages. The easy-to-follow instructions are accompanied by detailed diagrams and gorgeous full-colour photographs. The full-sized pattern sheets have been adapted for Western sizing and run from AU 6 - 16.
IMPORTANT CORRECTION: Correction: The sleeve pattern piece for Dress Y,

 If you want to sew your own clothes but are put off by the idea of cutting out pattern pieces covered with dotted lines and symbols, this is the book for you. Using Rosie Martin's innovative method, you

begin with nothing but a rectangle, circle, or triangle of fabric and some basic body measurement s. Next, follow the detailed step-by-step photographs and diagrams to complete your garment. You'll need a sewing machine, but no special equipment or expensive fabrics. With plenty of variations suggested for each garment, there's lots of room for your own creative touches, too. Storm Prey

Bloomsbury Publishing USA
 Marion Zimmer Bradley was a bestselling science fiction author, a feminist icon, and was awarded the World Fantasy Award for lifetime achievement. She was best known for the Arthurian fiction novel THE MISTS OF AVALON and for her very popular Darkover series. She was also a monster. THE LAST CLOSET: The Dark Side of Avalon is a brutal tale of a

harrowing childhood. It is the true story of predatory adults preying on the innocence of children without shame, guilt, or remorse. It is an eyewitness account of how high-minded utopian intellectuals, unchecked by law, tradition, religion, or morality, can create a literal Hell on Earth. THE LAST CLOSET is also an inspiring story of survival. It is a powerful testimony to courage, to

hope, and to faith. It is the story of Moira Greyland, the only daughter of Marion Zimmer Bradley and convicted child molester Walter Breen, told in her own words. *Rebecca Ringquist's Embroidery Workshops* Turner Publishing Company Have you been trying to think of a way to conquer your local comic convention through cosplay? Do you gaze with envious eyes upon the fan-

made suits of armored awesomeness strolling around every year on Halloween? Do you have a spot on your wall, bookshelf, or desk that desperately needs to be filled with a screen-accurate replica of your favorite science-fiction or fantasy weapon? If so, look no further. We've got just the book for you! In this book, master prop maker Shawn Thorsson uses his unique blend of

humor and insight to turn years of painful experience into detailed explanations. He'll show you many of the tools, methods, and processes that you can use to create professional-looking science fiction and fantasy props and armor. The ultimate collision of creative imagination and practical maker skills, making props and costume armor involves sculpting, molding,

casting, 3D printing, CNC fabrication, painting, and countless other techniques and technologies. In this book, you'll learn: Basic fabrication methods using inexpensive, commonly-available tools and materials Simple, low-cost methods to make foam armor out of easy-to-find foam mats How to use the popular Pepakura software to build 3D models with paper Multiple molding and

casting techniques How to build a "vacuforming" machine to make armor from plastic sheet stock Painting and weathering techniques that will bring your props to life Just enough safety advice to keep you from losing body parts along the way Whether you're just a beginner or a seasoned builder with countless projects behind you, this book is sure to be an invaluable addition to

your workshop library.

Do unto others as you would others should do to you. You can never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others, and though you may err in the ceremonious

points of
etiquette, you
will never be
im polite.
Politeness,
founded upon
such a rule,
becomes the
expression, in
graceful
manner, of
social virtues.
The spirit of
politeness
consists in a
certain
attention to
forms and
ceremonies,
which are
meant both to
please others
and ourselves,
and to make
others pleased
with us ;a still
clearer
definition may
be given by
saying that
politeness is
goodness of

heart put into
daily practice;
the.re can be
no true,
politeness
without
kindness,
purity,
singleness of
heart, and
sensitivity.
Many believe
that
politeness is
but a mask
worn in the
world to
conceal bad
passions and
impulses, and
to make a
show of
possessing
virtues not
really existing
in the heart;
thus, that
politeness is
merely
hypocrisy and
dissimulation.
Do not believe

this; be
certain that
those who
profess such a
doctrine are
practising
themselves
the deceit
they condemn
so much.
