Spirit Animal Quiz Independently
Published

A spirit animal is believed to represent certain traits and skills that an individual is supposed to have. These traits and skills may already be present in you, or you maybe supposed to learn these in your life. Basically, your spirit animal can help you guide in your life purpose and make the right life decisions. So, what is your spirit animal? You may just want your spirit animal to be a lion. But this is not how it works. You don't choose your spirit animal. Your spirit animal chooses you. Your spirit animal is your spiritual guide and it has already chosen you. What you now need to do is find out what your spirit animal is and then follow its path or acquire its traits. Basically, the spirit animal maybe telling you what traits you need to acquire in your life currently. It may also be telling you about how you can solve your current life problems and move ahead in your

spiritual journey. It may be telling you what steps or what roles you need to take to move ahead in your physical as well as spiritual life. In short, it may be telling you what qualities you possess or what characteristics you need to develop within you. Don't go wasting your time choosing your animal. You will only be frustrated and lose your spiritual path in life. Just find out which one it is and follow its guidance. You surely won't be disappointed. So, how can you find which one is your spirit animal? Quite simple; take the quiz on the next page and find out your spirit animal and its primary meaning. But there is one thing that you will need to realize. Once you do know your spirit guide, your job is not done. You need to take steps to get in touch with your spirit animal. This could involve meditating on your spirit animal or learning more about its traits or honoring it by wearing a piece of jewelry or clothing associated with your spirit animal. So, let's get started and find out your spirit animal!

Discover the different types of spirit guides, how to communicate and work with them and how they can help you in every facet of life. Connect with your personal team of spirit guides, and draw on their ancient wisdom and healing to overcome challenges, unlock success and achieve your dreams. The Seven Types of Spirit Guide is the first-ever exploration of the cosmic helpers who

have communicated with everyday people across cultures and throughout human history. Spirit guides take many forms, and in this book spirit guide medium Yamile Yemoonyah will introduce you to each of the seven types: angels, ancestors, nature spirits, star beings, animal spirits, ascended masters and deities. Each has specific characteristics, gifts and challenges, and you'll learn the unique reasons your spirit guides are here to support you on your personal path. Featuring an extensive quiz to help you discover which types of spirit guide, or guides, you have, and practical advice on identifying and communicating with them, this refreshing and inclusive companion will help you to further your spiritual development, manifest your dreams and live your purpose.
