Ethnographical Studies in Celebes: Art in central Celebes Hassell Street Press

"The aim of this collection is to make possible the forging of a more robust, politically useful, and theoretically elaborate understanding of working-class literature(s). These essays map a substantial terrain: the history of working-class literature(s) in Russia/The Soviet Union, The USA, Finland, Sweden, The UK, and Mexico. Together they give a complex and comparative - albeit far from comprehensive - picture of working-class literature(s) from an international perspective, without losing sight of national specificities. By capturing a wide range of definitions and literatures, this collection gives a broad and rich picture of the many-faceted phenomenon of working-class literature(s), disrupts narrow understandings of the concept and phenomenon, as well as identifies and discusses some of the most important theoretical and historical questions brought to the fore by the study of this literature. If read as stand-alone chapters, each contribution gives an overview of the history and research of a particular nation's working-class literature. If read as an edited collection (which we hope you do), they contribute toward a more complex understanding of the global phenomenon of working-class literature(s)." Homophones and Homographs Checkmark Books

This beautiful, one-volume personal missal contains the revised English translation of the Roman Missal, including the Scripture readings and prayers for all Sundays, Cycles A, B, and C; holy days of obligation; all weekdays, Years 1 and 2; and saints' feast days-including the new saints in the church's calendar! The spiritual reflections on each day's readings and introductions to each liturgical season enhance prayerful participation in the liturgy. An expanded Treasury of Prayers, and texts for commons and Masses of the Dead are also included. Printed in clear 10-point type, this fine-quality missal is bound in durable leather flex with gilded edges, four ribbon markers, and a gold-stamped cover. Available with a black or rich burgundy cover.

An Almanack for the Year of Our Lord ... Forgotten Books

"This book is the first in-depth study of the forty short texts James Joyce called "epiphanies." Sangam MacDuff argues that the epiphanies are an important point of origin for Joyce's entire body of work, showing how they shaped the structure, style, and

language of his later writings"--

History of Worcester and Its People Saint Philip Street Press

On October 14, 1953, Pope Pius XII presided over the dedication of the new Pontifical North American College seminary on the Janiculum Hill above Saint Peter's Basilica. Nearly one hundred years had passed since the seminary's founding, and the Pope considered the new campus' completion "a stronger flame of hope for the Church in the United States of America and in the world." Devotion to the Holy Father, the grace of priestly ordination, and a solid training in the Church's teachings were the three treasures that young men trained at the "NAC" brought back with them to the United States as priests. In this follow-up to Father Robert McNamara's monumental work, *The American College in Rome, 1855-1955*, Monsignor Stephen M. DiGiovanni advances the history of the College over the next quarter century. The American students in the 1950s were not the same as those who had lived in the old seminary during the previous century. The world was very different after numerous revolutions, social upheavals, and two world wars. Other forces were at work as well, including some changes just beginning to take place in American society, which would become radically and publicly manifest on American university and seminary campuses during the next decades—even in Rome. If prior to the Second Vatican Council everything was clear and regimented, then during and after the Council less and less was clear-cut or well-defined on the "Hill of Janus." In fact, few could have predicted the *aggiornamento* or "updating" that was on the horizon that would profoundly reshape, for better or worse, the NAC and its future priests.

The Day of Doom Simon and Schuster

Reviews of the first edition: The best roster of these phenomena--Wilson Library Bulletin; a good choice for any library--RQ. Now greatly expanded, the second edition includes over 7,000 (up from 3,500) homophones (words that sound alike) and over 1,400 (up from 600) homographs (look-alikes). Words are defined and cross referenced.

The Supplementary Japanese-English Dictionary Bookcraft, Incorporated

Some say that the Gospels are incompatible, heterogeneous, or even contradictory. We will find out how four writers, four Gospel writers have contributed in their own way to our understanding of the complexity of the agony of Christ. This book is a journey of discovery of faith through the versions of four great authors of the Gospels: Matthew, Mark, Luke, and John.

Conjure in African American Society LSU Press

Excerpt from *Interracial Justice: A Study of the Catholic Doctrine of Race Relations* The problem of race relations in the United States is usually regarded as hopeless in proportion as attention is narrowed upon the immediate participants in racial conflicts. Hope for its solution arises as relations between the races are seen in the light of wider, common interests; in the light of history, and in the light of Spiritual truths. The following chapters are an attempt to apply such a wider view to the social problem of racial differences. All that is Fiere written is based upon an assumption, which the author believes is indisputably sound, that racial disputes, similar to disputes in any other area of human relationships, will yield to the solvent of Catholic social ethics as teaching, the application of justice and charity. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. A French and English dictionary Library Press at Uf

Framed by theories of syncretism and revitalization, Religious Revitalization among the Kiowas examines changes in Kiowa belief and ritual in the final decades of the nineteenth century. During the height of the horse-and-bison culture, Kiowa beliefs were founded in the notion of *daudau*, a force permeating the universe that was accessible through vision quests. Following the end of the Southern Plains wars in 1875, the Kiowas were confined within the boundaries of the Kiowa-Comanche-Apache (Plains Apache) Reservation. As wards of the government, they witnessed the extinction of the bison herds, which led to the collapse of the Sun Dance by 1890. Though prophet movements in the 1880s had failed to restore the bison, other religions emerged to fill the void left by the loss of the Sun Dance. Kiowas now sought *daudau* through the Ghost Dance, Christianity, and

the Peyote religion. Religious Revitalization among the Kiowas examines the historical and sociocultural conditions that spawned the new religions that arrived in Kiowa country at the end of the nineteenth century, as well as Native and non-Native reactions to them. A thorough examination of these sources reveals how resilient and adaptable the Kiowas were in the face of cultural genocide between 1883 and 1933. Although the prophet movements and the Ghost Dance were short-lived, Christianity and the Native American Church have persevered into the twenty-first century. Benjamin R. Kracht shows how Kiowa traditions and spirituality were amalgamated into the new religions, creating a distinctive Kiowa identity.

Ancient Judaism Universe Publishing(NY)

This expanded fourth edition defines and cross-references 9,040 homophones and 2,133 homographs (up from 7,870 and 1,554 in the 3rd ed.). As the most comprehensive compilation of American homophones (words that sound alike) and homographs (look-alikes), this latest edition serves well where even the most modern spell-checkers and word processors fail—although rain, reign, and rein may be spelled correctly, the context in which these words may appropriately be used is not obvious to a computer.

The Grateful Dead Reader Extra Fancy Books

A playboy prince caught in a royal bachelor auction! Phillip I never expected to be the prime target of a bachelor auction, compliments of my outrageous sister-in-law, the new queen. I don't care if the internet has turned me into a royal hottie meme, I am not a piece of meat. So when the first eager single woman arrives at the palace, I send her packing. Only the damn woman refuses to leave. Ruby Why would I want to buy a date with an arrogant rude prince? I'm here to do a job, which I desperately need, and no delusional prince is going to stand in my way. Obviously, the "royal hottie" believes the hype. So how did I end up winning the top prize in a royal bachelor auction, and what will I do with him? I can't let myself fall for a playboy. Besides, we're heading in opposite directions. He's going on an international tour for a year or more, and I absolutely have to get back to the US. Only this prince is used to getting what he wants, and now he wants me. The Rourke Series Royal Catch (Book 1) Royal Hottie (Book 2) Royal Darling (Book 3) Royal Charmer (Book 4) Royal Player (Book 5) Royal Shark (Book 6) Rogue Prince (Book 7) Rogue Gentleman (Book 8) Rogue Rascal (Book 9) Rogue Angel (Book 10) Rogue Devil (Book 11) Rogue Beast (Book 12) Keywords: contemporary romance, romantic comedy, chick lit, funny romance, humorous romance, humorous fiction, women's fiction, royal romance, series romance, series, family sagas, romance series, romance, romantic, family life, dating, the rourkes, the rourkes series, humor, marriage, love, family life, friendship, Kylie Gilmore, USA Today bestselling author, royalty, love, sagas, royal romance series, bachelor auction, steamy romance, romance series, romance books, smart romance, hot romance, kylie gilmore romance, beach read, romcom, long romance series

Slavery and Plantation Growth in Antebellum Florida 1821-1860 Simon and Schuster

Arranged in chronological order, these pieces add up to nothing less than a full-scale history of the greatest tour band in the history of rock. From Tom Wolfe's account of the Dead's first performance as the Grateful Dead (at an Acid Test in 1965), to Ralph Gleason's 1967 interview with the 24-year-old Jerry Garcia, to Mary Eisenhart's obituary of the beloved leader of the band, these selections include not only outstanding writing on the band itself, but also superb pieces on music and pop culture generally. Fans will be fascinated by the poetry, fiction, drawings, and rare and revealing photographs featured in the book, as well as the anthology's many interviews and profiles, interpretations of lyrics, and concert and record reviews. Still, The Grateful Dead was more than a band—it was a cultural phenomenon. For three decades it remained on one unending tour, followed everywhere by a small army of nomadic fans. This phenomenon is both analyzed and celebrated here, in such pieces as Ed McClanahan's groundbreaking article in *Playboy* in 1972, fan-magazine editor Blair Jackson's 1990 essay on the seriousness of the drug situation at Dead concerts, and Steve Silberman's insightful essays on the music and its fans.

Interracial Justice BoD - Books on Demand

The books in the Florida and the Caribbean Open Books Series demonstrate the University Press of Florida's long history of publishing Latin American and Caribbean studies titles that connect in and through Florida, highlighting the connections between the Sunshine State and its neighboring islands. Books in this series show how early explorers found and settled Florida and the Caribbean. They tell the tales of early pioneers, both foreign

and domestic. They examine topics critical to the area such as travel, migration, economic opportunity, and tourism. They look at the growth of Florida and the Caribbean and the attendant pressures on the environment, culture, urban development, and the movement of peoples, both forced and voluntary. The Florida and the Caribbean Open Books Series gathers the rich data available in these architectural, archaeological, cultural, and historical works, as well as the travelogues and naturalists' sketches of the area in prior to the twentieth century, making it accessible for scholars and the general public alike. The Florida and the Caribbean Open Books Series is made possible through a grant from the National Endowment for the Humanities and the Andrew W. Mellon Foundation, under the Humanities Open Books program.

Beyond Sunday Our Sunday Visitor

From Simon & Schuster, *Soy Miracle* is Earl Mindell's guide on how adding soy foods to your diet may protect you against diseases such as prostate and breast cancer, osteoporosis, and coronary artery disease. Featuring 70 tasty recipes, *Soy Miracle* is Earl Mindell's guide to soy protein lowering cholesterol, as reported in *The New England Journal of Medicine*.

Religion, Rebellion, Revolution U of Nebraska Press

Countless Catholics settle for a life of faith that begins and ends with the obligatory Sunday Mass. While essential, giving just one hour of our lives to God can never satisfy our deep longing for a purposeful, joy-filled life. In *Beyond Sunday: Becoming a 24/7 Catholic*, radio host Teresa Tomeo gets real about what it takes to live as a Catholic every day of the week. With personal stories and research, this book offers practical tips for seekers in any stage of faith. "Teresa Tomeo's *Beyond Sunday* is an inspiring call to action for Catholics from all walks of life to fully embrace all the beauty and intelligence the Church has to offer." — Bishop Robert Barron, author of *To Light a Fire on the Earth* "The ultimate

source of a full and abundant life — not a life of simply existing but a life in which the holes in our hearts are filled — is to let ourselves be loved by God. And this means seeking that life we were made to live. There is a supreme adventure awaiting us in this life. Teresa Tomeo's new book *Beyond Sunday* invites us to ignite this fire within and shows us like a beacon a practical way how. Everyone should read this book. Everyone." — Chris Stefanick, author, speaker, and founder of Real Life Catholic

ABOUT THE AUTHOR TERESA TOMEO has more than thirty years of experience in print and broadcast media and founded her own communications company, Teresa Tomeo Communications. She hosts a weekday radio program, *Catholic Connection*, which is heard daily on over 500 stations worldwide, as well as the popular television series, *The Catholic View for Women*. She is a bestselling author of *Extreme Makeover: Women Transformed by Christ*, *Not Conformed to the Culture*; and *Noise: How Our Media Saturated Culture Dominates Lives and Dismantles Families*. Teresa and her husband, Deacon Dominick Pastore, live in Michigan and speak around the world about marriage. Tomeo is a columnist and special correspondent for *OSV Newsweekly* and hosts the *Catholic Leaders Webinar Series: Media Matters*.

TO WALK IN THE FOOTSTEPS OF CHRIST Springer

Papers from a symposium on "Religion and revolution," held at the University of Minnesota, 6-8 Nov. 1981.

Chronicles of the Haskell Family Oxford University Press

The early Church faced its share of villains—persecutors like Nero and Julian, heretics like Marcion and Arius. And what good were they? Plenty, say the Church Fathers. The threat of persecution made Christians strong and bold. As noted author Mike Aquilina demonstrates in *Villains of the Early Church: And How They Made Us Better Christians*, the menace of heresy made Christians smarter — and deepened their knowledge of the divine mysteries.

The villains of the ancient world proved the mettle of heroes like Peter and Paul, Irenaeus and Athanasius. Treachery and adversity inspired the Fathers' clearest teaching, most entertaining invective, and more than a few memorable jokes. The time of villains—and heroes—is hardly over. Through *Villains of the Early Church*, you'll learn how you can keep your good humor through trials and opposition, and all the while grow sharper in doctrine and warmer in devotion.

Place Names in Bucks County, Pennsylvania Emmaus Road Publishing

From black sorcerers' client-based practices in the antebellum South to the postmodern revival of hoodoo and its tandem spiritual supply stores, the supernatural has long been a key component of the African American experience. What began as a mixture of African, European, and Native American influences within slave communities finds expression today in a multimillion dollar business. In *Conjure in African American Society*, Jeffrey E. Anderson unfolds a fascinating story as he traces the origins and evolution of conjuring practices across the centuries. Though some may see the study of conjure as a perpetuation of old stereotypes that depict blacks as bound to superstition, the truth, Anderson reveals, is far more complex. Drawing on folklore, fiction and nonfiction, music, art, and interviews, he explores various portrayals of the conjurer -- backward buffoon, rebel against authority, and symbol of racial pride. He also examines the actual work performed by conjurers, including the use of pharmacologically active herbs to treat illness, psychology to ease mental ailments, fear to bring about the death of enemies and acquittals at trials, and advice to encourage clients to succeed on their own. By critically examining the many influences that have shaped conjure over time, Anderson effectively redefines magic as a cultural power, one that has profoundly touched the arts, black Christianity, and American society overall.
