Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**Against Love** Lucia Marquand

An exploration of life at the margins of history from one of Russia's most exciting contemporary writers Shortlisted for the 2021 International Booker Prize Winner of the MLA Lois Roth Translation Award With the death of her aunt, the narrator is left to sift through an apartment full of faded photographs, old postcards, letters, diaries, and heaps of souvenirs: a withered repository of a century of life in Russia. Carefully reassembled with calm, steady hands, these shards tell the story of how a seemingly ordinary Jewish family somehow managed to survive the myriad persecutions and repressions of the last century. In dialogue with writers like Roland Barthes, W. G. Sebald, Susan Sontag, and Osip Mandelstam, *In Memory of Memory* is imbued with rare intellectual curiosity and a wonderfully soft-spoken, poetic voice. Dipping into various forms—essay, fiction, memoir, travelogue, and historical documents—Stepanova assembles a vast panorama of ideas and personalities and offers an entirely new and bold exploration of cultural and personal memory.

**The Billboard** EverAfter Romance

**Billboard** Walter de Gruyter

Winner of the International Lannan Literary Award for Nonfiction *Animal tracks, word magic, the speech of stones, the power of letters, and the taste of the wind* all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patters) that we have only lately come to think of as "inanimate." How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the sensual foundations of language, which—even at its most abstract—echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez.

WD - Large Print

**Williams' Cincinnati Directory, City Guide and Business Mirror**

The most ambitious work of fiction by a writer widely considered the most important novelist working in China today In this darkly comic novel, a group of women inhabits a world of constant surveillance, where informants lurk in the flowerbeds and false reports fly. Conspiracies abound in a community that normalizes paranoia and suspicion. Some try to flee—whether to a mysterious gambling bordello or to ancestral homes that can only be reached underground through muddy caves, sewers, and tunnels. Others seek out the refuge of Nest County, where traditional Chinese herbal medicines can reshape or psychologically transport the self. Each life is circumscribed by buried secrets and transcendent delusions. Can Xue's masterful love stories for the new millennium trace love's many guises—satirical, tragic, transient, lasting, nebulous, and fulfilling—against a kaleidoscopic backdrop drawn from East and West of commerce and industry, fraud and exploitation, sex and romance.
