When a Woman Is in an Emotional Tug-of-War for Her Man's Heart Why can't he commit? Many women find themselves asking this question when in love with a man who won't get married, won't stop womanizing, or refuses to give up his sex addictions. Often this kind of man is bound by an unhealthy attachment to his mother. This phenomenon is called "mother-son enmeshment." In *When He's Married to Mom*, clinical psychologist and renowned intimacy expert Dr. Kenneth M. Adams goes beyond the stereotypes of momma's boys and meddling mothers to explain how mother-son enmeshment affects everyone: the mother, the son, and the woman who loves him. In his twenty-five years of practice, Dr. Adams has successfully treated hundreds of enmeshed men and shares their stories in this informative guide. He provides proven methods to make things better, including: -- Guidelines to help women create fulfilling relationships with mother-enmeshed men -- Tools to help mother-enmeshed men have healthy and successful dating experiences leading to serious relationships and marriage -- Strategies to help parents avoid enmeshing their children *When He's Married to Mom* provides practical and compassionate advice to the women who are involved with mother-enmeshed men, to the mothers who wish to set them free, and to the men themselves.

Mother and Daughter Incest Indiana University Press
SINCE 2002, THE SYMPOSIUM NEW WINE, NEW WINESKINS HAS OFFERED AN OPPORTUNITY for young Catholic moral theologians to engage in shared work and conversation. Here, the fruits of these labors are gathered into one collection, which represents the wide scope of the future of Catholic sexual ethics. This volume

offers the first collection of a new generation's approaches to Catholic sexual ethics. The collection displays young scholars with diverse views, yet whose work moves beyond the impasses that have beset the field. The volume offers original and engaging essays on a variety of topics, from the hook-up culture and dating violence, to cohabitation and homosexuality, to contraception and natural family planning, to the promises and pitfalls of "the theology of the body." The authors display a fresh engagement with these issues in conversation with the Christian tradition and with contemporary culture. David Cloutier provides an introduction that locates this work within the past decades of Catholic scholarship, and articulates new categories for future work. The essays also offer practical insights and models that will interest pastors and lay ministers, as well as scholars.

Contributors include: Fr. Nicanor Pier Giorgio Austriaco, O.P., Ph.D., S.T.L., is an assistant professor of biology and an instructor of theology at Providence College in Providence, Rhode Island. In theology, Fr. Austriaco teaches courses and has research interests in bioethics, sexual ethics, and fundamental moral theology. Jana Marguerite Bennett is assistant professor of religious studies at the University of Dayton, where she teaches courses in sexual ethics and Catholic moral theology. She has written more about singleness and the relationship between singleness and marriage in her book *Water is Thicker than Blood: An Augustinian Theology of Marriage and Singleness* (Oxford UP, 2008). Florence Caffrey Bourg is the author of *Where Two or Three Are Gathered: Christian Families as Domestic Churches* (University of Notre Dame Press), as well as many articles and reviews on theology of marriage and family. Dr. Bourg taught at the College of Mount St. Joseph in Cincinnati before returning home to New Orleans. She now teaches at the Academy of the Sacred Heart, and has been a visiting professor at Loyola

University and Springhill College. David Cloutier is assistant professor of theology at Mount St. Mary's University in Emmitsburg, MD. He is the author of *Love, Reason, and God's Story: An Introduction to Catholic Sexual Ethics* (Anselm Academic/Saint Mary's Press, 2008), as well as a number of essays on Catholic sexual ethics and fundamental moral theology. Jason King is currently chair of the theology department at St. Vincent College in Latrobe, PA. His works include *Save the Date: A Spirituality of Dating, Love, Dinner and the Divine* (Crossroad, 2003), *Dating: A Practical Catholic Guide* (Knights of Columbus Supreme Council Veritas Series, 2007), and "Ecumenical Marriage as Leaven for Christian Unity" in the *Journal of Ecumenical Studies*. He has recently done work for the United States Conference of Catholic Bishops website *For Your Marriage*. He is married and has three children. William C. Mattison III is assistant professor of theology at the Catholic University of America in Washington, DC. His primary area of research is Thomistic moral theology and virtue ethics. He recently completed an introductory book entitled *Introducing Moral Theology: True Happiness and the Virtues* (Brazos, 2008). David Matzko McCarthy is the Father Forker Professor of Catholic Social Teaching at Mount St. Mary's University in Emmitsburg, MD. He is the author of *Sex and Love in the Home: A Theology of the Household* (SCM Press, 2001, 2004 revised ed.), and *The Good Life: Genuine Christianity for the Middle Class* (Wipf & Stock, 2009). Maria C. Morrow is a doctoral candidate at the University of Dayton whose interests in Catholic moral theology include the interconnection of virtue and sacrament, with particular interest in penance. Christopher C. Roberts is the author of *Creation & Covenant: the significance of sexual difference in the moral theology of marriage* (Continuum, 2008). He is a research fellow in the ethics program at Villanova University. He graduated from Yale, Oxford and King's College

London and is a former PBS television reporter. Julie Hanlon Rubio is associate professor of Christian ethics at St. Louis University. She is the author of *A Christian Theology of Marriage and Family* (Paulist Press, 2003) and *Family Ethics: Practices for Christians* (Georgetown University Press, 2010), and co-editor of *Readings in Moral Theology No. 15: Marriage* (Paulist Press, 2009). She lives in St. Louis with her husband and three sons. Michel Therrien is a professor of Fundamental Moral Theology and the Academic Dean at St. Vincent Seminary. He holds a Licentiate in Sacred Theology from the International Theological Institute for Studies on Marriage and the Family in Traralgar, Austria, and a Doctorate in Fundamental Moral Theology from the University of Fribourg in Switzerland. Kari-Shane Davis Zimmerman teaches at the College of Saint Benedict/Saint John's University in Minnesota. She specializes in courses that deal with the intersection of family and church life, as well as issues pertaining to sex and work. She received her Ph.D. in theological ethics from Marquette University in 2007.

An Appeal to Mothers University Press of Kentucky

ECPA 2020 Christian Book Award Finalist! You wouldn't believe it, but . . . James Earl Jones, the voice of Darth Vader, grew up mute. Michael Jordan was cut from his high school basketball team. Albert Einstein was bullied mercilessly in school. Beethoven's mom almost aborted him. Life takes the strangest sharp turns—and sometimes, U-turns. Robert Petterson—popular speaker, storyteller, and author—has been a student for his entire life of what God is teaching us through those real-life U-turns. In this book, he compiles 365 amazing stories that teach lessons you won't easily forget. Each entry is written in the rest-of-the-story style popularized by Paul Harvey. With *The One Year Book of Amazing Stories*, you'll marvel at how God has used the lives of these ordinary people to change the course of human history.

International Exposure Wipf and Stock Publishers

Desire is both of and beyond the everyday. In an ad for running shoes, for example, the figure of a man jogging at dawn on the Serengeti Plain both evokes a fantasy of escape and invokes a disciplinary norm to stay fit. The bottom line for the ad, of course, is to create a desire to consume, the promise being that with the purchase of these shoes, the consumer can realize yet also transcend the daily exhortation to perform. To say this differently, there is something both real and phantasmic about desire. Yet this

notion seems contradictory. Isn't there a difference between the desire to be fit, for example, which is realizable, realistic, and, in these senses, real and the desire to escape routine everydayness, which, for most of us, is inescapable most of the time? But is exercise real or phantasmic? Certainly not everyone works out, and even those who make exercise a part of their reality may do so in order to pursue a fantasy about themselves. And are escapes from daily routines phantasmic or real? An escape from the everyday is far more realizable for some people than even fitness. But here too what is fantasy blends into (and becomes indistinguishable from) the real: A vacation away from work may be a means of ensuring a higher level of work performance when one returns.

Tales Arab Women Tell Tammy Weekes

This carefully selected collection of Vaikom Muhammad Basheer's short stories are characterized by a variety in theme and tone. He has enshrined in them every kind of experience from the pangs of hunger and sex to the rapture of mystic vision. Its range includes stark realistic pictures of the material world as well as the realm of fantasy haunted by ghosts and spirits. Basheer has written on love and hate, on politicians and pickpockets, on the fancies of childhood and on the disillusionments of adult life with an intense sense of the tragedy of life and at the same time an irrepressible sense of humour.

Books XI-XVI Ballantine Books

A Healthy View of Sexuality Starts with God God created sex to be good. But our culture is drifting away from a biblical worldview and is promoting an unhealthy view of sexuality. The church has taken a defensive approach, giving our kids a long list of "do nots" with few words of hope or redemption. Do you want something better for your child? Rediscover God's plan for sexuality and instill a positive perspective of sex and identity in your children. *Mom, Dad...What's Sex?* will equip you to help your child learn what God's Word—and today's culture—say about sex understand the influence pop culture and social media have on your kid share a gospel-centered, hopeful message with your son or daughter Give your child a healthy view of sexuality grounded in biblical truth—recognizing the gift of intimacy, the reality of brokenness, and the redeeming work of the Savior.

Stories of a Campus University of Hawaii Press

The Roman emperor Nero is remembered by history as the vain

and immoral monster who fiddled while Rome burned. Edward Champlin reinterprets Nero's enormities on their own terms, as the self-conscious performances of an imperial actor with a formidable grasp of Roman history and mythology and a canny sense of his audience. Nero murdered his younger brother and rival to the throne, probably at his mother's prompting. He then murdered his mother, with whom he may have slept. He killed his pregnant wife in a fit of rage, then castrated and married a young freedman because he resembled her. He mounted the public stage to act a hero driven mad or a woman giving birth, and raced a ten-horse chariot in the Olympic games. He probably instigated the burning of Rome, for which he then ordered the spectacular punishment of Christians, many of whom were burned as human torches to light up his gardens at night. Without seeking to rehabilitate the historical monster, Champlin renders Nero more vividly intelligible by illuminating the motives behind his theatrical gestures, and revealing the artist who thought of himself as a heroic figure. Nero is a brilliant reconception of a historical account that extends back to Tacitus, Suetonius, and Cassius Dio. The effortless style and artful construction of the book will engage any reader drawn to its intrinsically fascinating subject.

Sexuality in Medieval Europe New York Review of Books

Lust Stories consists of stories of a wife proves her husband wrong when he called her a fat cunt. Love and happiness is found by a misfit teen. A rebellious son finds his way home to a loving mother. A two time loser finally get it right. Are there really 44 year old virgins?

Nero University of Hawaii Press

Maureen Quilligan explores the remarkable presence in the Renaissance of what she calls "incest schemes" in the books of a small number of influential women who claimed an active female authority by writing in high canonical genres and who, even more transgressively for the time, sought publication in print. It is no accident for Quilligan that the first printed work of Elizabeth I was a translation done at age eleven of a poem by Marguerite de Navarre, in which the notion of "holy" incest is the prevailing trope. Nor is it coincidental that Mary Wroth, author of the first sonnet cycle and prose romance by a woman printed in English, described in these an endogamous, if not legally incestuous, illegitimate relationship with her first cousin. Sir Philip Sidney and

his sister, the Countess of Pembroke, translated the psalms together, and after his death she finished his work by revising it for publication; the two were the subject of rumors of incest. Isabella Whitney cast one of her most important long poems as a fictive legacy to her brother, arguably because such a relationship resonated with the power of endogamous female agency. Elizabeth Carey's closet drama about Mariam, the wife of Herod, spends important energy on the tie between sister and brother. Quilligan also reads male-authored meditations on the relationship between incest and female agency and sees a far different Cordelia, Britomart, and Eve from what traditional scholarship has heretofore envisioned. *Incest and Agency in Elizabeth's England* makes a signal contribution to the conversation about female agency in the early modern period. While contemporary anthropological theory deeply informs her understanding of why some Renaissance women writers wrote as they did, Quilligan offers an important corrective to modern theorizing that is grounded in the historical texts themselves.

La Corónica Demeter Press

Conceiving of and representing mothers without their children seems so paradoxical as to be almost impossible. How can we define a mother in the absence of her child? This compelling volume explores these and other questions from a range of interdisciplinary perspectives, examining experiences, representations, creative manifestations, and embodiments of mothers without their children. In her 1997 book, entitled *Mother Without Child: Contemporary Fiction and the Crisis of Motherhood*, the critic Elaine Tuttle Hansen urged for critical and feminist engagement with what she described as 'the borders of motherhood and the women who really live there, neither fully inside nor fully outside some recognizable "family unit", and often exiles from their children'. This book extends and expands this important enquiry, looking at maternal experience and mothering on the borders of motherhood in different historical and cultural contexts, thereby opening up the way in which we imagine and represent mothers without their children to reassessment and revision, and encouraging further dialogue about what it might mean to mother on the borders of motherhood.

Incest and the Medieval Imagination BRILL

Incest is a remarkably frequent theme in medieval literature; it occurs in a wide range of genres, including romances, saints's

lives, and exempla. Historically, the Church in the later Middle Ages was very concerned about breaches of the complex laws against incest, which was defined very broadly at the time to cover family relationships outside the nuclear family and also spiritual relationships through baptism. Medieval writers accepted that incestuous desire was a widespread phenomenon among women as well as men. They are surprisingly open about incest, though of course they disapprove of it; in many exemplary stories incest is identified with original sin, but the moral emphasizes the importance of contrition and the availability of grace even to such heinous sinners. This study begins with a brief account of the development of medieval incest laws, and the extent to which they were obeyed. Next comes a survey of classical incest stories and their legacy; many were retold in the Middle Ages, but they were frequently adapted to the purposes of Christian moralizers. In the three chapters that follow, homegrown medieval incest stories are grouped by relationship: mother-son (focusing on the Gregorius legend), father-daughter (focusing on La Manekine and its analogues), and sibling (focusing on the Arthurian legend). The final chapter considers the very common medieval trope of the Virgin Mary as mother, daughter, sister and bride of Christ, the one exception to the incest taboo. In western society today, incest has recently been recognized as a serious social problem, and has also become a frequent theme in both fiction and non-fiction, just as it was in the Middle Ages. This interdisciplinary study is the first broad survey of medieval incest stories in Latin and the vernaculars (mainly French, English and German). It situates the incest theme in both literary and cultural contexts, and offers many thought-provoking comparisons and contrasts to our own society in terms of gender relations, the power of patriarchy, the role of religious institutions in regulating morality, and the relationship between life and literature.

Anti-Catholicism and Nineteenth-Century Fiction University of Pennsylvania Press

This provocative study of gender and sexuality in contemporary Japan investigates elements of Japanese popular culture including erotic comic books, stories of mother-son incest, lunchboxes—or obentos—that mothers ritualistically prepare for schoolchildren, and children's cartoons. Anne Allison brings recent feminist psychoanalytic and Marxist theory to bear on representations of sexuality, motherhood, and gender in these and other aspects of

Japanese culture. Based on five years of fieldwork in a middle-class Tokyo neighborhood, this theoretically informed, accessible ethnographic study provides a provocative analysis of how sexuality, dominance, and desire are reproduced and enacted in late-capitalistic Japan.

And I Don't Want to Live This Life Orient Blackswan

This book has tales that portray situations involving parents and paternal figures, courtship and marital relations, siblings, and boy and mother's brother.

The Greatest Story Ever Forged Dorrance Publishing

From novels to films, our everyday lives are filled with stories that comfort and connect us and enable new ways of thinking. One of the most innovative writers in modern history, Virginia Woolf, changed the landscape of fiction and challenged our notions of what it means to be human. Her novels invite readers to envision a world in which stories have the power to effect positive change. This book explores the phenomenon of Story as practiced by Woolf, interpreting her work in the context of literary Darwinism—a critical approach focusing on patterns of innate human behavior.

Poovan Banana and the Other Stories Wildside Press LLC

This book is a comprehensive anthology comprising essays on women film directors, producers and screenwriters from Bollywood, or the popular Hindi film industry. It derives from the major theories of modernity, postmodern feminism, semiotics, cultural production, and gender performativity in globalized times. The collection transcends the traditional approaches of looking at films made by women filmmakers as 'feminist' cinema, and focuses on an extraordinary group of women filmmakers like Ashwini Iyer Tiwari, Bhavani Iyer, Farah Khan, Mira Nair Vijaya Mehta, and Zoya Akhtar. The volume will be of interest to academics and theorists of gender and Hindi cinema, as well as anybody interested in contemporary Hindi films in their various manifestations.

The White Snake and Her Son Princeton University Press

The Death of Christian Britain examines how the nation's dominant religious culture has been destroyed. Callum Brown challenges the generally held view that secularization was a long and gradual process dating from the industrial revolution. Instead, he argues that it has been a catastrophic and abrupt cultural revolution starting in the 1960s. Using the latest techniques of

gender analysis, and by listening to people's voices rather than purely counting heads, the book offers new formulations of religion and secularization. In this expanded second edition, Brown responds to commentary on his ideas, reviews the latest research, and provides new evidence to back his claims.

Leisure and Lust With Mom Routledge

Innumerable studies have appeared in recent decades about practically every aspect of women's lives in Western societies. The few such works on Buddhism have been quite limited in scope. In *The Power of Denial*, Bernard Faure takes an important step toward redressing this situation by boldly asking: does Buddhism offer women liberation or limitation? Continuing the innovative exploration of sexuality in Buddhism he began in *The Red Thread*, here he moves from his earlier focus on male monastic sexuality to Buddhist conceptions of women and constructions of gender. Faure argues that Buddhism is neither as sexist nor as egalitarian as is usually thought. Above all, he asserts, the study of Buddhism through the gender lens leads us to question what we uncritically call Buddhism, in the singular. Faure challenges the conventional view that the history of women in Buddhism is a linear narrative of progress from oppression to liberation. Examining Buddhist discourse on gender in traditions such as that of Japan, he shows that patriarchy--indeed, misogyny--has long been central to Buddhism. But women were not always silent, passive victims. Faure points to the central role not only of nuns and mothers (and wives) of monks but of female mediums and courtesans, whose colorful relations with Buddhist monks he considers in particular. Ultimately, Faure concludes that while Buddhism is, in practice, relentlessly misogynist, as far as

misogynist discourses go it is one of the most flexible and open to contradiction. And, he suggests, unyielding in-depth examination can help revitalize Buddhism's deeper, more ancient egalitarianism and thus subvert its existing gender hierarchy. This groundbreaking book offers a fresh, comprehensive understanding of what Buddhism has to say about gender, and of what this really says about Buddhism, singular or plural.

The One Year Book of Amazing Stories Rutgers University Press

For Decadent authors, Romanticism was a source of powerful imaginative revisionism, perversion, transition, and partial negation. But for all these strong Decadent reactions against the period, the cultural phenomenon of Decadence shared with Romanticism a mutual distrust of the philosophy of utilitarianism and the aesthetics of neo-Classicism. Reflecting on the interstices between Romantic and Decadent literature, Decadent Romanticism reassesses the diverse and creative reactions of Decadent authors to Romanticism between 1780 and 1914, while also remaining alert to the prescience of the Romantic imagination to envisage its own distorted, darker, perverted, other self. Creative pairings include William Blake and his Decadent critics, the recurring figure of the sphinx in the work of Thomas De Quincey and Decadent writers, and Percy Shelley with both Mathilde Blind and Swinburne. Not surprisingly, John Keats's works are a particular focus, in essays that explore Keats's literary and visual legacies and his resonance for writers who considered him an icon of art for art's sake. Crucial to this critical reassessment are the shared obsessions of Romanticism and Decadence with subjectivity, isolation, addiction, fragmentation, representation, romance, and voyeurism, as well as a poetics of desire and anxieties over the purpose of aestheticism.

Women Filmmakers in Contemporary Hindi Cinema Univ of California Press

Annotation "The 10 essays in the volume engage a rich array of topics, including obscenity in the German States censorship in France's third republic, she - male"" internet porn, the use of incest was longings in England."

Emerging Sexual Inequality Among the Lisu of Northern Thailand Cornell University Press

Now in its fourth edition, *Sexuality in Medieval Europe* provides a lively account of a society whose attitudes toward sexuality both were ancestral to, and differed from, contemporary ones. The volume is structured not by types of sexual interactions or deviance, but to reflect the difference in gendered experiences when sex is seen as an act one person does to another. Sexual activity, within and outside of marriage, as well as sexual inactivity, had different meanings based on gender, social status, religious affiliation, and more. This book considers these iterations of medieval sexuality in its effort to show there was no single medieval attitude towards sexuality. With an emphasis on Christian Western Europe over the entire course of the Middle Ages, it also includes comparative material on neighboring cultures at the time. Alongside being reworked for further clarity and readability, the fourth edition offers substantial new material on trans scholarship and methodological attempts to recoup a trans past; changes in the treatment of sex work and its terminology; and new material on Byzantine and Muslim culture. *Sexuality in Medieval Europe* is an essential resource for all those who study medieval history, medieval culture, and the history of sexuality in Europe.
