Criminal #1 Image Comics

2022 Eisner Award Winner - Best Digital Comic Two of the most acclaimed comics creators of their generation—writer Jeff Lemire and artist Jock—together for the first time in this 10-part science fiction saga set in a brutal world like no other! Milliken and Mae have never left The Trench—it's all they've ever known. They

were born in The Trench, and they'll die there, just like all their people do. The two girls, eight and eleven, are a part of The Trenchfolk, a sprawling settlement of people living inside the massive ice walls of a vast, seemingly endless frozen trench carved into the surface of an otherwise icy wasteland. The Trenchfolk survive in this hostile world by following The Three Testaments of The Trench—golden rules repeated like a mantra from birth to death... 1. YOU MUST NEVER LEAVE THE TRENCH. 2. THE TRENCH PROVIDES. 3. THE TRENCH IS ENDLESS. Milli and Mae don't really know how their people came to live here. No one does, not even their wise and gentle Father. On Milliken's twelfth birthday, their father takes the two girls on an overnight skate down the trench—a coming-of-age ritual to teach them how to fish the frozen river, how to hunt the wild Trenchdogs that wander its frigid banks, and how to give proper thanks to their frozen Gods—The Colden Ones. It's the trip of a lifetime until the girls push beyond the borders of their humble land and awaken

the Trench's deadly defender...The Snowman! What follows next is an action-packed story of survival, loss and redemption. Collects issues #1-#4 of Snow Angels from the ComiXology original digital series in print for the first time.

Mel is a reasonable man, and he knows there is a reasonable explanation-but once the veil of reality begins to ripple, the world around him becomes something he simply doesn't understand. Worse yet, it's becoming very clear that he may never have understood it quite as well as he thought he did.He knows there are answers, written somewhere on the walls or in the airwaves, but finding them will mean confronting truths about himself and the people around him as he spirals down a rabbit hole of identity and place that will threaten to upend the delicate balance of his life.A darkly surreal and thought-provoking story, 'Lamella' is the debut novella of American author Max Halper.

More praise for WYTCHEs: "Dark and brutal, Wytches are like nothing horror fans have ever seen" -USA Today "In Wytches, the Image Comics series Snyder co-created with the superstar art team of Jock and Matt Hollingsworth, the writer isn't just completely reinventing witches--through the story of the Rook family's

dealings with the titular monsters, he's diving deep into very real fears about being a parent, and the ugliness that hides in all of us." -Entertainment Weekly "An awesome and at times terrifying tale." -IGN "A great read.... the art is outstanding and certain panels may give you nightmares." -iO9 "If you read the first 4 pages of WYTCHEs, there's no turning back. Scary as fuck and impossible to put down. Bravo." -Joe Hill, Locke & Key "Monumental." -Bloody Disgusting "Snyder has tackled horror before, but Wytches sets out to be an entirely new level of scary. Aside from the fact that the monsters in the book are terrifying (artist Jock has done an amazing job realizing the creatures), Snyder's vision of witchcraft is as much about the deepest fears parents face as it is about spooky monsters in the woods." -Complex Magazine
