Can a Believer in Christ Go to Hell? Wipf and Stock Publishers
What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core

Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ.

The Hell Conspiracy Paulist Press

A New York Times bestselling historian of early Christianity takes on two of the most gripping questions of human existence: where did the ideas of heaven and hell come from and why do they endure? What happens when we die? A recent Pew Research poll showed that 72% of Americans believe in a literal heaven and 58% believe in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the

Bible. But eternal rewards and punishments are found nowhere in the Old Testament and are not what Jesus or his disciples taught. So where did these ideas come from? In this “eloquent understanding of how death is viewed through many spiritual traditions” (Publishers Weekly, starred review), Bart Ehrman recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. He discusses ancient guided tours of heaven and hell, in which a living person observes the sublime blessings of heaven for those who are saved and the horrifying torments of hell for those who are damned. Some of these accounts take the form of near death experiences, the oldest on record, with intriguing similarities to those reported today. One of Ehrman’s startling conclusions is that there never was a single Greek, Jewish, or Christian understanding of the afterlife, but numerous competing views. Moreover, these views did not come from nowhere; they were intimately connected with the social, cultural, and historical worlds out of which they emerged. Only later, in the early Christian centuries, did they develop into notions of eternal bliss or damnation widely accepted today. In this “elegant history” (The New Yorker), Ehrman helps us reflect on where our ideas of the afterlife come from. With his “richly layered-narrative” (The Boston Globe) he assures us that even if there may be something to hope for when we die, there certainly is nothing to fear.

That All Shall Be Saved Cornell University Press

Where did the ideas of heaven and hell come from? As strange as it may seem to us now, there was a time when no one thought they would go to heaven or hell after they died. In fact, there is

no mention of them in the Old Testament, and Jesus did not believe the souls of the departed were bound for either realm. In this gripping history of the afterlife, Bart Ehrman reveals how the concepts of heaven and hell developed and took hold, and why they endure to this day. He examines the social, cultural and historical roots of competing views held by Greeks, Jews and Christians, and traces how beliefs changed over time. Ultimately, he shows that many of our ideas about heaven and hell emerged long after Jesus’s time, through the struggle to explain the injustices of the world.

Heaven and Hell Zondervan

A visceral, first-hand account of the afterlife. Laurie Dittos life was forever marked when she experienced supernatural visions of hell. She knew these encounters were meant as a wake-up call for herself and others, so she has made it her mission to share this message with the world. The Hell Conspiracy is a somber warning. It records harrowing accounts of souls enduring endless torture and eternal separation from God. It also reveals terrifying secrets of the afterlife in Hell, including... The five pains of hell: water, bone marrow, breath, agreement, and the garment. The activity of demons. The connection between unforgiveness and eternal torment. The ultimate destination and fate of the condemned. The changing shape of peoples bodies in hell. But this book is also a beacon of hope! These horrors are contrasted with the glorious hope of Heaven. Those who receive salvation through Jesus escape torment and experience an eternity of life as it was meant to be: as renewed bodies, souls, and spirits in perfect relationship with God. The alarm is sounding! Heaven and Hell are real. Where will you go?

Christ the Conqueror of Hell Zondervan Academic

Will all Christians go to heaven? Christians in Hell answers this question with an emphatic no. In his eye-opening expose of the Christian faith, Daniel P. Franklin provides Scripture-based reasons why many who sincerely believe that Jesus is their Lord and Savior will be cast into hell on Judgment Day. In today's egotistical culture, many choose to believe in self-achievements and hope in the saving power of personal works. This is not the message Jesus preached. Christians in Hell is a sobering warning to all professing Christians to heed the Apostle Paul's exhortation to 'Examine yourselves, whether ye be in the faith' (2 Corinthians 13:5). Bringing a timely perspective to Jesus's haunting question 'when the Son of man cometh, shall he find faith on the earth?' (Luke 18:8), Christians in Hell casts a fresh light on the dangers of today's man-centered doctrines that are leading men to hell in the name of Christ. Discover the key discrepancies between popular modern theology and the true salvation message God outlined for his people."

Rethinking Hell AuthorHouse

Some people believe that God is the center of the moral universe. In fact, God is not moral at all. In this book, we rationally explore how it is impossible for either God or the Devil to serve any moral role whatsoever. If you want to understand morality, and how to be moral, you must understand how God can never help you.

Raising Adam Simon and Schuster

Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever. But is this what the Bible truly teaches? Do Christians need to rethink their understanding of hell? In the late twentieth century, a growing

number of evangelical theologians, biblical scholars, and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality. This view contends that the unsaved are resurrected to face divine judgment, just as Christians have always believed, but due to the fact that immortality is only given to those who are in Christ, the unsaved do not exist forever in hell. Instead, they face the punishment of the "second death"--an end to their conscious existence. This volume brings together excerpts from a variety of well-respected evangelical thinkers, including John Stott, John Wenham, and E. Earle Ellis, as they articulate the biblical, theological, and philosophical arguments for conditionalism. These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell. Peter S. Grice - Igniting an Evangelical Conversation Glenn A. Peoples - Introduction to Evangelical Conditionalism Edward W. Fudge - The Final End of the Wicked Stephen H. Travis - The Nature of Final Destiny John R. W. Stott - Judgment and Hell Clark H. Pinnock - The Destruction of the Finally Impenitent John W. Wenham - The Case for Conditional Immortality Basil F. C. Atkinson - The Doom of the Lost E. Earle Ellis - New Testament Teaching on Hell Ralph G. Bowles - Does Revelation 14:11 Teach Eternal Torment? Harold E. Guillebaud - The General Trend of Bible Teaching Anthony C. Rethinking Hell RWG Publishing

"An absorbing history."--Washington Post Book World

Millions of Churches WestBow Press

Who Will Be Saved? Who Will Be Lost? The past few years have seen the release of several high-profile books, including *Love Wins* (Rob Bell) and *God Wins* (Mark Galli), that attempt to clarify what the Bible teaches about the ultimate destiny of individuals after this life. Don Richardson believes the arguments posed by these authors do not account for all the biblical evidence. In *Heaven Wins*, the best-selling author of *Peace Child* and *Eternity in Their Hearts* offers a faith-enhancing, scripturally grounded perspective that changes everything. Are a majority of people destined for hell, as many Christians assume, or will heaven harvest the greater part of mankind? Could it be that the good news is even better and more expansive than we have dared to hope? The answer may surprise you.

The Bible Hell David C Cook

How could a loving God send people to hell? Will people have a chance after they die to believe in Jesus and go to heaven? With a humble respect for God's Word, Francis Chan and Preston Sprinkle address the deepest questions you have about eternal destiny. They've asked the same questions. Like you, sometimes they just don't want to believe in hell. But as they write, "We cannot afford to be wrong on this issue." This is not a book about

who is saying what. It's a book about what God says. It's not a book about impersonal theological issues. It's a book about people who God loves. It's not a book about arguments, doctrine, or being right. It's a book about the character of God. Erasing Hell will immerse you in the truth of Scripture as, together with the authors, you find not only the truth but the courage to live it out.

[Christians in Hell](#) Gospel Light Publications

"Message of Faith" is the second book co-authored by Retha McPherson and her teenage son Aldo. It tells of Aldo's miraculous healing and their supernatural journey since a car accident almost claimed Aldo's life in 2004. The book contains journal entries in Aldo's own handwriting wherein he warns the bride of Christ to be ready for the soon arrival of the King. During Aldo's coma Jesus took him to heaven and hell. "Aldo rarely wanted to talk or write about hell. Jesus said he had to wait for the right time," Retha explains. She goes on to say, "That time is now here. He recently told me Jesus said to him, 'Aldo, tell My bride - BE PREPARED, I am coming soon.'" Aldo's letters will open your eyes to the reality of heaven and hell and the implications of your choices here on earth. The book explains that the road of dying to self and living in Christ is what purifies the bride, and this can only be done if you walk by faith and not by sight - believing that God is who He says He is.

What Does the Bible Really Say about Hell? Independently Published

What does it mean to affirm that Jesus "descended into hell?" What actually happened to Jesus between Good Friday and Easter? Was this "descent" part of his suffering or part of his triumph? And why does it matter today? With a theologian's

research, a pastor's heart and a poet's sensibility, Gerrit Dawson explores the answers given through the centuries to these questions. By using a narrative approach, Dawson achieves a unique synthesis of previously competing views. He shows that the ancient idea of the harrowing of hell, the Reformed view of "hell on the cross" and the 20th century recognition of the darkness of Holy Saturday can all work together. Far from being a discardable doctrine, the descent offers a unique window on the person and work of Christ, one we urgently need to open for the worship and mission of the Church today.

I Was Born to Destroy Hell WestBow Press

In *Love Wins*, bestselling author, international teacher, and speaker Rob Bell (Velvet Elvis, Drops Like Stars) addresses one of the most controversial issues of faith—hell and the afterlife—arguing, would a loving God send people to eternal torment forever? Rob Bell is an electrifying, unconventional pastor whom Time magazine calls “a singular rock star in the church world,” with millions viewing his NOOMA videos. With searing insight, Bell puts hell on trial with a hopeful message—eternal life doesn’t start when we die; it starts right now. And ultimately, *Love Wins*.

All Things New Charisma Media

The topic of hell has held a strange fascination for believers through the centuries, becoming the subject of paintings, sermons, books, articles, and much more. For many it has been a source of terror, for most a wellspring of questions. Is there such a thing as hell? How long will it last? Who will go there? Is hell fair? In this study, Kim Papaioannou tackles the topic at its most foundational level, in the words and teaching of Jesus. Rather

than attempt overarching and all-encompassing answers, he begins instead with a detailed study of the relevant texts and builds from there upwards. The result is a picture that is not only coherent and satisfying, but more importantly, solidly based on biblical exegesis of the most refined nature. Papaioannou concludes by putting hell into a more palatable and biblically sound perspective. Though unreservedly scholarly, the study is written in such a way that lay readers can understand and enjoy it.

The Formation of Hell Destiny Image Publishers

Of all the teachings of Christianity, the doctrine of hell is easily the most troubling, so much so that in recent years the church has been quietly tucking it away. Rarely mentioned anymore in the pulpit, it has faded through disuse among evangelicals and been attacked by liberal theologians. Hell is no longer only the target of those outside the church. Today, a disturbing number of professing Christians question it as well. Perhaps more than at any other time in history, hell is under fire. The implications of the historic view of hell make the popular alternatives, annihilationism and universalism, seem extremely appealing. But the bottom line is still God’s Word. What does the Old Testament reveal about hell? What does Paul the apostle have to say, or the book of Revelation? Most important, what does Jesus, the ultimate expression of God’s love, teach us about God’s wrath? Upholding the authority of Scripture, the different authors in *Hell Under Fire* explore a complex topic from various angles. R. Albert Mohler Jr. provides a historical, theological, and cultural overview of “The Disappearance of Hell.” Christopher Morgan draws on the New Testament to offer three pictures of hell as

punishment, destruction, and banishment. J. I. Packer compares universalism with the traditional understanding of hell, Morgan does the same with annihilationism, and Sinclair Ferguson considers how the reality of hell ought to influence preaching. These examples offer some idea of this volume's scope and thoroughness. Hell may be under fire, but its own flames cannot be quenched by popular opinion. This book helps us gain a biblical perspective on what hell is and why we cannot afford to ignore it. And it offers us a better understanding of the One who longs for all people to escape judgment and obtain eternal life through Jesus Christ.

Heaven Wins Simon and Schuster

This in-depth study on the realm of death presents a message of hope held by the first generation of Christians and the early church. Using Scripture, patristic tradition, early Christian poetry, and liturgical texts, Archbishop Hilarion explores the mysterious and enigmatic event of Christ's descent into Hades and its consequences for the human race. Insisting that Christ entered Sheol as Conqueror and not as victim, the author depicts the Lord's descent as an event of cosmic significance opening the path to universal salvation. He also reveals Hades as a place of divine presence, a place where the spiritual fate of a person may still change. Reminding readers that self-will remains the only hindrance to life in Christ, he presents the gospel message anew, even in the shadow of death.

Hell Is a Real Place Simon and Schuster

Both outside and inside of the church, many people today are increasingly uncomfortable with hell. They wonder: How could it be fair to punish anyone for eternity? Will Jesus really condemn

millions simply for not believing the right things about him? Isn't God a God of love, not vengeance? The top-notch contributors to *Is Hell for Real or Does Everyone Go to Heaven?* tackle these and other questions with an even-handed survey of the Bible's teaching on this difficult subject. Together, they present a careful case for upholding hell, showing that it remains central to a right understanding of God, the gospel, humanity, and God's purposes for the world. Useful for group discussion or individual study, *Is Hell for Real or Does Everyone Go to Heaven?* provides an accessible introduction to the historic Christian doctrine of hell.

Four Views on Hell Zondervan

Combines professional insights along with the author's own experience and insights to speculate on how believers can make sense of their Christian faith when confronted with tragedy and suffering.

Core Christianity Yale University Press

Whether everyone will admit it or not, the traditional church is in deep trouble and has been struggling for years to survive. There is a small rise of some new, non-traditional churches that help us all realize that God truly has a new way of doing Church. There is no easy fixes but at the same time, there are real roots that are being revealed in this book. The Church does not need another program nor does it need another religious organization. We don't need religious leaders but compassionate, Christ centered leaders. Bill is a prophet of God with a strong Word that all of the Church needs to hear. Bill reveals that there are so many Churches both big and small meeting and keeping silent while the World gets worse in many areas. The fact of the matter is the world and even some Churches are on the road to Hell. We must

hear the urgency of all that God has laid on the heart of Bill Vincent and many prophetic voices like him. So many Churches in America why is America in such bad shape somebody is dropping the ball This why we can't just go to Church as spectators when we're asked to pray for a person or Country we need to take it seriously and really travail and intercede instead of shrugging it off and leaving it to the next person. This would be where someone would drop the ball. You know why bad things have happened in America because God is trying to wake this Country up and believe there is a higher power in this Country and it is not the President of the United States.

Is Hell for Real or Does Everyone Go To Heaven? Charisma Media Most contemporary Christians acknowledge the doctrine of hell, but they'd rather not think about how God punishes the wicked. The authors of *Four Views on Hell* meet this subject head-on with different views on what the Scriptures say. Is hell to be

understood literally as a place of eternal smoke and flames? Or are such images simply metaphors for a real but different form of punishment? Is there such a thing as "conditional immortality," in which God annihilates the souls of the wicked rather than punishing them endlessly? Is there a Purgatory, and if so, how does it fit into the picture? The interactive Counterpoints forum allows the reader to see the four views on hell—literal, metaphorical, conditional, and purgatorial—in interaction with each other. Each view in turn is presented, critiqued, and defended. This evenhanded approach is ideal for comparing and contrasting views in order to form a personal conclusion about one of Christianity's key doctrines. The Counterpoints series provides a forum for comparison and critique of different views on issues important to Christians. Counterpoints books address two categories: Church Life and Bible and Theology. Complete your library with other books in the Counterpoints series.
