Angelic Magick Independently Published Advancing to higher levels of ritual magic with purpose and power requires an exaltation of consciousness-a spiritual transformation that can serve as an antidote to the seeming banality of modern life. Based on Kabbalistic techniques, the teachings of the Hermetic Order of the Golden Dawn, and an Hermetic tradition spanning nearly two thousand years, this innovative new work introduces the history of the Golden Dawn and its mythology, the Tree of Life,

Deities, demons, rules for practicing magic, and components of effective ritual. A comprehensive course of self-initiation using Israel Regardie's seminal Golden Dawn as a key reference point, Kabbalah, Magic and the Great Work of Self-Transformation guides you through the levels of the Golden Dawn system of ritual magic. Each grade in this system corresponds with a sphere in the Kabbalistic Tree of Life and includes daily rituals, required reading, written assignments, projects, and additional exercises. Knowledgeable and true to tradition, author Lyam Thomas Christopher presents a well-grounded and modern step-by-step program toward spiritual attainment, providing a lucid gateway toward a more awakened state. There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were

delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. Enochian Magick reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use

Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced. Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success. *Kabbalah, Magic, and the Great Work of Self-transformation* Llewellyn Worldwide The sequel to the enormously popular *To Ride a Silver Broomstick: New Generation Witchcraft*, this upbeat and down-to-earth guide provides explanations, techniques, exercises, anecdotes, and guidance on traditional and modern aspects of the Craft, both as a science and a religion.

Birth Angels Empyrus Publishing
This is not a book of casual curses, but a

book of peace and justice. Angels are powerful beings that can be called to work great and wrathful wonders. If your sincere intent is to cause harm, confusion or disruption, the angels will comply. Should you have any fear that this work is evil or an abuse of angelic contact, then read no further. This book is for those who have sensed the might of angels and wish to turn their power to deeds that many would believe to be dark. Far from being the delightful creatures of peace found in New Age artwork, angels are spiritual beings of immense strength, and this strength can manifest as wrath. Whether you are new to magick or quite experienced, this book will introduce you to a lesser-known group of angels. When called in combination, these angels have the power to cause devastation to your enemies. Such workings are as powerful as a curse, and often more targeted and cunning. There are twenty-nine powers to be revealed: The angels can bind, destroy defenses, remove wealth and destroy a business, while rendering your victim too weak to respond and unable to see what you are doing. You will have the power to silence and confuse, bringing illness and insomnia

to those who trouble your life. For more severe enemies, you can bring the wrath of judgment upon them, and remove their ability to find spiritual sanctuary. You can produce hatred between those you name, while causing anxiety, dark moods and memory loss, with confusion of the heart and mind. There is a ritual to prevent your enemies from working magick. This angelic magick will only work if you are sincere in your intentions. It cannot be used to instigate casual cruelty. This is not a book of evil to delight the wicked, but a book of harmony. If you have been wronged, this book gives you the power to restore your personal peace.
