W. Stott, a Christian leader known worldwide for addressing the hearts and minds of contemporary men and women, this updated booklet describes the fundamental human problem, outlines the Christian answer to it and shows readers how to respond to God's truth. <i>Through the Bible, Through the Year</i> The Good Book Company "Preaching is indispensable to Christianity." World-renowned preacher John Stott opens this book with those five bold words. He maintains, further, that "nothing is better calculated to restore health and vitality to the church than a recovery of true, biblical, contemporary preaching." Stott was aiming to foster such a recovery when he wrote <i>Between Two Worlds</i> , which has become a modern evangelical classic. The genius of this book is the way it synthesizes and distills Stott's wealth of wisdom on preaching, focusing not so much on technical matters but more on the theological foundations and on necessary personal characteristics of the preacher—sincerity, earnestness, courage, and humility. Preachers old and new will continue to find much to chew on in these pages. Studies in the Theory and Method of New Testament Textual Criticism InterVarsity Press This book strongly challenges the notion that there is no place for preaching in the contemporary world. It sets out the theological case for preaching and then goes on to describe what constitutes good preaching. It does not focus on techniques to be used but on the nature of the task and the character of the one who preaches. The good preacher works to build a bridge between the listeners and the truth being proclaimed. To be able to do this, the preacher must study both the Scriptures and the today's world. The book offers some suggestions on how to go about preparing a sermon and calls for preaching delivered with sincerity, earnestness, courage and humility. John Stott's thoughtful and practical advice given at some length in <i>I Believe in Preaching</i> has here been abridged by eliminating quotations and examples that spoke more directly to readers in the UK and the US in the 1980s. Greg Scharf has retained the core of the original book but made it more accessible to contemporary readers.

Leadership today is no easy task. Christian leaders called to shepherd others get caught in power struggles and are tempted to abuse their pastoral authority. Pastors feel that they must project

strength and certainty in order to preach and minister credibly. Too often our models of leadership are shaped more by culture than by Christ. John Stott offers an alternative vision in this biblical approach to servant leadership, exemplified by the apostle Paul in his ministry to the church in Corinth. Above all, Stott reassures us that God is at work even in the midst of our human weakness. "God chose the foolish things of the world to shame the wise; God chose the weak things of the world to shame the strong." 1 Corinthians 1:27 A clear articulation of the nature of leadership as well as the thoughtful study of Scripture we have come to expect from John Stott, this exposition of 1 Corinthians 1--4 offers us a model of ministry surprisingly relevant twenty centuries later: leadership rooted in humility and grace, serving the church with the love of Christ. Study guide included.
