Will they make it back home before their kid completely wears out Alec's mom? City of Fallen Angels Yen Press LLC Sparks fly when Orion and Ray meet for the first time at a roller rink in Memphis. But these star-crossed souls have a past

filled with secrets that threaten to tear them apart before their love story even begins. Found poetry, grief, and fate collide in this powerful debut. Ray: Just once I'd like my birthday to be about me, and not the day my father died. I want to be Ray Jr., the tall girl from Memphis with the poetry beats and the braids that stay poppin'. And when I meet Orion at the skating rink, that's exactly who I

am. He pulls my hand, and instead of being defined by my past, he races me toward my future. Orion: When I dive into the pool, it's just me and my heartbeat. There's no dad, no dead sister, and no distracting noises. But I can't hold my breath forever. And since I met Ray, I don't want to. The closer we get, though, the more I see I'm not the only one caught in her wake. With a lyrical blend of found

poetry and poignant prose and the addition of black and white illustrations, this stunning debut captures young Black love and a decades-old family secret that may shatter a romance that feels written in the stars. *City of Lost Souls* Simon and Schuster The first four books in the #1 New York Times bestselling Mortal Instruments series are all together in one boxed

Times bestseller! A teen girl disappears from her small town deep in the bayou, where magic festers beneath the surface of the swamp like water rot, in this chilling supernatural thriller for fans of Natasha Preston, Karen McManus, and E. Lockhart. La Cchette, Louisiana, is the worst place to be if you have something to hide. This tiny town, where seventeen-year-old Grey spends her summers, is

the self-proclaimed Psychic Capital of the World—and the place where Elora Pellerin, Grey's best friend, disappeared six months earlier. Grey can't believe that Elora vanished into thin air any more than she can believe that nobody in a town full of psychics knows what happened. But as she digs into the night that Elora went missing, she begins to realize that everybody in town is hiding

something—her grandmother Honey; her childhood crush Hart; and even her late mother, whose secrets continue to call to Grey from beyond the grave. When a mysterious stranger emerges from the bayou—a stormy-eyed boy with links to Elora and the town's bloody history—Grey realizes that La Cachette's past is far more present and dangerous than she'd ever

understood. Suddenly, she doesn't know who she can trust. In a town where secrets lurk just below the surface, and where a murderer is on the loose, nobody can be presumed innocent—and La Cachette's dark and shallow lies may just rip the town apart. *City of Bones* Simon and Schuster The Mortal Instruments Companion, a must-read guide to the wildly popular Mortal Instruments
