I have made this Phonics Letter of the Week unit to address the Kindergarten(Prep) level of learning. The contents of this packet provide teachers with a variety of games, activities and worksheets to help teach correct letter formation, written letter identification and recognition of initial letter sound. My aim when creating this book was to provide a unit for teaching one letter of the alphabet at a time. There is a great emphasis on letter sounds, which makes this an ideal tool for phonics teaching. There are 30 games, activities and worksheets that can be used to help you teach the letter Bb at the beginning of the year and to reinforce and consolidate what has been learnt throughout the year.
