Telling the stories of twelve North Carolina heritage foods, each matched to the month of its peak readiness for eating, Georgann Eubanks takes readers on a flavorful journey across the state. She begins in January with the most ephemeral of southern ingredients—snow—to witness Tar Heels making snow cream. In March, she takes a midnight canoe ride on the Trent River in search of shad, a bony fish with a savory history. In November, she visits a Chatham County sawmill where the possums are always first into the persimmon trees. Talking with farmers, fishmongers, cooks, historians, and scientists, Eubanks looks at how foods are deeply tied to the culture of the Old North State. Some have histories that go back thousands of years. Garlicky green ramps, gathered in April and traditionally savored by many Cherokee people, are

now endangered by their popularity in fine restaurants. Oysters, though, are enjoying a comeback, cultivated by entrepreneurs along the coast in December. These foods, and the stories of the people who prepare and eat them, make up the long-standing dialect of North Carolina kitchens. But we have to wait for the right moment to enjoy them, and in that waiting is their treasure. *The Little Mouse, the Red Ripe Strawberry, and the Big Hungry Bear* Tumi Press

Esther of the Singing Hands is Perach's Sweetheart, a young and beautiful musician with a Girl Next Door image. When her violin is stolen after a concert in the capital city, she doesn't expect the queen herself to show up, intent upon solving the mystery. But Queen Shulamit -- lesbian, intellectual, and mother of the six-month-old crown princess -- loves to play detective. With the help of her legendary bodyguard Rivka and her dragon, and with the support of her partner Aviva the Chef, Shulamit turns her mind toward the solution -- which she quickly begins to suspect involves

the use of illegal magic that could threaten the safety of her citizens. The Apocalypse Revealed, Wherein are Disclosed the Arcana There Foretold, which Have Heretofore Remained Concealed arsenal pulp press

A lot can happen when you're young and ripe with hormones...Elise has been in love with her arrogant stepbrother Jesse from the moment she laid eyes on him. It doesn't matter that they're polar opposites with a penchant for clawing at each other's throats. The way he looks at her is magnetic, and she can't resist his pull. Jesse is the kind of guy every woman wants and every man wants to be. A strong silent type with a rock hard body and a cock that does all his talking for him. Jesse thrives on control and isn't afraid to run away when the going gets tough, but his latest problem isn't one that can be solved with distance. In nine months time, it's happening whether he accepts it or not...Author's note: This is a full-length standalone romance novel with a HEA and no cliffhanger. All characters are unrelated and over the age of 18.

For Treva Thompson, fear was a ferocious force that seemed larger than anything she could conquer. It held an overwhelming grasp that bound her mind and spirit. When God's light was shed upon her fear, the darkness gradually faded. Hope and love took the place of fear and doubt. God's peace embraced her, while her lifelong fear fled. In *The Fruit that Is Ripe Is Always Sweeter*, Thompson shares her poetic story of longing to discover God's unwavering love. She has learned that God's love is always with us and always available to all who seek it. This collection is an uplifting account of a soul's venture to be set free from the bounds of fear while seeking God, revealing life-giving truths with no condemnation. With God's help, Thompson found love and peace. She sought God's presence, and He answered. The wisdom revealed was overwhelmingly easy to understand and use in her daily life, bringing her comfort and joy. When God opened her eyes, His truth became real to her. There are still trials and tribulations, but Thompson now confides in a divine friend through prayer and the written word.

He's the mistake she always wanted to make ... and now is her chance. Ivy Leeds, high school valedictorian and president of the Brainiac Club, never fit in to her little hometown of Rifle, Colorado. Pretty and smart, but painfully shy, she hid behind an icy facade. Until the disastrous prom night when she tried to give it up to her secret crush, bad boy Ridley Tucker ... only to be turned down. She's back in town with a degree from Yale, her dream job in publicity, and new confidence in herself as a woman. But will all this protect her heart when she meets the adult--and even sexier--version of Ridley ... and learns the show she'll be producing for reality TV is centered around his custom cycle shop? Ridley Tucker, a boy who hid his alcoholic parents' neglect behind a tough façade, has come up in the world in a big way. Instead of scoring with every pretty woman he meets, he's the owner of a lucrative business, and single dad to little RJ. But he still likes to knock a few back with his buddies, and have a few laughs. It just figures that the time they try to outdo each other with raunchy pickup lines, he'll find Ivy

'League' is back in town, and listening in. She looks even better than she did that night at Prom, but now she won't give him the time of day. Until the night they let old friends egg them on in a drinking contest, and end up together in the hottest night of their lives. They're both ripe for a fall ... but will the landing hurt them both, or be the start of something wonderful? WARNING: A reformed bad boy can heat up that high school flame into a combustion suitable for adults only.

A thorough and scholarly study of Spenser and Shakespeare and their contrary artistry, covering themes of theology, psychology, the depictions of passion and intellect, moral counsel, family hierarchy, self-love, temptation, folly, allegory, female heroism, the supernatural and much more. Renaissance psychologies examines the distinct and polarised emphasis of these two towering intellects and writers of the early modern period. It demonstrates how pervasive was the influence of Spenser on Shakespeare, as in the "playful metamorphosis of Gloriana into Titania" in *A Midsummer Night's Dream* and its return from Spenser's moralizing allegory to the Ovidian spirit of Shakespeare's comedy. It will appeal to students and lecturers in Spenser studies, Renaissance poetry and the wider fields of British literature, social and cultural history, ethics and theology. *English Prose and Poetry (1137-1892)* UNC Press Books

Praise for jae steele's *Get It Ripe*: "This book is less a cookbook than an all-in-one guide to healthy vegan living, for which steele's holistic-nutritionist training is put to good use."—VegNews *Get It Ripe*, jae steele's 2008 cookbook,

established her as a credible and charismatic authority on veganism; her holistic nutritionist background and sassy cowpunk sensibility encouraged countless others to “get it ripe.” Her new cookbook underscores the importance of local, sustainable eating and living by helping readers deepen their understanding of organic and local foods and their positive impact on our health and our planet. The book includes chapters on the concept of local food and why it’s important; finding a balance between various food issues, personal priorities and values; and the benefits of the local food movement that go beyond reducing our carbon footprint. It also helps readers become more informed about where their food comes from, no matter where they live, whether their source is the farmer’s market or the grocery store down the street. The book’s 180 recipes, which encourage the use of fresh, organic ingredients wherever possible (as well as potential alternatives depending on where you live), include Strawberry Rhubarb Muffins, Pear Parsnip Soup, Asparagus and Spring Onion Quiche, Mushroom Asparagus Risotto, and Butternut Chipotle Chocolate Cake. Both thought-provoking and delectable, steele’s new cookbook makes any time the “ripe” time to go vegan. jae steele is a holistic nutritionist who runs the popular blog Domestic Affair. She lives in Toronto.

For more than forty years, World Impact has been dedicated to honoring and glorifying God and delighting in him among the unchurched urban poor by knowing him and making him known. Our vision is to recruit, empower, and release urban leaders who will plant

churches and launch indigenous church planting movements. Our Evangel School of Urban Church Planting trains church planters to plant healthy churches among the city's poor, applying biblical wisdom in order to effectively evangelize, equip, and empower unreached city folk to respond to the love of Christ, and take their place in representing Christ's Kingdom where they live and work. This guidebook, the official text of the Evangel School, outlines a process of church planting that respects the unique cultures, environments, communities, and situations reflected in urban America. The PLANT approach outlined here provides practically wise and spiritually vital instruction to ensure that urban church planting teams will neither fail nor blunder as they seek to engage needy yet spiritually ripe unreached neighborhoods. Filled with devotionals, seminars, exercises, and worksheets, with dozens of graphics, diagrams, and articles, this rich resource will empower church planting teams to design a strategy consistent with the vision God has given them - the kind of strategy that results in the creation of healthy, Kingdom-declaring churches, and the launch of reproducing church planting movements. Use this handy manual to engage your community with creativity and wisdom, planting the church God called you to plant. Come, join us, as we seek to plant as many healthy, Christ-honoring churches as we can among the lost and the least in the cities of the world!

Drawing on decades of experience, a psychotherapist and Zen practitioner makes the Abhidharma--the original psychological system of Buddhism--accessible to a general audience for the first time. The Abhidharma, one of the three major text collections of the original Buddhist canon, explores the critical juncture of Buddhist thought and the therapeutic aspects of the religion and meditation. It frames the psychological system of Buddhism, explaining the workings of reality and the nature of the human mind. Composed of detailed matrixes and lists that outline the interaction of consciousness and reality, The Abhidharma explores the essence of perception and experience, and the reasons and methods behind

mindfulness and meditation. Because of its complexity, the Abhidharma has traditionally been reserved only for academic or monastic study; now, for the first time, clinical psychologist Beth Jacobs makes this dynamic, important text and its teachings available to general readers, using practical explanation, personal stories, and vivid examples to gently untangle the technical aspects of the Abhidharma. Jacobs' work illuminates this classic of Buddhist thought, highlighting the ways it can broaden and deepen our experience of the human psyche and offering profound insights into spiritual practice.
