 Looking for gifts or diaries? Check out this journal! It is a white-colored paper notebook for school or for work. It is for girls and women as well as for men, teens, students, and kids. It's cute, small, and trendy.
 However, it is

large enough to write just about anything like an essay composition, brainstorming list, random thoughts, things you're thankful for, and a bucket list of adventures.
 This planner is also perfect for people that want to write their daily routines, to-dos, and schedules.
 Writing daily or weekly diaries is also great in this notebook. This notebook is also for creative activities, including

poetry, story writing, or book writing. It is perfect for writing about hobbies and travel goals, too. Overall, this journal offers more ways than one to use it. Keep one in your drawer, car, bedside table, and bag for quick and easy access. Get yourself one today!

from award-winning journalist Sam Anderson NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • NPR • Chicago Tribune • San Francisco Chronicle • The Economist • Deadspin Oklahoma City was born from chaos. It was founded in a bizarre but momentous “Land Run” in 1889, when thousands of people lined up along the borders of Oklahoma Territory and rushed in at

noon to stake their claims. Since then, it has been a city torn between the wild energy that drives its outsized ambitions, and the forces of order that seek sustainable progress. Nowhere was this dynamic better realized than in the drama of the Oklahoma City Thunder basketball team’s 2012-13 season, when the Thunder’s brilliant general manager, Sam Presti, ignited a firestorm by

trading future superstar James Harden just days before the first game. Presti’s all-in gamble on “the Process”—the patient, methodical management style that dictated the trade as the team’s best hope for long-term greatness—kicked off a pivotal year in the city’s history, one that would include pitched battles over urban planning, a series of cataclysmic

tornadoes, and the frenzied hope that an NBA championship might finally deliver the glory of which the city had always dreamed. Boom Town announces the arrival of an exciting literary voice. Sam Anderson, former book critic for New York magazine and now a staff writer at the New York Times magazine, unfolds an idiosyncratic mix of American history, sports reporting,

urban studies, gonzo memoir, and much more to tell the strange but compelling story of an American city whose unique mix of geography and history make it a fascinating microcosm of the democratic experiment. Filled with characters ranging from NBA superstars Kevin Durant and Russell Westbrook; to Flaming Lips oddball frontman Wayne Coyne; to legendary

Great Plains meteorologist Gary England; to Stanley Draper, Oklahoma City's would-be Robert Moses; to civil rights activist Clara Luper; to the citizens and public servants who survived the notorious 1995 bombing of the Alfred P. Murrah federal building, Boom Town offers a remarkable look at the urban tapestry woven from control and chaos, sports and civics. OK Boomer Simon and

Bowling Alone Simple Truths "Particularly relevant in an election year...This book is full of data—on the economy, technology, and more—that will help millennials articulate their generational rage and help boomers

understand where they're coming from." —The Washington Post "Jill Filipovic cuts through the noise with characteristic clarity and nuance. Behind the meme is a thoughtfully reported book that greatly contributes to our understanding of generational change." —Irin Carmon, coauthor of the New York Times bestseller Notorious RBG Baby Boomers are the most prosperous

generation in American history, but their kids are screwed. In this eye-opening book, journalist Jill Filipovic breaks down the massive problems facing Millennials including climate, money, housing, and healthcare. In Ok Boomer, Let's Talk, journalist (and Millennial) Jill Filipovic tells the definitive story of her generation. Talking to gig workers, economists, policy makers, and dozens of

struggling Millennials drowning in debt on a planet quite literally in flames, Filipovic paints a shocking and nuanced portrait of a generation being left behind: - Millennials are the most educated generation in American history—and also the most broke. - Millennials hold just 3 percent of American wealth. When they were the same age, Boomers held 21 percent. -

The average older Millennial has \$15,000 in student loan debt. The average Boomer at the same age? Just \$2,300 in today's dollars. - Millennials are paying almost 40 percent more for their first homes than Boomers did. -American families spend twice as much on healthcare now than they did when Boomers were young parents. Filipovic shows that Millennials are not the avocado-

toast-eating snowflakes of Boomer outrage fantasies. But they are the first American generation that will do worse than their parents. "OK, Boomer" isn't just a sarcastic dismissal—it's a recognition that Millennials are in crisis, and that Boomer voters, bankers, and policy makers are responsible. Filipovic goes beyond the meme, upending dated assumptions with

revelatory data and revealing portraits of young people delaying adulthood to pay down debt, obsessed with "wellness" because they can't afford real healthcare, and struggling to #hustle in the precarious gig economy. Ok Boomer, Let's Talk is at once an explainer and an extended olive branch that will finally allow these two generations to truly understand each other.

Ok Boomer Proud Member of the Grumpy Old Man Club
Berrett-Koehler Publishers
Put down your phone and color these hilarious images of boomers being boomers. "Ok boomer" swept the internet as a catchphrase for the frustration felt by millennials and Generation Z toward what they view as the cluelessness and privilege of the Baby Boomer generation.

Maurizio Campidelli's tongue-in-cheek OK Boomer coloring book features original illustrations of boomers doing things like navigating with a paper map, asking someone to Google something for them, typing on their phone with their index finger, watering the lawn of their McMansion, and reading a printed newspaper while listening to a CD player.
The American Stationer

Simon and Schuster
In his "remarkable" (Men's Journal) and "controversial" (Fortune) book -- written in a "wry, amusing style" (The Guardian) -- Bruce Cannon Gibney shows how America was hijacked by the Boomers, a generation whose reckless self-indulgence degraded the foundations of American prosperity. In *A Generation of Sociopaths*, Gibney examines the disastrous policies of the

most powerful generation in modern history, showing how the Boomers ruthlessly enriched themselves at the expense of future generations. Acting without empathy, prudence, or respect for facts--acting, in other words, as sociopaths--the Boomers turned American dynamism into stagnation, inequality, and bipartisan fiasco. The Boomers have set a time bomb for the

2030s, when damage to Social Security, public finances, and the environment will become catastrophic and possibly irreversible--and when, not coincidentally, Boomers will be dying off. Gibney argues that younger generations have a fleeting window to hold the Boomers accountable and begin restoring America. *OK Boomer* Shows how changes in work, family

structure, women's roles, and other factors have caused people to become increasingly disconnected from family, friends, neighbors, and democratic structures--and how they may reconnect.

Journal
Now a Netflix original series starring Austin Abrams and Midori Francis! A whirlwind holiday season romance from the New York Times bestselling authors of Nick & Norah's Infinite Playlist. "I've left some clues for you. If you want them, turn the page. If you don't, put the book back on the shelf, please." 16-year-old Lily has left a red notebook full of challenges on her favorite bookstore

shelf, waiting for just the right guy to come along and accept its dares. Dash, in a bad mood during the holidays, happens to be the first guy to pick up the notebook and rise to its challenges. What follows is a whirlwind romance as Dash and Lily trade dares, dreams, and desires in the notebook they

pass back and forth at locations all across New York City. But can their in-person selves possibly connect as well as their notebook versions, or will their scavenger hunt end in a comic mismatch of disastrous proportions? Co-written by Rachel Cohn (GINGERBREA

D) and David Levithan, co-author of WILL GRAYSON, WILL GRAYSON with John Green (THE FAULT IN OUR STARS), DASH & LILY'S BOOK OF DARES is a love story that will have readers scouring bookstore shelves, looking and longing for a love (and a red notebook) of their own.
