Ace is saving lives and
 mending
 hearts.....Anthony "Ace"
 Bailey! I'm not a rules kinda
 guy Department Policy?
 Kinda sucks, but I do what
 I have to for the job that I
 love. Playing it safe? Not
 my thing. Married? No big
 deal when I know she's
 unhappy and scared. I'm
 one of those guys - a
 sniper in the military, a
 little bit of an adrenaline
 junkie, and a member of
 the Moonshine Task
 Force. I've lived through
 some shit. My gut has
 never failed me. It's my
 sixth-sense. Warning me
 of a gunshot coming my
 way, of a traffic stop
 being potentially deadly,
 or the tingling in the back
 of my neck when I go to
 sleep telling me I'll be
 woken up by a call in the
 middle of the night. My
 gut has always kept me
 honest. Like the day I
 walked into The Café and
 saw the new waitress.

There was a ring on her left hand, but I didn't care. One look in her eyes told me everything I needed to know. Her marriage wasn't one made of love and respect. It was one made of fear and doubt. It's why I ignored that ring, why I arrested her husband, and the reason I'm willing to take my time. Patience is a virtue, and with this woman, I have it in spades. Violet Miller Meeting Anthony Bailey changed my life. He did things that no one else has ever done for me. Feeling safe? Never happened before. Feeling wanted? It's been years. Being independent? I'm learning. It's foreign, not having someone question my every move, being able to eat what I want for dinner, and sitting out on my front porch talking to Anthony every night while we share a couple beers. I try to tell myself he's just being nice; that he's doing his job and working within the community. The problem? The night he takes the kiss we both want, everything changes, and I can no longer deny what I feel. But it doesn't stop me from trying - and I learn quickly that Ace knows me better than anyone else ever has -

including myself. All I can do is hang on, as he takes me on the scariest journey of my life. The one that bends us until we almost break, and ends with a happily ever after I never thought I would get. ACE includes the wedding of a beloved couple, an appearance by Reaper, and the continuation of EVERYONE falling in love with Caleb!

Two Decades of Adventure As a Park Ranger in the Shadow of Katahdin "O'Reilly Media, Inc."

Two decades ago, Andrew Vietze made an unlikely career change: from punk rock magazine editor to park ranger at Maine's Baxter State Park. In *This Wild Land*, Vietze tells his story with humor, action, and an eye for the compelling details of life as a park ranger, making it the perfect read for outdoor and armchair adventurers alike.

Manual for Spiritual Warfare Taylor & Francis

Follow the sailing adventures of Robert Beriault, when at the age of 57, he joins a sailing club for lessons and soon becomes an instructor. He dreams of sailing around the world and adopts the strategy of going at it one ocean at a time. Part travelogue and part sailing primer, *Sailor Without a Boat* tells the true story of how Robert chases after his dream. Candid, humorous advice is interspersed with hilarious tales from the

Atlantic to the Pacific, as he recounts the idiosyncrasies of his skippers and fellow sailors. Among his many adventures, Robert crews for a reckless captain who pushes boat and crew beyond safety limits during a 3600-kilometre offshore passage.

Searching the Internet for a transatlantic crossing, he almost sets out to sea with a Captain Bligh before jumping ship.

Enjoying such places as the Caribbean and Cuba's stunningly beautiful Gardens of the Queen, Robert is boarded by gun-toting pirates; almost experiences an exploding yacht at sea; is embroiled in steamy soap operas; is medevaced by horse from the Guatemalan jungle; and fights 30-foot seas when crossing the Atlantic with Canada's sailing legend Derek Hatfield. All this, without ever having bought a boat!"

An Introduction to Electronic Music Delmar Pub

More and more sailors and powerboaters are buying and relying on electronic and electric devices aboard their boats, but few are aware of proper installation procedures or how to safely troubleshoot these devices if they go on the

blink.
