From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller. Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and

that philosophy is for living a better life, not a classroom exercise. The *Daily Stoic* offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The

second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

Fifteen years ago, in 1975, Genna Hewett-Meade's college roommate died a mysterious, violent, terrible death. Minette Swift had been a fiercely individualistic scholarship student, an assertive—even prickly—personality, and one of the few black girls at an exclusive women's liberal arts college near Philadelphia. By contrast, Genna was a quiet, self-effacing teenager from a privileged upper-class home, self-consciously struggling to make amends for her own elite upbringing. When, partway through their freshman year, Minette suddenly fell victim to an increasing torrent of racist harassment and vicious slurs—from within the apparent safety of their tolerant, "enlightened" campus—Genna felt it her duty to protect her roommate at all costs. Now, as Genna reconstructs the months, weeks, and hours leading up to Minette's tragic death, she is also forced to confront her own identity within the social framework of that time. Her father was a prominent civil defense lawyer whose radical

politics—including defending anti-war terrorists wanted by the FBI—would deeply affect his daughter's outlook on life, and later challenge her deepest beliefs about social obligation in a morally gray world. *Black Girl / White Girl* is a searing double portrait of "black" and "white," of race and civil rights in post-Vietnam America, captured by one of the most important literary voices of our time.
