## OBRIEN KENNEDY

*Going to the Mountain* Scribe Publications

"One of the foremost relationship experts at work today applies the insights of science toward understanding the real meaning of trust between a couple. He decodes the "why" behind betrayal and shows how partners can avoid or recover from unfaithfulness and maintain a loving relationship. Dr. John Gottman, the country's pre-eminent researcher on marriage, is famous for his Love Lab at the University of Washington in Seattle where he deciphers the mysteries of human relationships through scientific research. His thirty-five years of exploration have earned him numerous major awards, including from the National Institute of Mental Health, the American Psychological Association, and the American Association for Marriage and Family Therapy. Now, Dr. Gottman offers surprising findings and advice on the characteristic that is at the heart of all relationships: Trust. Dr. Gottman has developed a formula that precisely calculates any couple's loyalty level. The results determine a relationship's likely future, including the potential for one or both partners to stray. A Love You Can Trust shows couples how to bolster their trust level and avoid what Dr. Gottman calls the "Roach Motel for Lovers." He describes how the outcome of—"sliding door moments," small pivotal points between a couple, can lead either to more emotional connection or to discontent. He suggests a new approach to handling adultery and reveals the varied and unexpected non-sexual ways that couples often betray each other. A Love You Can Trust guides couples through an empirically tested, trust-building program that will let them repair and maintain a long-term, intimate, and romantic relationship"--

Accident or suicide? Who was really responsible for the death of a teenage boy who seemed to have everything in his favor? His best friend decides to find out.

*True Love Sets Free!* BenBella Books, Inc.

He's young, he's broke, his landlord's knocking at the door, and he's just found out his wife is going to have a baby. To make matters even more desperate, Casey is fired from his gig as an Elvis impersonator in a run-down, small-town Florida bar. When the bar owner brings in a B-level drag show to replace his act, Casey finds that he has a whole lot to learn about show business—and himself.

*Patti Smith: A Biography* Artisan Books

Viele Liebesbeziehungen scheitern nicht an

Kommunikationsproblemen oder der oft zitierten

»Bindungsunfähigkeit«. Vielmehr starten wir mit unrealistischen Vorstellungen in ein gemeinsames Leben, weil wir versuchen, die Verantwortung für unser eigenes Glück in die Hände unseres Partners zu legen. Enttäuschung, Frust, Misstrauen und Streit sind das Resultat. Elena-Katharina Sohn hilft mit ihrem Wissen aus Psychologie und Coaching, mit vielen Fallbeispielen und einer großen Portion Einfühlungsvermögen, endlich die wundervolle Beziehung zu finden und zu führen, von der so viele Frauen und Männer träumen: Jeder kann ein glücklicher Partner sein, wenn er erkennt, dass er den Schlüssel zum Glück längst selbst besitzt. *Monet* London : Secker and Warburg [for] the British Film Institute In Democracy 2.0, we feature a series of evocative, international case studies that document the impact of alternative and community use of media, in general, and Web 2.0 in particular. The aim is to foster critical reflection on social realities, developing the context for coalition-building in support of social change and social justice.

*Labour in a Single Shot* Penguin

Winner of the Writers' Guild Best Fiction Book Award, 1996 The year is 1788, the place New South Wales. Marine Lieutenant William Dawes has arrived in the Antipodes to build an observatory, reform the convicts and understand the Aborigines. He is a good man who will be subject to many temptations. In England, now, a child is born. His mother knows he has extraordinary powers; his father knows he is a helpless cripple. Olla, defending and nurturing her miraculous son, emerges as one of the strangest and most compelling characters of contemporary fiction. Jane Rogers intertwines the powerful dramas of the first year of the convict-colony with these present-day lives to make a rich and gripping novel.

*Goodbye Beziehungsstress* Random House

From the Pulitzer and Story Prize winner: sixteen new stories—provocative, funny, disturbing, enchanting—that delve into the secret lives and desires of ordinary people, alongside retellings of myths and legends that highlight the aspirations of

the human spirit. Beloved for the lens of the strange he places on small town life, Steven Millhauser further reveals in *Voices in the Night* the darkest parts of our inner selves to brilliant and dazzling effect. Here are stories of wondrously imaginative hyperrealism, stories that pose unforgettably unsettling what-ifs, or that find barely perceivable evils within the safe boundaries of our towns, homes, and even within our bodies. Here, too, are stories culled from religion and fables: Samuel, who hears the voice of God calling him in the night; a young, pre-enlightenment Buddha, who searches for his purpose in life; Rapunzel and her Prince, who struggle to fit the real world to their dream. Heightened by magic, the divine, and the uncanny, shot through with sly and winning humor, *Voices in the Night* seamlessly combines the whimsy and surprise of the familiar with intoxicating fantasies that take us beyond our daily lives, all done with the hallmark sleight of hand and astonishing virtuosity of one of our greatest contemporary storytellers.

### Childbearing Trends and Prospects in Low-Fertility Countries

SteinerBooks

This title is part of UC Press's *Voices Revived* program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Kolo Moser war einer der bedeutendsten Universalkünstler im Wien der Jahrhundertwende: er zählt zu den führenden Vertretern des Jugendstils. Sein Werk umfasst Malerei, Grafik und Kunsthandwerk sowie u. a. Mode- und Möbelentwürfe und Designs für Beleuchtungskörper, Bühnendekorationen, Glasfenster, Buchillustrationen und sogar Banknoten. Als Schrittmacher der Kunst seiner Zeit war er Gründungsmitglied der Wiener Secession und etablierte 1903 die Wiener Werkstätte, gemeinsam mit dem Architekten Josef Hoffmann und dem Industriellen Fritz Waerndorfer. Das Ziel dieser Produktionsgemeinschaft bildender Künstler war die Realisierung des Gesamtkunstwerks auf handwerklich höchstem Niveau. Rund 400 Objekte, systematisch präsentiert und durch Essays erläutert, eröffnen einen neuen Blick auf sein beeindruckendes Lebenswerk.

### How to Leave Your Psychopath

Birkhäuser  
'Will help so many learn to recognize what an abusive relationship is' - Mel B Are you forever finding yourself in the stranglehold of controlling companions? Well, fear not, because once you've finished reading this book, you'll be able to wave ta-ta to unhappy and unhealthy relationships for good. Consider me the Psycho Sprucer, Bad Boy Buster, the Hot Mess Assessor - ready to leave your love life sparkling. *Red Flags* is a candid account of the complex, subtle nature of coercive control and abusive relationships from comedian Maddy Anholt, who - until her eyes were opened - had spent her entire dating life trapped in them. Relatable and accessible, the book - previously published as *How to Leave Your Psychopath* - covers all the common techniques these toxic twerps use to exert control, including gaslighting, breadcrumbing and negging. It's the ultimate handbook to help you see and respond to red flags, recognize controlling traits, and learn to give any prospective date a score on Maddy's unique 'Psychometer', from super-empath to psychopath. Vitally, by interweaving psychological insight and autobiographical anecdotes, Maddy shows you the road to self-discovery, leading you on the path to safer dating and a healthier, more joyful life. Funny, judgement-free and full of brilliant first-hand advice, this empowering guide will help anyone ditch their controlling partner to find freedom and happiness. 'I read it all in one sitting, it is brilliant! This book is so relatable and Maddy's funny and engaging approach starts serious conversations' - Teresa Parker, Women's Aid

*La traduction aujourd'hui* Vintage

Patti Smith is one of pop culture's true troubadours. Emerging from the New York punk scene of the mid-seventies whilst mixing poetry, underground theatre, jazz and rock, she has left a rebellious and individual legacy like no other. Arthur Rimbaud, Robert Mapplethorpe, Sam Shepard and Bruce Springsteen are just a few who have become associated with the Patti Smith legend. She has toured with Bob Dylan, opened for the New York Dolls, duetted with R.E.M. and written songs for film. Nick Johnstone unravels every facet of this strange and winding career, and makes fascinating sense of a complex creative who refused to compromise. This Omnibus Enhanced edition of *Patti Smith: A Biography* features an interactive timeline of her life, filled with audio, video and imagery of gigs, interviews, songs and memorabilia. Additionally, curated Spotify playlists allow you to listen to her greatest songs, her contemporaries in the punk scene, and more. *Patti Smith: A Biography* provides a compelling insight into the journey of a true artist; a unique story of creativity, passion and rebellion.

*Sirk on Sirk: Interviews with Jon Halliday* Independently Published Hashimoto's Thyroiditis is a widespread disease mostly affecting women between 20 and 40 years of age. Considered incurable by conventional medicine, therapy in most cases is limited to the application of l-thyroxine as hormone substitution treatment. In this book, you will learn about the holistic treatment and cure of Hashimoto's thyroiditis with naturopathic remedies ranging from thyroid massage and wraps to natural thyroid extract, biological thyroid blockers, herbs and homeopathic drugs. --

*What Death Means Now* Penguin

The author of the most well-known and trusted relationship book of all time returns with an updated guide for today's generation. Two decades ago, *Men Are from Mars, Women Are from Venus* revolutionized the way we thought about love and partnership. John Gray's work has helped countless readers improve and even save their relationships. But as society evolves, relationships do, too. It's time to move beyond Mars and Venus, toward a new relationship model for modern couples. Today, men and women are no longer trapped by rigid societal roles. Now more than ever, we have the freedom to be our authentic selves. Women can access their masculine side, and men can embrace their feminine side. This new freedom is a good thing, but it also brings new challenges. Men and women still need the right tools and skills to help build stronger relationships. While previous generations sought "role mate" relationships, based on the more rigid gender roles of the time, today's couples need a new kind of relationship: a "soul mate" relationship. These more emotionally satisfying relationships require a deeper understanding of our partners' individual needs. In *Beyond Mars and Venus*, Gray teaches you how to strengthen your bond and grow in love together, so you and your loved one can meet each other's needs in the best way possible, bringing you lasting happiness and a fulfilling partnership.

*Promised Lands* Univ of California Press

The book both extends and reflects upon a large-scale, international art project that has taken the form of an online database and numerous exhibitions (including the Venice Biennale and other important venues). The essays explore the social, political, and ethical ramifications of documenting global labour with a roving camera that often operates in close proximity to its human subjects. The inclusion of Antje Ehmann's journal entries, translated for the first time into English, will offer a real-time account of the workshops that will complement the scholarly essays' accounts of the videos.

*A Touch of Dead* Omnibus Press

This book is a collection of 15 dialogues that occurred throughout the United States and Europe with Byron Katie. Some of the people who worked with Katie have painful illnesses, others are lovelorn or in messy divorces. Some are simply irritated with a co-worker or worried about money. What they all have in common is a willingness to question, with Katie's help, the painful thoughts that are the true cause of their suffering. In every case we see how Katie's acute mind and fierce kindness helps each person dismantle for themselves what is felt to be unshakable reality. Although these dialogues make fascinating reading—some are both hilarious and deeply moving at once—they are intended primarily as teaching tools. Each took place in front of an audience, and Katie never lost connection with that audience, repeatedly reminding each person in the room to follow the dialogues inwardly, asking themselves the questions the participant must ask. The dialogue between Katie and these volunteers is an external enactment of precisely the kind of dialogue each person can have with their own thoughts. The

results, even in the seemingly most dire situation, can be unimagined freedom and joy.

Who Killed Christopher? Dramatists Play Service, Inc.

Recent history has witnessed a revolution in womens health care. Beginning in the late 1960s, women in communities across the United States challenged medical and male control over womens health. Few people today realize the extent to which these grassroots efforts shifted power and responsibility from the medical establishment into womens hands as health care consumers, providers, and advocates. *Into Our Own Hands* traces the womens health care movement in the United States. Richly documented, this study is based on more than a decade of research, including interviews with leading activists; documentary material from feminist health clinics and advocacy organizations; a survey of womens health movement organizations in the early 1990s; and ethnographic fieldwork. Sandra Morgen focuses on the clinics born from this movement, as well as how the movements encounters with organized medicine, the state, and ascendant neoconservative and neoliberal political forces of the 1970s to the 1980s shaped the confrontations and accomplishments in

womens health care. The book also explores the impact of political struggles over race and class within the movement organizations.

*Psycho-oncology* Abacus

"This is a tour de force in cohort fertility analysis, a deep and powerful piece of work. It is a striking demonstration of the force of really detailed empirical analysis of excellent and comprehensive data, with the data looked at from every angle and judiciously extrapolated into the future. It represents a major contribution to our understanding of contemporary low fertility in Europe and other developed nations..." Thomas K. Burch, University of Victoria, BC, Canada

*Tall, Dark & Fangsome* Simon and Schuster

Sarah Dearly's vampire life is not all B-positive cocktails. A curse made her a nightwalker, the most vicious vamp there is; the charm she wears to curb her deadly tendencies is losing its juice; and a hunter from hell is turning up the heat. Gideon Chase will kill the ones she loves most if she doesn't obey his orders - that includes breaking up with master vampire Thierry and turning Gideon into an immortal vamp via her bite so he can escape a doom of eternal hellfire. Making things worse are Sarah's growing

feelings for Gideon, a bad boy who keeps showing a vulnerable side - but is it for real? Will Sarah's dark side take over? Or can she cure herself of the nightwalker curse in time to stop Gideon and finally get the chance to live happily ever after with Thierry ... forever?

**The Legend of Georgia McBride** Hay House, Inc

Although death is universal, how we respond to it--how we ready ourselves for death and how we grieve--depends on when and where we live. New preparations for dying, new kinds of funerals, new ways of handling grief, and new ways to memorialize are continually evolving, and with them come new challenges. Bringing to bear twenty-five years of work on the sociology of death and dying, Tony Walter engages critically with key questions such as: should we talk about death more and plan in advance? How possible is advance planning as more people suffer frailty and dementia? How do physical migration and digital connection affect the irreducibly material process of dying? Is the traditional funeral still relevant? Can burial and cremation be ecological? And how should we grieve: quietly, openly, or even online?
