A controversial tale of friendship and tragedy during the Great Depression A Penguin Classic Over seventy-five years since its first publication, Steinbeck's tale of commitment, loneliness, hope, and loss remains one of America's most widely read and taught novels. An unlikely pair, George and Lennie, two migrant workers in California during the Great Depression, grasp for their American Dream. They hustle work when they can, living a hand-to-mouth existence. For George and Lennie have a plan: to own an acre of land and a shack they can call their own. When they land jobs on a ranch in the Salinas Valley, the fulfillment of their dream seems to be within their grasp. But even George cannot guard Lennie from the provocations, nor predict the consequences of Lennie's unswerving obedience to the things George taught him. *Of Mice and Men* represents an experiment in form, which Steinbeck described as "a kind of playable novel, written in a novel form but so scened and set that it can be played as it stands." A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. This edition features an introduction by Susan Shillinglaw, one of today's leading Steinbeck scholars. For more than seventy years, Penguin has

been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

More I'm Through! What Can I Do?, Gr. 3, eBook BMI Educational Services

This picture book is a short story synopses and is extracted material from my book titled Nostradamus, Branham and the Little Book: Gods Masterpiece...with a few updated developments. The Prophet Nostradamus has provided us with a pictogram of the Second Coming of Jesus the Christ...Yeshua Ha Mashiach (Yeshua the Messiah) AND tells us WHO the end-time Anti-Christ will be. NOW is the time for the revealing and unveiling of the Prophet Nostradamus lifes work. You will be amazed to find out WHO Nostradamus really was. Nostradamus tells us that those Christians who are in the Catholic Church are being set up for a big slaughter because of their belief in the false and demonic Virgin Mary Apparitions complete with its bleeding statues and other anomalies. Muslims also believe in the Virgin Mary of Fatima apparitions as well as prayer beads drawing these two religions together on two central doctrines...and the name CHRISLAM is quickly becoming a popular coined name for it. This iron and clay religion will not adhere together comfortably. Nostradamus states that this coming slaughter will be like it was in 1792. This means it will be worse than the French Revolution Reign of Terror. In

the coming Reign of Terror guillotines will behead millions. Guillotines have already been shipped into the United States in preparation for civil unrest at the dissolution of the dollar bill and move into the New (NAZI) World Order. The Bible cautions us to beware of end-time manifestations in the AIR. That not only includes apparitions (Ghosts/Shape-Shifters) of all sorts but the UFO phenomenon as well. The Bible instructs us that it is SATAN and his demonic hordes that are the POWERS and PRINCIPALITIES in the AIR. The Bible states that even the very ELECT will be deceived if it is possible. IT IS POSSIBLE! (Matthew 24:24; Mark 13:22.) The Prophet Nostradamus has left us the Little Book of Revelation Ten that Daniel the Prophet and John the Apostle and Revelator (of the Book of Revelation) could not write because it had to be sealed up until the end-time....NOW. (Daniel 12:4; Revelation 10.) Nostradamus helps us unravel this end-time puzzle and he uses pictures to do it. After all...Isnt a picture worth a thousand words?

Travels with Charley in Search of America Carson-Dellosa Publishing

An intimate journey across America, as told by one of its most beloved writers A Penguin Classic In September 1960, John Steinbeck embarked on a journey across America. He felt that he might have lost touch with the country, with its speech, the smell of its grass and trees, its color and quality of light, the pulse of its people. To reassure himself, he set out on a voyage of rediscovery of the American identity, accompanied by a distinguished French poodle named Charley; and riding in a three-quarter-ton pickup truck named Rocinante. His course took him through almost forty states: northward from Long Island to Maine; through the Midwest to Chicago; onward by way of Minnesota, North Dakota, Montana (with which he fell in love), and Idaho to Seattle, south to San Francisco and his birthplace, Salinas; eastward through the Mojave, New Mexico, Arizona, to the vast hospitality of Texas, to New Orleans and a shocking drama of desegregation; finally, on the last leg, through Alabama, Virginia, Pennsylvania, and New Jersey to New York. *Travels with Charley in Search of America* is an intimate look at one of America's most beloved writers in the later years of his life—a self-portrait of a man who never wrote an explicit

autobiography. Written during a time of upheaval and racial tension in the South—which Steinbeck witnessed firsthand—*Travels with Charley* is a stunning evocation of America on the eve of a tumultuous decade. This Penguin Classics edition includes an introduction by Jay Parini. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
