Just what is it about Magenta projects? What makes them so distinctive? There is certainly color galore, texture that you can "feel," and embellishments aplenty. Whatever the style, Magenta projects are built around simple, classic compositions. A card may be straightforward and symmetrical, the design centered on the page, or that same symmetric design may be shifted off-center to create an intriguing pattern. But there is always an unmistakable focal point that, with the addition of rich color and stunning embellishments, results in a grand surprise that delights the senses. This is the essence of Magenta, and the reason why Magenta materials and techniques are favored by paper crafters all over the world. Magenta Style Paper Enchantments presents more than 70 projects that will inspire you to play with color, texture, and embellishments. 20 main projects offering various techniques are accompanied by a materials list and photographic step-by-step instructions, and the others appear in gallery sections in each of the 4 chapters. Nathalie Metivier and Leslie Carola show you techniques like rubber stamping and coloring with a variety of media; embossing and debossing with ink; creating texture with Peel Off's stickers; making three-dimensional constructions; and decorating holiday ornaments and other tabletop items. Try the projects as they are. Then change the palette, shift the focal point, play with the details, find the art of the craft—Magenta Style.

The Complete Color Harmony HarperCollins

DIV The Complete Color Harmony is from Rockport Publishers' best-selling series that includes, Color Harmony and Color Harmony 2. This book expands upon the two previous editions for the most comprehensive color reference to date. Along with some basic color theory, the book provides hundreds of one, two, and three-color combinations selected to reflect a range of moods and adjectives. This edition includes information on creating special effects using metallic and fluorescent color palettes, as well as an entirely new section devoted to the psychology of color. In Complete Color Harmony, authors Tina Sutton and Bride M. Whelan help readers determine their best colors and suggests why some colors may inspire their creativity while others don't. The book also includes two new color palette sections reflecting black and white as the color base, along with an expanded and updated Color Trends section that discusses not only trends and how they are predicted but gives advice on how to be a trend spotter. /div

The Enigma of Room 622 Digital Manga, Inc.

Already an international sensation and prize-winning bestseller in France, an evocative coming-of-age story of a young boy, a lost childhood and a shattered homeland. SHORTLISTED FOR THE ALBERTINE PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY ESQUIRE • LONGLISTED FOR THE ANDREW CARNEGIE MEDAL FOR EXCELLENCE IN FICTION • LONGLISTED FOR THE ASPEN WORDS LITERARY PRIZE Burundi, 1992. For ten-year-old Gabriel, life in his comfortable expatriate neighborhood of Bujumbura with his French father, Rwandan mother and little sister Ana, is something close to paradise. These are carefree days of laughter and adventure - sneaking Supermatch cigarettes and gorging on stolen mangoes - as he and his mischievous gang of friends transform their tiny cul-de-sac into their kingdom. But dark clouds are gathering over this small country, and soon their peaceful existence will shatter when Burundi, and neighboring Rwanda, are brutally hit by civil war and genocide. A novel of extraordinary power and beauty, Small Country describes an end of innocence as seen through the eyes of a child caught in the maelstrom of history. Shot through with shadows and light, tragedy and humor, it is a stirring tribute not only to a dark chapter in Africa's past, but also to the bright days that preceded it.

The WINGS OF FIRE saga continues with a thrilling underwater adventure -- and a mystery that will change everything! The lost heir to the SeaWing throne is going home at last. She can't believe it's finally happening. Tsunami and her fellow dragonets of destiny are journeying under the water to the great SeaWing Kingdom. Stolen as an egg from the royal hatchery, Tsunami is eager to meet her future subjects and reunite with her mother, Queen Coral. But Tsunami's triumphant return doesn't go quite the way she'd imagined. Queen Coral welcomes her with open wings, but a mysterious assassin has been killing off the queen's heirs for years, and Tsunami may be the next target. The dragonets came to the SeaWings for protection, but this ocean hides secrets, betrayal--and perhaps even death.
