The Business
Communication field is at
a crossroads as
communication
technologies are
reshaping how people
communicate in the
workplace. Business
Communication:
Developing Leaders for a

Networked World, by
Peter Cardon, puts
students at the center of
business communication
through the author's
unique focus on credibility
woven throughout the
textbook chapters,
forward looking vision
built on traditional
concepts, and practitioner
and case-based approach.
Students are more likely
to read and reflect on the
text, and are better
positioned to understand
the essentials of efficient
and effective business
communication, thereby
transforming them into
leaders for a networked
world.

Functions 11 McGraw Hill Professional

First published in 1978, Reading Greek has become a best-selling

one-year introductory course in ancient Greek for students and adults. It combines the best of modern and traditional language-learning techniques and is used widely in schools, summer schools and universities across the world. It has also been translated into several foreign languages. This volume contains a narrative adapted entirely from ancient authors, including Herodotus, Euripides, Aristophanes and Demosthenes, in order to encourage students rapidly to develop their reading skills. Generous support is provided with vocabulary. At the same time, through the texts and numerous illustrations, students will receive a good introduction to Greek culture, and especially that of Classical Athens. The accompanying Grammar and Exercises volume provides full grammatical support together with numerous exercises at different levels, Greek-English and English-Greek vocabularies, a substantial reference grammar and language surveys.
