BECKER MALDONADO

Essentials for Today's Nursing Assistant Learning Express (NY)

This full-color text is popular with both students and teachers alike because it's concise, and practical. The second edition reflects the most recent practice requirements including the latest Center for Disease Control (CDC) guidelines, OSHA mandates regarding infection control, as well as OBRA training requirements and updates. It also includes a detailed, quick reference guide to using age-specific care considerations in patient care, an enhanced patient restraints section that outlines the correct application of the most commonly used restraints, as well as a chapter on subacute care. New critical thinking exercises help students apply what they've learned.

Being a Nursing Assistant Reston

The best-selling new edition provides the most comprehensive coverage of the theory and skills required for working as a nursing assistant in acute, long-term or home health care settings. Now includes bar codes for accessing procedures, changes in health care delivery as well as latest CDC guidelines and OSHA regulations.

Workbook to Accompany Lippincott's Textbook for Nursing Assistants McGraw-Hill Science/Engineering/Math

Nursing Assistant: A Nursing Process Approach - Basics Pearson

For all shorter nurse assistant courses, especially those covering acute care (hospital) and nursing home (long-term care) environments. A step-by-step guide to whole-patient care, for the novice nursing assistant. The Nursing Assistant fulfills the need for a brief, practical, and affordable guide to nursing assistance in today's competitive health-care environment. This text is the foundation for any nursing assistant training program and applies equally to acute, subacute, or long-term care settings. Following the models of the nursing process, state curricula, and OBRA mandates, The

Nursing Assistant provides 73 step-by-step procedures reflecting the tasks most commonly performed by nursing assistants. Reflecting the latest CDC, OSHA, and HIPAA guidelines, the 6th edition expands the discussion of patient-care goals and cultural awareness, and adds new person-centered case studies throughout.

Take it to Heart Cengage Learning

This combined text and workbook builds on the basic concepts and skills that the nursing assistant has already mastered. The tasks nursing assistants in advanced settings are expected to perform vary greatly in health care settings across the nation. Even if nursing assistants are not allowed to perform tasks independently, they are often expected to understand the care provided and assist other members of the health care team. The spirit of "lifelong learning" is at the heart of this text, which has been written in a way to inspire nursing assistants to set goals for career advancement and reach them.

The Nursing Assistant Prentice Hall

Revised and updated to reflect today's changing healthcare practice, Lippincott Essentials for Nursing Assistants: A Humanistic Approach to Caregiving, 5th edition, streamlines the path to success as a nursing assistant by detailing the foundational concepts and facts needed to competently and compassionately function in a long-term care facility, acute care facility, or home health agency. A concise, conversational approach makes key information accessible, and it is bolstered by helpful step-by-step guides through commonly performed procedures. These features ready students for challenges that nursing assistants might encounter in clinical practice.

Lippincott Acute Care Skills for Advanced Nursing Assistants Wolters Kluwer Law & Business

Exceptionally comprehensive, affordable, and user-friendly, this book focuses on the nursing assistant's role and responsibilities in health care as it is being practiced today in diverse areas of the health care delivery system. It incorporates both tried-and-true standards and recent changes in procedures and philosophies, and focuses throughout on a holistic, humanistic, restorative approach and cultural awareness. Extensively illustrated—yet uncluttered—it features simple language, boxed Procedures and Guidelines, an anatomy and physiology insert, and thought-provoking, interactive questions, case studies, and review questions, especially useful for preparing for competency tests. Sake: A Daily Book of Cheer for Nurse's Aides and Others Who Care*, and Lisa Cantrell and Lori Porter, co-founders of the National Association for Geriatric Nursing Assistants (NAGNA), comes a new book on attracting and rewarding nursing assistants. Armed with extensive experience, the authors take an insightful and probing look at the staffing crisis in long-term care, and offer valuable suggestions to stop CNA turnover. We are not the authors, merely the privileged scribes of *Take It to Heart: CNAs? Solutions to the Staffing Crisis*. Since 1981, we've been taught the book's message by listening to and watching thousands of dedicated nursing assistants. Reading their wisdom as presented here, readers will discover how to end the staffing crisis in long-term care.?
