Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a "filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

Encyclopedia of American Short Films, 1926-1959 Routledge

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor • St. Louis Post-Dispatch "Magisterial."—The New York Times In this extraordinary volume, Jean Edward Smith presents a portrait of Dwight D. Eisenhower that is as full, rich, and revealing as anything ever written about America's thirty-fourth president. Here is Eisenhower the young dreamer, charting a course from Abilene, Kansas, to West Point and beyond. Drawing on a wealth of untapped primary sources, Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur. Then the whole panorama of World War II unfolds, with Eisenhower's superlative generalship forging

the Allied path to victory. Smith also gives us an intriguing examination of Ike's finances, details his wartime affair with Kay Summersby, and reveals the inside story of the 1952 Republican convention that catapulted him to the White House. Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive. Derided by his detractors as a somnambulant caretaker, Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful, decisive leader. He managed not only to keep the peace, but also to enhance America's prestige in the Middle East and throughout the world. Unmatched in insight, Eisenhower in War and Peace at last gives us an Eisenhower for our time—and for the ages. NATIONAL BESTSELLER Praise for Eisenhower in War and Peace "[A] fine new biography . . . [Eisenhower's] White House years need a more thorough exploration than many previous biographers have given them. Smith, whose long, distinguished career includes superb one-volume biographies of Grant and Franklin Roosevelt, provides just that."—The Washington Post "Highly readable . . . [Smith] shows us that [Eisenhower's] ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements."—The Wall Street Journal "Always engrossing . . . Smith portrays a genuinely admirable Eisenhower: smart, congenial, unpretentious, and no ideologue. Despite competing biographies from Ambrose, Perret, and D'Este, this is the best."—Publishers Weekly (starred review) "No one has written so heroic a biography [on Eisenhower] as this year's Eisenhower in War and Peace [by] Jean Edward Smith."—The National Interest "Dwight Eisenhower, who was more cunning than he allowed his adversaries to know, understood the advantage of being underestimated. Jean Edward Smith demonstrates precisely how successful this stratagem was. Smith, America's greatest living biographer, shows why, now more than ever, Americans should like Ike."—George F. Will

The Nurse Leader Coach McFarland

New Canaan, Connecticut, is one of the richest towns in the U.S. The book is a compilation of 140 arbitrarily chosen individuals who have been past or present residents, from moralist Anthony Comstock, the first female ambulance surgeon, and the inventor of the Tommy Gun, to David Letterman, Paul Simon, and Brian Williams. All is documented and includes tales never before published. Major architects, critics, authors, painters, business CEOs (IBM, GE, JetBlue, Perkin-Elmer), inventors, cartoonists, sculptors, teachers, and humanities leaders lived in the small town with a private railroad track directly to Grand Central in New York City. The compilation includes negative as well as positive views.

The dictionary section has more than 1,000 cross-referenced entries on plays, playwrights, directors, designers, actors, critics, producers, theaters, and terminology.

AHA Perspectives Evergreen Farm

Otto Preminger (1905–1986), whose Hollywood career spanned the 1930s through the 1970s, is popularly remembered for the acclaimed films he directed, among which are the classic film noir *Laura*, the social-realist melodrama *The Man with the Golden Arm*, the CinemaScope musical *Carmen Jones*, and the riveting courtroom drama *Anatomy of a Murder*. As a screen actor, he forged an indelible impression as a sadistic Nazi in Billy Wilder's *Stalag 17* and as the diabolical Mr. Freeze in television's *Batman*. He is remembered, too, for drastically transforming Hollywood's industrial practices. With *Exodus*, Preminger broke the Hollywood blacklist, controversially granting screen credit to Dalton Trumbo, one of the exiled "Hollywood Ten." Preminger, a committed liberal, consistently shattered Hollywood's conventions. He routinely tackled socially progressive yet risqué subject matter, pressing the Production Code's limits of permissibility. He mounted Black-cast musicals at a period of intense racial unrest. And he embraced a string of other taboo topics—heroin addiction, rape, incest, homosexuality—that established his reputation as a trailblazer of adult-centered storytelling, an enemy of Hollywood puritanism, and a crusader against censorship. *Otto Preminger: Interviews* compiles nineteen interviews from across Preminger's career, providing fascinating insights into the methods and mindset of a wildly polarizing filmmaker. With remarkable candor, Preminger discusses his filmmaking practices, his distinctive film style, his battles against censorship and the Hollywood blacklist, his clashes with film critics, and his turbulent relationships with a host of well-known stars, from Marilyn Monroe and Frank Sinatra to Jane Fonda and John Wayne.

Brother, I'm Dying Hal Leonard Corporation

In its third edition, this massive reference work lists the final resting places of more than 14,000 people from a wide range of fields, including politics, the military, the arts, crime, sports and popular culture. Many entries are new to this edition. Each listing provides birth and death dates, a brief summary of the subject's claim to fame and their burial site location or as much as is known. Grave location within a cemetery is provided in many cases, as well as places of cremation and sites where ashes were scattered. Source information is provided.

Gadsby University Press of Kentucky

In the mid-1980s, Amy Tan was a successful but unhappy corporate speechwriter. By the end of the decade, she was perched firmly atop the best-seller lists with *The Joy Luck Club*, with more popular novels to follow. Tan's work—once pigeonholed as ethnic literature—resonates with universal themes that cross cultural and ideological boundaries, and prove wildly successful with readers of all stripes. Tender, sincere, complex, honest and uncompromising in its portrayal of Chinese culture

and its affect on women, Amy Tan's work earned her both praise and excoriation from critics, adoration from fans, and a place as one of America's most notable modern writers. This reference work introduces and summarizes Amy Tan's life, her body of literature, and her characters. The main text is comprised of entries covering characters, dates, historical figures and events, allusions, motifs and themes from her works. The entries combine critical insights with generous citations from primary and secondary sources. Each entry concludes with a selected bibliography. There is also a chronology of Tan's family history and her life. Appendices provide an overlapping timeline of historical and fictional events in Tan's work; a glossary of foreign terms found in her writing; and a list of related writing and research topics. An extensive bibliography and a comprehensive index accompany the text.

Harper's Weekly Univ. Press of Mississippi

Example in this ebook The entire manuscript of this story was written with the E type-bar of the typewriter tied down; thus making it impossible for that letter to be printed. This was done so that none of that vowel might slip in, accidentally; and many did try to do so! There is a great deal of information as to what Youth can do, if given a chance; and, though it starts out in somewhat of an impersonal vein, there is plenty of thrill, rollicking comedy, love, courtship, marriage, patriotism, sudden tragedy, a determined stand against liquor, and some amusing political aspirations in a small growing town. In writing such a story,—purposely avoiding all words containing the vowel E, there are a great many difficulties. The greatest of these is met in the past tense of verbs, almost all of which end with "—ed." Therefore substitutes must be found; and they are very few. This will cause, at times, a somewhat monotonous use of such words as "said;" for neither "replied," "answered" nor "asked" can be used. Another difficulty comes with the elimination of the common couplet "of course," and its very common connective, "consequently;" which will, unavoidably cause "bumpy spots." The numerals also cause plenty of trouble, for none between six and thirty are available. When introducing young ladies into the story, this is a real barrier; for what young woman wants to have it known that she is over thirty? And this restriction on numbers, of course taboos all mention of dates. Many abbreviations also must be avoided; the most common of all, "Mr." and "Mrs." being particularly troublesome; for those words, if read aloud, plainly indicate the E in their orthography. As the vowel E is used more than five times oftener than any other letter, this story was written, not through any attempt to attain literary merit, but due to a somewhat balky nature, caused by hearing it so constantly claimed that "it can't be done; for you cannot say anything at all without using E, and make smooth continuity, with perfectly grammatical construction—" so 'twas said. Many may think that I simply "drop" the E's, filling the gaps with apostrophes. A perusal of the book will show that this is not so. All words used are complete; are correctly spelled and properly used. This has been accomplished through the use of synonyms; and, by so twisting a sentence around as to avoid ambiguity. The book may prove a valuable aid to school children in English composition. People, as a rule, will not stop to realize what a task such an attempt actually is. As I wrote along, in long-hand at first, a whole army of little E's gathered around my desk, all eagerly expecting to be called upon. But gradually as they saw me writing on and on, without even noticing them, they grew uneasy; and, with excited whisperings amongst themselves, began hopping up and riding on my pen, looking down constantly for a chance to drop off into some word; for all the world

like sea-birds perched, watching for a passing fish! But when they saw that I had covered 138 pages of typewriter size paper, they slid off onto the floor, walking sadly away, arm in arm; but shouting back: "You certainly must have a hodge-podge of a yarn there without Us! Why, man! We are in every story ever written, hundreds of thousands of times! This is the first time we ever were shut out!" Pronouns also caused trouble; for such words as he, she, they, them, theirs, her, herself, myself, himself, yourself, etc., could not be utilized. But a particularly annoying obstacle comes when, almost through a long paragraph you can find no words with which to continue that line of thought; hence, as in Solitaire, you are "stuck," and must go way back and start another; which, of course, must perfectly fit the preceding context. To be continue in this ebook

The train taking nineteen-year-old teacher Christy Huddleston from her home in Asheville, North Carolina, might as well be transporting her to another world. The Smoky Mountain community of Cutter Gap feels suspended in time, trapped by poverty, superstitions, and century-old traditions. But as Christy struggles to find acceptance in her new home, some see her — and her one-room school — as a threat to their way of life. Her faith is challenged and her heart is torn between two strong men with conflicting views about how to care for the families of the Cove. Yearning to make a difference, will Christy's determination and devotion be enough?
