### Love & Death Anchor

Joyce Herr started a new chapter in her life in March of 2017 when she was diagnosed with cancer. At times, this experience led her through some deep valleys with dark and threatening shadows. She found herself in need of courage and a source of strength beyond her own to be able to press on. In Praising God in the Valley,

Herr shares her story telling about the challenges she faced, the hope and peace God gave her, the many lessons God taught her through cancer that ultimately enriched her life, and other unexpected blessings of the journey. Praising God in the Valley helps you realize how God can use cancer and other adversity to bless you and prepare you to be an ambassador for Him, to bear witness of His love and sustaining strength in your trials in a world that asks: "What difference

does it make to be a Christian?" "If God is so good, why do bad things happen to good people?"; and "How can I know for sure I'm going to heaven when I die?" Herr insists that when you discover the courage, strength, peace, and hope God provides, you, too, will be able to praise God in the valley.

Life is a journey of joyful moments and painful moments, including twists and turns that threaten to undo us. But if we allow God to work through the joy and the pain, that journey can lead to the life-sustaining richness of His Grace and an intimate relationship with Him. That truth is the core of international speaker and teacher Darlene Sala's

new women's devotional, *Journey into Grace*. With Darlene's heartfelt voice alongside two coauthors, including her daughter, Bonnie, the 150 readings explore themes such as fear, forgiveness, learning, loving, prayer, and relationships. This book offers women quiet moments with God as they bring their real life challenges to His feet.

A personal, moving, and vibrant picture of one of the most beautiful and troubled places in the world, described through the experiences of one family, whose fortunes have changed dramatically with those of the region. If there is a paradise on earth, it is definitely here, here and only here," said the early seventeenth-century Mughal Emperor Jehangir when describing the Kashmir Valley. But for

nearly twenty years this delicate mountain region has been torn by a brutal conflict that has pitched idealism against Islamist militancy and military crackdown. In the tradition of Ryszard Kapuscinski, this is an intimate story told by the author, journalist, and aid worker Justine Hardy. Having lived and worked in Kashmir for many years, she draws the reader beyond the headlines into the world of *In the Valley of Mist*. A family portrait, the book describes a unique and

gentle culture that has been shattered by the impact of insurgency, repression, and Islamic extremism in a place once famous for the warmth between its Hindu and Muslim residents. "If you want people to know do not tell stories that will make them hold their breath like in a made-up film. Tell them the truth. It is strong enough," she was told when she asked permission of her Kashmiri friends to tell this story. Revealing and disturbing, In the Valley of Mist paints Kashmir as the

template for the changing face of Islam.

Valleys are considered in life, especially in the Christian faith, to be circumstances where faith is tested through challenges in ones path or unexpected life changes that warrant a reliance on Gods loving protection. Author Dr. Kiana Nichelle Brown can relate to this truth in many ways: starting with her abusive childhood to a tumultuous marriage to single parenting to facing

gender discrimination in the armed forces. These events were only enhanced by the constant ridicule she received for being an African American who seemed, to other African Americans, more Caucasian than her true race. However, despite the turmoil she has endured throughout her life, Dr. Brown sees that God has had His guiding hands leading her through each challenge and teaching her about His glory with each situation. Her new autobiography, Shelter Through the

Valley: A Life in Gods Hands, presents to readers Dr. Browns story in chronological order, revealing the obstacles she had to overcome from loved ones and coworkers who defined who she became. Her life has been dominated by four major themes: childhood abuse, single motherhood, womanhood, and race. These are themes that she has tried to explore in the pages of this book by looking at her journey from a poor neighborhood in Texas to the Korean peninsula during her time

as an officer in the armed forces. That journey taught her to live as a proud black woman and single mother. Shelter Through the Valley epitomizes the persistent plight of a woman determined to not be intimidated by others, especially those she loved, while setting an example that her daughter will be able to follow. The sharing of her life story presents herself as a woman who knew that God had more planned for her life, going on to achieve great

dreams in academics, leadership achievements, and parenting.

"By patient accumulation

of anecdote and detail, Rustad evolves Shetler's story into something much more human, and humanly tragic, into a layered inquisition and a reportorial force....suffice it to say Rustad has done what the best storytellers do: tried to track the story to its last twig and then stepped aside." —New York Times Book Review

In the vein of Jon Krakauer's *Into the Wild*, a riveting work of narrative nonfiction centering on the unsolved disappearance of an American backpacker in

India—one of at least two dozen tourists who have met a similar fate in the remote and storied Parvati Valley. For centuries, India has enthralled westerners looking for an exotic getaway, a brief immersion in yoga and meditation, or in rare cases, a true pilgrimage to find spiritual revelation. Justin Alexander Shetler, an inveterate traveler trained in wilderness survival, was one such seeker. In his early thirties Justin Alexander Shetler, quit his job at a tech

startup and set out on a global journey: across the United States by motorcycle, then down to South America, and on to the Philippines, Thailand, and Nepal, in search of authentic experiences and meaningful encounters, while also documenting his travels on Instagram. His enigmatic character and magnetic personality gained him a devoted following who lived vicariously through his adventures. But the ever restless explorer was driven to pursue ever greater challenges, and

greater risks, in what had become a personal quest—his own hero’s journey. In 2016, he made his way to the Parvati Valley, a remote and rugged corner of the Indian Himalayas steeped in mystical tradition yet shrouded in darkness and danger. There, he spent weeks studying under the guidance of a sadhu, an Indian holy man, living and meditating in a cave. At the end of August, accompanied by the sadhu, he set off on a “spiritual journey” to a holy lake—a journey from

which he would never return. Lost in the Valley of Death is about one man’s search to find himself, in a country where for many westerners the path to spiritual enlightenment can prove fraught, even treacherous. But it is also a story about all of us and the ways, sometimes extreme, we seek fulfillment in life. Lost in the Valley of Death includes 16 pages of color photographs.

There is nothing more important in this life or the one to come than an intimate connection with Jesus. Unfortunately, we have thousands of voices

distracting us, and all too often we listen to them. We confuse proximity to God with intimacy with God and are content with a Christian-branded life yet miss out on what we were created for: knowing God intimately. Sharing the touching story of a demon-possessed man who had every reason to run the other way when he encountered Jesus, Heath Adamson shows us how spiritual hunger can overcome our hopelessness, our shame, and our excuses. He encourages us to pursue

God regardless of where we've been or where we are, seeing our salvation as a doorway. Once we walk through it, we can discover the love of God in a tangible way. This book is for anyone who longs for a deeper connection to God, who has felt far from peace and hope, and who needs the assurance that God is both interested in who they are and accepts them.

On February 4, 2008, Forrest Church sent a

letter to the members of his congregation, informing them that he had terminal cancer but promising to sum up his thoughts on the topics that had been so pervasive in his work-love and death. The goal of life, Church tells us, "is to live in such a way that our lives will prove worth dying for." This moving book is imbued with ideas and exemplars for achieving that goal.

The bestselling guide to the healing wisdom of the

Twenty-Third Psalm—from the beloved author of *When Bad Things Happen to Good People*. "A book worthy of attention from people of all faiths." —The Dallas Morning News

Rabbi Harold Kushner has found that the simple, beautiful verses of perhaps the most memorable and cherished chapter of the Bible—full of honesty and optimism—have an almost magical power to comfort and calm—and to change your life. The psalm does not pretend that life is ever easy, but

it offers a masterful guide to living in the world with faith and courage. Drawing on over forty years of his own thinking, on other biblical scholars, and on history, Kushner gracefully demonstrates how this sustaining work can help us cope with every aspect of life, from mundane jealousies to the death of a loved one to unimaginable tragedies of global proportions.

Welcome to Grace Valley, California— where blood runs thicker...ties are stronger...and love is all the more sweet. But visitors don't always see what lies at the heart of a community. Or just beyond... June Hudson grew up in Grace Valley,

the daughter of the town doctor. Leaving only to get her medical training, she returned home and followed in her father's footsteps. Some might say she chose the easy, comfortable route...but June knows better. For June, her emergency room is wherever she's needed—or wherever a patient finds her. She is always on call, her work is her life and these people are her extended family. Which is a good thing, since this is a town where you should have picked your husband in the ninth

grade. Grace Valley is not exactly the place to meet eligible men—until an undercover DEA agent suddenly starts appearing at all sorts of strange hours. Everybody has secrets down in the valley. Now June has one of her own.

In 2003, Cox was leading a normal life and experiencing no health problems. He had a successful law practice, was actively involved in sports such as tennis and golf, and was an avid

outdoorsman. He and his wife were empty nesters and now had time to travel. As he was undergoing his annual physical checkup, he noticed the doctor listening more intently to his heartbeat. After several tests, the doctor delivered a shocking diagnosis""You have a serious heart murmur caused by a defective valve that can only be treated through open heart surgery." During the next several weeks as he prepared for his surgery, his faith was challenged,

and his prayer life shifted into a higher gear. Days after his surgery, Cox awoke in his dimly lit hospital room, not knowing where he was or why he was in the hospital. As his wife explained to him his situation and condition, he lay back into his bed, and as tears filled his eyes, he thanked God for answered prayers and drifted off to sleep reciting Psalm 23. This experience brought to life verse 4 of the most quoted Psalm and ushered the author safely through his valley

of the shadow of death, which in his case was a serious illness. All human beings will face and endure the difficulties of many sorts and proportions. Ultimately, we will all face physical death. The Christian, by virtue of his or her faith, will not go through these trials alone. God is near and will walk with us through whatever valley we may find ourselves in. It is when we are face to face with the shadow of death that we must deepen our trust in God and find comfort in his

presence.

**The Valley of the Shadow of Death** Simon and Schuster

A lyrical and poignant gift from one of America's great storytellers. On a sunny summer day in 1948, Noah Locke arrives in Bowerstown, a small North Carolina community bordered by lakes and set deep in the Valley of Light. A quiet, simple man and a war veteran, Noah has a mystical gift for fishing, yet he remains haunted by the war and by the terrible scenes he witnessed when his

infantry unit liberated Dachau. His wandering -- doing odd jobs and catching fish for sale or trade -- is both an escape from his past and a search for a place to call home. In the valley, Noah is initially treated with amusement by the locals he meets at Taylor Bowers's general store -- until he begins fishing. Once they see his almost magical skills, however, he becomes the talk of the valley and is urged to stay long enough to participate in the annual school fishing contest. He

agrees, accepting a job offer by Taylor to paint his store when he isn't filling orders for fish. He finds lodging in an abandoned shack by a small lake the locals call the Lake of Grief and, also, the Lake of No Fish, because they think all the fish have disappeared. Noah knows they are wrong. Beneath the water is a warrior bass waiting to test Noah's gift. In the way that innocence creates powerful events, Noah meets Eleanor Cunningham, a young widow whose husband supposedly killed himself

after returning home from the war. Over the course of a week, Noah will be led into the secret lives of the residents of the Valley of Light, will join them as they mourn a tragedy, and will experience a miracle that will guide him home at last. Luminous, memorable, and deeply moving, *The Valley of Light* is the finest work to date from a brilliant storyteller.
