Euro Horror Mimesis

"Klein has spent two decades studying political shocks, climate change, and 'brand bullies.' From this unique perspective, she argues that Trump is not an aberration but a logical extension of the worst, most dangerous trends of the past half-century--the very conditions that have unleashed a rising tide of white nationalism the world over. It is not enough, she tells us, to merely resist, to say 'no.' Our historical moment demands more: a credible and inspiring 'yes,' a roadmap to reclaiming the populist ground from those who would divide us"--Amazon.co

Hope in the Dark Bloomsbury Publishing

"I don't want you to rehabilitate me," Philip Roth said to his only authorized biographer, Blake Bailey. "Just make me interesting." Granted complete independence and access, Bailey spent almost ten years poring over Roth's personal archive, interviewing his friends, lovers, and colleagues, and listening to Roth's own breathtakingly candid confessions. Cynthia Ozick, in her front-page rave for the New York Times Book Review, described Bailey's monumental biography as "a narrative masterwork ... As in a novel, what is seen at first to be casual chance is revealed at last to be a steady and powerfully demanding drive. ... under Bailey's strong light what remains on the page is one writer's life as it was lived, and--almost--as it was felt." Though Roth is generally considered an autobiographical novelist--his alter-egos include not only the Roth-like writer Nathan Zuckerman, but also a recurring character named Philip Roth--relatively little is known about the actual life on which so vast an oeuvre was supposedly based. Bailey reveals a man who, by design, led a highly compartmentalized life: a tireless champion of dissident writers behind the Iron Curtain on the one hand, Roth was also the Mickey Sabbath-like roué who pursued scandalous love affairs and aspired "[t]o affront and affront and affront till there was no one on earth unaffronted"--the man who was pilloried by his second wife, the actress Claire Bloom, in her 1996 memoir, *Leaving a Doll's House*. Towering above it all was Roth's achievement: thirty-one books that give us "the truest picture we have of the way we live now," as the poet Mark Strand put it in his remarks for Roth's Gold Medal at the 2001 American Academy of Arts and Letters ceremonial. Tracing Roth's path from realism to farce to metafiction to the tragic masterpieces of the American Trilogy, Bailey explores Roth's engagement with nearly every aspect of postwar American culture.

Meccanicismo McFarland

In twenty short books, Penguin brings you the classics of the environmental movement. In *Hot Money* Naomi Klein lays out the evidence that deregulated capitalism is waging war on the climate, and shows that, in order to stop the damage, we must change everything we think about how our world is run. Over the past 75 years, a new canon has emerged. As life on Earth has become irrevocably altered by humans, visionary thinkers around the world have raised their voices to defend the planet, and affirm our place at the heart of its restoration. Their words have endured through the decades, becoming the classics of a movement. Together, these books show the richness of environmental thought, and point the way to a fairer, saner, greener world.

Desdemona Bold Type Books

The bible of B-movies is back--and better than ever! From Abby Zontar, this book covers more than 9,000 amazing movies--from the turn of the century right up to today's Golden Age of Video--all described with Michael Weldon's dry wit. More than 450 rare and wonderful illustrations round out this treasure trove of cinematic lore--an essential reference for every bad film fan.

Tonino Valerii Routledge

Tonino Valerii is one of Italy's best genre film directors. Starting out as Sergio Leone's assistant on *For a Few Dollars More* (1965), he went on to direct spaghetti westerns that stand out among the most accomplished in their class--*Day of Anger* (1967), *The Price of Power* (1969), *A Reason to Live, a Reason to Die!* (1972) and *My Name Is Nobody* (1973). He also directed the outstanding giallo *My Dear Killer* (1972). This book examines Valerii's life and career in depth for the first time, with exclusive interviews with the filmmaker, scriptwriters and actors, and critical analysis of his films.

Fences and Windows Atheneum Books for Young Readers

Widely regarded as the most comprehensive comparative foreign policy text, *Foreign Policy in Comparative Perspective* has been completely updated in this much-anticipated second edition. Exploring the foreign policies of thirteen nations--both major and emerging players, and representing all regions of the

world--chapter authors link the study of international relations to domestic politics, while treating each nation according to individual histories and contemporary dilemmas. The book's accessible theoretical framework is designed to enable comparative analysis, helping students discern patterns to understand why a state acts as it does in foreign affairs.

The Man Who Couldn't Stop Macmillan

Il XXI secolo si sta rivelando marcato dall'aumento delle disuguaglianze sociali, da guerre di ogni genere, dalle conseguenze devastanti del cambiamento climatico, nonché dall'ascesa di partiti conservatori e reazionari, i quali a loro volta stanno intensificando - cando tali fenomeni: questo è il volto tangibile dell'Antropocene, qui inteso come l'aumento dell'entropia termodinamica, biologica e dell'informazione causato dalle attività umane. È in tale contesto di urgenza che nasce il Collettivo Internation, guidato dal grande fi filosofo francese Bernard Stiegler, che in questo libro analizza i concetti di entropia e località. Abbandonata spesso nel ripostiglio dei principi politici, la località - da non confondersi con il localismo delle retoriche sovraniste - oggi può essere la chiave per ripensare la ricerca e il sapere, la collettività, la tecnologia e la politica, in direzione ostinata e contraria rispetto al processo che ha condotto all'Antropocene.

A Glossary of Tudor and Stuart Words Stanford University Press

Kingsley's historical romance of the Spanish Main, first published in 1855. From the coral reefs of the Barbados to the jungles and fabled cities of the Orinoco and on to the great sea battle with the Spanish Armada, this vibrant novel captures the daring spirit of Elizabethan adventurers who sailed with Sir Francis Drake. Contains a table of contents and listing of illustrations.

Migritude Kaya

Available for the first time in English, this book examines and reinterprets class struggle within Marx and Engels' thought. As Losurdo argues, class struggle is often misunderstood as exclusively the struggle of the poor against the rich, of the humble against the powerful. It is an interpretation that is dear to populism, one that supposes a binary logic that closes its eyes to complexity and inclines towards the celebration of poverty as a place of moral excellence. This book, however, shows the theory of class struggle is a general theory of social conflict. Each time, the most adverse social conflicts are intertwined in different ways. A historical situation always emerges with specific and unique characteristics that necessitate serious examination, free of schematic and biased analysis. Only if it breaks away from populism can Marxism develop the ability to interpret and change the world.

The Battle for Paradise Haymarket Books

"Lo stato di shock subentra quando si spalanca un baratro tra i fatti e la nostra capacità iniziale di spiegarli. Tantissimi di noi, quando si trovano in una situazione del genere, diventano vulnerabili alle autorità o alle figure autoritarie." L'elezione di Donald Trump segna una pericolosa crescita di tensione in un mondo sempre più afflitto dalla crisi della politica. Secondo Naomi Klein, sbaglia chi considera un caso soltanto americano il programma del nuovo presidente. Trump rappresenta un fenomeno globale, una tendenza già presente in tutte le democrazie occidentali. Una visione distorta della politica che ha la potenza di un brand. E che sarà ben presto all'origine di una catena di crisi in economia, nella sicurezza nazionale e per l'ambiente. Il fenomeno Trump non è un'aberrazione, quanto la logica estensione degli orientamenti politici ed economici più pericolosi dell'ultimo mezzo secolo.

Shock politics. L'incubo Trump e il futuro della democrazia Canongate Books

This is the story of John Self, consumer extraordinaire. Ceaselessly inventive and savage, this is a tale of life lived without restraint; of money, the terrible things it can do and the disasters it can precipitate.

Il futuro di ieri Mimesis

Sixteen of his former colleagues and students join in this volume in honoring Walter Silz. Concentrating on a single theme--the German drama--this volume contains essays and interpretations of plays ranging from Hrotsvit von Gandersheim to Bertolt Brecht. Eight of the sixteen essays deal with dramas from the area of Silz's main concentration--the nineteenth century. Also included are a tribute to Silz and a bibliography of his writings.

Necessary Trouble Simon and Schuster

Beginning in the 1950s, "Euro Horror" movies materialized in astonishing numbers from Italy, Spain, and France and popped up in the US at rural drive-ins and urban grindhouse theaters such as those that once dotted New York's Times Square. Grier, sexier, and stranger than most American horror films of the time, they

were embraced by hardcore fans and denounced by critics as the worst kind of cinematic trash. In this volume, Olney explores some of the most popular genres of Euro Horror cinema--including giallo films, named for the yellow covers of Italian pulp fiction, the S&M horror film, and cannibal and zombie films--and develops a theory that explains their renewed appeal to audiences today.

Foreign Policy in Comparative Perspective Springer Nature
Zombie Movies is an essential purchase for all those who love (or fear) horror cinema's most popular and terrifying creation. This thorough and authoritative yet uproarious guide • reviews and rates nearly 300 zombie films--from Bela Lugosi's *White Zombie* (1932) to George A. Romero's *Diary of the Dead* (2008) • traces the evolution of the zombie over the decades, from voodoo slave to brain-eating undead to raging infected • lays out what makes a zombie a zombie, as opposed to a ghost, ghoul, vampire, mummy, pod person, rabid sicko, or Frankenstein's monster • includes a detailed and chilling journal from the filming of *Land of the Dead* • lists the oddest and most gruesome things ever seen in undead cinema • covers not only mainstream American movies but also small independent productions, Spanish and Italian exploitation pictures, and bizarre offerings from Japan and Hong Kong • provides a detailed rundown of the 25 greatest zombie films ever made • features in-depth interviews with actors, directors, makeup effects wizards, and other zombie experts For serious fans and casual moviegoers alike, *Zombie Movies* will provide plenty of informative and entertaining brain food.

In Defense of Julian Assange Penguin UK

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them--and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." --The Guardian "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." --Bill McKibben, New York Times bestselling author of *Falter* "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." --The New Yorker

The Psychology of Political Behavior in a Time of Change Random House

The U.S. debut of internationally acclaimed poet and performance artist Shailja Patel, *Migritude* is a tour-de-force hybrid text that confounds categories and conventions. Part poetic memoir, part political history, *Migritude* weaves together family history, reportage and monologues to create an achingly beautiful portrait of women's lives and migrant journeys undertaken under the boot print of Empire. Patel, who was born in Kenya and educated in England and the U.S., honed her poetic skills in performances of this work that have received standing ovations throughout Europe, Africa and North America. She has been described by the *Gulf Times* as "the poetic equivalent of Arundhati Roy" and by CNN as "the face of globalization as a people-centered phenomenon of migration and exchange." *Migritude* includes interviews with the author, as well as performance notes and essays.

Class Struggle Vintage Canada

A hilarious, action-packed look at the apocalypse that combines a touching tale of friendship, a thrilling war story, and an all out kung-fu infused mission to save the world. "A flat-out ferociously good novel.... Reads like a surrealist smashup of Pynchon and Pratchett, Vonnegut and Heller." --Austin Chronicle
Gonzo Lubitch and his best friend have been inseparable since birth. They grew up together, they studied kung-fu together, they rebelled in college together, and they fought in the Go Away War together. Now, with the world in shambles and dark, nightmarish clouds billowing over the wastelands, they have been tapped for an incredibly perilous mission. But they quickly realize that this

assignment is more complex than it seems, and before it is over they will have encountered everything from mimes, ninjas, and pirates to one ultra-sinister mastermind, whose only goal is world domination.

Westward Ho! Crown

Una delle domande fondamentali attorno cui ruota Guerra all'Occidente è: «Se la storia dell'umanità è fatta di schiavitù, conquiste, pregiudizi, genocidio e sfruttamento, perché solo le nazioni occidentali se ne prendono la colpa?» Gli aspetti identitari dei paesi occidentali sono alla gogna. La tradizione giudaico-cristiana si trova sotto attacco e subisce costanti diffamazioni. Lo stesso può dirsi per la tradizione del secolarismo e dell'Illuminismo, radici di tanta qualità politica, scientifica e artistica. Attraverso questo saggio l'autore di bestseller internazionali Douglas Murray propone un'incisiva decostruzione di argomenti incoerenti e attivismo ipocrita, spiegando come l'antirazzismo rischi di diventare un'arma di distruzione di massa e innescando una polemica essenziale e urgente che lo consolida come uno dei principali autori politici del mondo.

No is Not Enough University of North Carolina S

Fearless necessary reporting . . . Klein exposes the 'battle of

utopias' that is currently unfolding in storm-ravaged Puerto Rico" (Junot Díaz, author of *The Brief Wondrous Life of Oscar Wao*) "We are in a fight for our lives. Hurricanes Irma and María unmasked the colonialism we face in Puerto Rico, and the inequality it fosters, creating a fierce humanitarian crisis. Now we must find a path forward to equality and sustainability, a path driven by communities, not investors. And this book explains, with careful and unbiased reporting, only the efforts of our community activists can answer the paramount question: What type of society do we want to become and who is Puerto Rico for?"

—Carmen Yulín Cruz, Mayor of San Juan, Puerto Rico In the rubble of Hurricane Maria, Puerto Ricans and ultrarich "Puertopians" are locked in a pitched struggle over how to remake the island. In this vital and startling investigation, bestselling author and activist Naomi Klein uncovers how the forces of shock politics and disaster capitalism seek to undermine the nation's radical, resilient vision for a "just recovery." All royalties from the sale of this book in English and Spanish go directly to JunteGente, a gathering of Puerto Rican organizations resisting disaster capitalism and advancing a fair and healthy recovery for their island. "Klein chronicles the extraordinary grassroots resistance

by the Puerto Rican people against neoliberal privatization and Wall Street greed in the aftermath of the island's financial meltdown, of hurricane devastation, and of Washington's imposition of an outside control board over the most important U.S. colony." —Juan González, cohost of Democracy Now! and author of *Harvest of Empire: A History of Latinos in America* *Hot Money* Other Press, LLC

The story of Desdemona from Shakespeare's *Othello* is reimagined by Nobel Prize laureate Toni Morrison, Malian singer and songwriter Rokia Traoré, and acclaimed stage director Peter Sellars. Morrison's response to *Othello* is an intimate dialogue of words and music between Desdemona and her African nurse Barbary. Morrison gives voice and depth to the female characters, letting them speak and sing in the fullness of their hearts. Desdemona is an extraordinary narrative of words, music and song about Shakespeares doomed heroine, who speaks from the grave about the traumas of race, class, gender, war and the transformative power of love. Toni Morrison transports one of the most iconic, central, and disturbing treatments of race in Western culture into the new realities and potential outcomes facing a rising generation of the 21st century.
