In this whip-smart and timely novel from acclaimed author Kimmerly Martin, two doctors travel a surprising path when they must choose between treating their patients and keeping their jobs. Georgia Brown's profession as a urologist requires her to interact with plenty of naked men, but her romantic prospects have fizzled. The most important person in her life is her friend Jonah Tsukada, a funny, empathetic family medicine doctor who works at the same hospital in Charleston, South Carolina and who has become as

close as family to her. Just after Georgia leaves the country for a medical conference, Jonah shares startling news. The hospital is instructing doctors to stop providing medical care for transgender patients. Jonah, a gay man, is the first to be fired when he refuses to abandon his patients. Stunned by the predicament of her closest friend, Georgia's natural instinct is to fight alongside him. But when her attempts to address the situation result in incalculable harm, both Georgia and Jonah find themselves facing the loss of much more than their careers.

To the unstudied eye, St. Matthew's gospel can seem a terse narrative, almost a historical document and not the tremendously spiritual (and doctrinal) storehouse that it is. In his second volume of meditations on Matthew (chapters 12-18), Erasmo Leiva shows Matthew's prose to be not terse so much as economical astoundingly so given its depth. The lay reader can derive great profit from reading this. Each short meditation comments on a verse or two, pointing to some facet of the text not immediately apparent, but rich with meaning. Leiva's work is scholarly but eminently approachable by the lay reader. The goal of the book is to help the reader experience the heat of the divine heart/the light of the divine Word. Leiva comments on the Greek text, demonstrating nuances in the text that defy translation. He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God. His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus.

To the unstudied eye, St. Matthew's gospel can seem a terse narrative, almost a historical document and not the tremendously spiritual (and doctrinal) storehouse that it is. In his third volume of meditations on Matthew (chapters 19-25), Erasmo Leiva continues to show Matthew's prose to be not terse so much as economical--astoundingly so given its depth. The lay reader can derive great profit from reading this. Each short meditation comments on a verse or two, pointing to some facet of the text not immediately apparent, but rich with meaning. Leiva's work is scholarly but eminently approachable by the lay reader. The tone is very much of "taste and see

how good the Lord is" and an invitation of "friend, come up higher!." The goal of the book is to help the reader experience the heat of the divine heart and the light of the divine Word. Leiva comments on the Greek text, demonstrating nuances in the text that defy translation. He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God. From telemarketers to traffic jams to twenty-item shoppers in the ten-item line, our lives are full of interruptions. They're often aggravating, sometimes infuriating, and can make us want to tell people what we really think about them. But they also tell us something quite important about ourselves. The prophet Jonah's life was interrupted by a clear call of God that made him mad enough and scared enough to run in the completely opposite direction. Yet it wasn't really an interruption. It was an opportunity for Jonah to be involved in something the likes

of which the Old Testament world had never seen: national revival in a Gentile country. What if Jonah had seen God's interruption for what it truly was—a divine intervention that held more adventure and possibility than any other thing he could have been doing at the time? What could have felt any better than being directly in the center of God's will? Yet we play it that same way—always running from major pains and minor problems that just don't seem to suit us at the time. Who knows what we're missing by being so interruption avoidant? In this very personal account of opportunities lost and lessons learned, popular conference speaker and author Priscilla Shirer shows how to embrace the amazing freedom and fulfillment that comes from going with God, even when He's going against your grain. .

Annie's heart is where her home is. After the deaths of both her husband and papa, Annie Martin is left with nothing of their legacy but a small plot of land in Indian Territory. Her place is on the homestead they cherished, and she will not let anyone

Now he is torn between protecting Annie's feelings and protecting his own neck. A false murder charge forced him to flee the army, and the only way to clear his name is to hire a lawyer to defend his case. He needs money, and selling the land may be the only way to get it. Can the two find common ground before something more precious than sod beneath their feet is ripped from their hands?

An angry prophet. A feared and loathsome enemy. A devastating storm. And the surprising message of a merciful God to his people. The story of Jonah is one of the most well-known parables in the Bible. It is also the most misunderstood. Many people, even those who are nonreligious, are familiar with Jonah: A rebellious prophet who defies God and is swallowed by a whale. But there's much more to Jonah's story than most of us realize. In *The Prodigal Prophet*, pastor and New York Times bestselling author Timothy Keller

reveals the hidden depths within the book of Jonah. Keller makes the case that Jonah was one of the worst prophets in the entire Bible. And yet there are unmistakably clear connections between Jonah, the prodigal son, and Jesus. Jesus in fact saw himself in Jonah. How could one of the most defiant and disobedient prophets in the Bible be compared to Jesus? Jonah's journey also doesn't end when he is freed from the belly of the fish. There is an entire second half to his story--but it is left unresolved within the text of the Bible. Why does the book of Jonah end on what is essentially a cliffhanger? In these pages, Timothy Keller provides an answer to the extraordinary conclusion of this biblical parable--and shares the powerful Christian message at the heart of Jonah's story.

The broken heart, by the 'Gospel cottage lecturer'. Palibrio

Jesus demonstrated complete submission to the Father's will to the point of His confident assertion, "I always do those things that please My Father" (John 8:29). He gave Himself in humility at Calvary to satisfy God's wrath against all sin, as well as all sinners, and declared from the cross, "It is finished." He then experienced death

but rose in victory over death, thus proving His claims to divinity and giving to all His spiritual descendants resurrection power for daily living. So what is to be our response to all Christ Jesus is and all that He has suffered and accomplished on our behalf? What should be our life's focus, our objective, our agenda, and our passion? Obedience to the things our Lord and Savior has commanded. Obedience is our duty, to be sure, but it is more than that. It is the way we express our thanksgiving for what Christ has done for us. It is gratefulness lived out on a daily basis. This kind of living involves a consistent orientation toward laying aside personal or selfish desires and agendas that bring us temporal gratification. Instead, we embrace what Jesus Christ tells us to do: to proclaim the gospel of hope to those who know it not. This is the highest expression of gratefulness from a life made new by the living Lord. Your culture, your communities, your friends, your co-workers, and your family members need to hear a word from God. You and I are the delivery persons for God's message. We are the spokespersons for the gospel of Jesus Christ! We are the ones

to whom God has said, "Arise, go to Nineveh." Our Nineveh, dear people of God, is the lost people around us.
