The Modern Proper Turtleback Books  
Micah LeMon had one slight problem when  
he started bartending nearly twenty years  
ago: he had no idea what he was doing.  
Mixology, he came to understand, is based  
on principles that are indispensable but

not widely known. In *The Imbible*, LeMon shares the knowledge he has gained over two decades, so that even beginning bartenders can execute classic cocktails--and riff on those classics to create originals of their own. A good cocktail is never a random concoction. LeMon introduces readers to the principal components of every drink--spirit, sweet, and sour or bitter--and explains the role each plays in bringing balance to a beverage. Choosing two archetypes--the shaken Daiquiri and the stirred Manhattan—he shows how bartenders craft delicious variations by beginning with a good foundation and creatively substituting like ingredients. Lavishly illustrated in color and laid out in an inviting and practical way, *The Imbible* also provides a thorough overview of the bartender's essential tools and techniques and includes recipes for over forty drinks--from well executed classics to original creations exclusive to this book. Both a lesson for beginners and a master class for more experienced bartenders, LeMon's book opens the door to endless variations without losing sight of the true goal--to make a delicious cocktail.

*Catching the Moon* Random House Australia

*Poetry of Days* is a dramatic journal of poems and paintings by Judy A. McNutt. Through her inspirational meditations on the ebb and flow of life, love, happiness, and hope, Judy calls you to stop awhile to reflect and rekindle your soul. *Poetry of Days* unfolds through compelling life encounters, and even a poignant remembrance of radio legend, Paul Harvey. McNutt's meditations, wisdom, and visual renderings are powerfully familiar, yet soft, distinctive and fresh. She finds inspiration in the beauty of her garden, classic poetry and prose, films, spiritual masters and social media. The pages are designed with ample writing space; an invitation for your personal thoughts and reflections. We feel that Judy's work exemplifies the spirit of *Paradigm Journal*, not to mention being something others will undoubtedly find exciting, inspiring, and worthwhile. Matthew Norris, Co-Publisher, *Paradigm Journal* This is a really beautiful book of poetry. Her poems spoke to me on a soul level, and I have nothing but praise for her work. She's done an excellent job here.

Bev Sninchak, Author, editor and writing coach *About the Author: A former radio programmer.*

**Surf Mules** Random House Books for Young Readers

With well over 100,000 copies in print, this classic book for beginning scientists (first published in 2001) has been totally redesigned. Gail Raffu was once a respected racehorse trainer known for her unconventional training methods. The she became part owner of the thoroughbred *Urgent Envoy*, and everything changed. The horse's co-owners pushed Gail to speed up her training methods, and eventually made her race him too early. The horse developed a hairline fracture. One more race would kill him. So on Christmas Eve, Gail stole her own horse. A modern--day outlaw at age 53, Gail learned the law at night while living out of her truck in order to move the horse to safe havens, evade private investigators, and take on a powerful Los Angeles attorney determined to crush her in court. As she stood up for the humane treatment of racing horses, Gail also took on the system that could crush them.

**Prison Island** Rosetta Books

Logan never dreamed he would chop off his surfer shag, put on a Sears suit, and carry a Young Republicans ID card. But he'd rather look like a straight-laced loser than risk attracting any attention. Why? To raise money for college, he's driving nonstop from Cali to Orlando. And he definitely doesn't want anyone sniffing around inside his car.

#### How I Made It to Eighteen Simon and Schuster

After a marijuana-addled brawl with a rival gang, 16-year-old Azael wakes up to find himself surrounded by a familiar set of concrete walls and a locked door. Juvie again, he thinks. But he can't really remember what happened or how he got picked up. He knows his MS13 boys faced off with some punks from Crazy Crew. There were bats, bricks, chains. A knife. But he can't remember anything between that moment and when he woke behind bars. Azael knows prison, and something isn't right about this lockup. No phone call. No lawyer. No news about his brother or his homies. The only thing they make him do is watch some white girl in some cell. Watch her and try to remember. Lexi Allen would love to forget the brawl, would love

for it to disappear back into the Xanax fog it came from. And her mother and her lawyer hope she chooses not to remember too much about the brawl—at least when it's time to testify. Lexi knows there's more at stake in her trial than her life alone, though. She's connected to him, and he needs the truth. The knife cut, but somehow it also connected.

NEW YORK TIMES BEST SELLER •

Celebrated food blogger and best-selling cookbook author Deb Perelman knows just the thing for a Tuesday night, or your most special occasion—from salads and slaws that make perfect side dishes (or a full meal) to savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe. "Innovative, creative, and effortlessly funny." —Cooking Light Deb Perelman loves to cook. She isn't a chef or a restaurant owner—she's never even waitressed. Cooking in her tiny Manhattan kitchen was, at least at first, for special occasions—and, too often, an unnecessarily daunting venture. Deb found herself overwhelmed by the number of recipes available to her. Have you ever searched for the perfect birthday cake on

Google? You'll get more than three million results. Where do you start? What if you pick a recipe that's downright bad? With the same warmth, candor, and can-do spirit her award-winning blog, Smitten Kitchen, is known for, here Deb presents more than 100 recipes—almost entirely new, plus a few favorites from the site—that guarantee delicious results every time. Gorgeously illustrated with hundreds of her beautiful color photographs, The Smitten Kitchen Cookbook is all about approachable, uncompromised home cooking. Here you'll find better uses for your favorite vegetables: asparagus blanketing a pizza; ratatouille dressing up a sandwich; cauliflower masquerading as pesto. These are recipes you'll bookmark and use so often they become your own, recipes you'll slip to a friend who wants to impress her new in-laws, and recipes with simple ingredients that yield amazing results in a minimum amount of time. Deb tells you her favorite summer cocktail; how to lose your fear of cooking for a crowd; and the essential items you need for your own kitchen. From salads and slaws that make perfect side dishes (or a full meal) to

savory tarts and galettes; from Mushroom Bourguignon to Chocolate Hazelnut Crepe Cake, Deb knows just the thing for a Tuesday night, or your most special occasion.

*The Knife and the Butterfly* Zest Books™  
 “Fantastical . . . Through the thoughts of a rare black goat and the couple who adopt it, readers witness famines, death, and moments of beauty.” —National Geographic Longlisted for the National Book Award for Translated Literature As he did in the award-winning *One Part Woman*, Perumal Murugan explores a side of India that is rarely considered in the West: the rural lives of the country’s farming community. He paints a bucolic yet sometimes menacing portrait, showing movingly how danger and deception can threaten the lives of the weakest through the story of a helpless young animal lost in a world it naively misunderstands. As the novel opens, a mysterious stranger offers a farmer in Tamil Nadu a black goat kid who is the runt of the litter, surely too frail to survive. The farmer and his wife take care of the young she-goat, whom they name Poonachi, and soon the little goat is bounding with joy and growing at a rate

they think miraculous for such a small animal. Intoxicating passages from the goat’s perspective offer a bawdy and earthy view of what it means to be an animal and a refreshing portrayal of the natural world. But Poonachi’s life is not destined to be a rural idyll—dangers can lurk around every corner, and may sometimes come from surprising places, including a government that is supposed to protect the weak and needy. Is this little goat too humble a creature to survive such a hostile world? “The title character of Murugan’s elegant new novel is indeed a joy . . . through Poonachi’s tale we are reminded how much bonds us with the animal world.” —USA Today

*The Imbible* Orca Book Publishers  
 “In this category-defying book, Katie Roiphe takes an unexpected and liberating approach to the most unavoidable of subjects: death. She examines the final days of five great writers and artists-- Susan Sontag, Sigmund Freud, John Updike, Dylan Thomas, and Maurice Sendak.” --

*The Day of the Triffids* Carolrhoda Lab®  
 For Calvin Barnes, the only thing that comes close to the rush of playing the

knockout game is watching videos of the knockout game. Calvin's crew always takes videos of their KOs, but Calvin wants more—something better. He thinks if someone could really see the game for what it was, could appreciate it, could capture the essence of it—that would be a video for all time. The world would have to notice. That's where Erica comes in. She's new in town. Awkward. Shy. White. But she's got a good camera and a filmmaker's eye. She could learn. Calvin could open her eyes to the power he sees in the knockout game; he could make her see things his way. But first she'll have to close her eyes to everything else. For a while, Calvin's knockouts are strangers. For a while, Erica can ignore their suffering in the rush of creativity and Calvin's attention. Then comes the KO that forces her eyes open, that makes her see what's really happening. No one wins the knockout game. Coretta Scott King Award honoree G. Neri captures the notorious and terrifying knockout game and its players in an unflinching novel that's hard to read and impossible to put down. *Stand Up, Yumi Chung!* Simon & Schuster  
 Gus, Nellie, and baby Jake visit their

community garden before shopping at the farmer's market and grocery store to gather healthy ingredients that they help prepare for a picnic, in a story that explains the role of nutrition in health.

Long Way Down Candlewick Press

The spirited story of Marcenia Lyle, the African American girl who grew up to become “Toni Stone,” the first woman to play for an all-male professional baseball team.

*The Story of a Goat* Strategic Book Publishing

It's a long, mad ride from Summer Bay! Chicks, babes, cars and music; bored kids and shouting mothers; fathers that suck on a bottle to put themselves to sleep; and TV sets blaring mindlessly. Race tensions are hotting up in Marrickville and the media want a gang war so badly that they nearly start one. As Mitch looks back on his time as former leader of the Tunderjets, he tells the searing story of a scene that in some ways, no matter how hard you try, you can never leave.

**Ghetto Cowboy** Penguin

The classic postapocalyptic thriller with “all the reality of a vividly realized

nightmare” (The Times, London). Triffids are odd, interesting little plants that grow in everyone’s garden. Triffids are no more than mere curiosities—until an event occurs that alters human life forever. What seems to be a spectacular meteor shower turns into a bizarre, green inferno that blinds everyone and renders humankind helpless. What follows is even stranger: spores from the inferno cause the triffids to suddenly take on a life of their own. They become large, crawling vegetation, with the ability to uproot and roam about the country, attacking humans and inflicting pain and agony. William Masen somehow managed to escape being blinded in the inferno, and now after leaving the hospital, he is one of the few survivors who can see. And he may be the only one who can save his species from chaos and eventual extinction . . . With more than a million copies sold, *The Day of the Triffids* is a landmark of speculative fiction, and “an outstanding and entertaining novel” (Library Journal). “A thoroughly English apocalypse, it rivals H. G. Wells in conveying how the everyday invaded by the alien would feel. No wonder Stephen King admires Wyndham

so much.” —Ramsey Campbell “One of my all-time favorite novels. It’s absolutely convincing, full of little telling details, and that sweet, warm sensation of horror and mystery.” —Joe R. Lansdale

Monster: A Graphic Novel University of Virginia Press

Creator of Nick's popular series *Maggie and the Ferocious Beast*, Michael Paraskevas heads to the seashore to introduce a happy-go-lucky heroine who is determined to build the perfect palace of sand. Taffy's pluck is evident as she and her friends make due with a spot on the crowded beach, but when Rollo, the cheery beach ball, is carried off in the style of *Mary Poppins*, via umbrella, Taffy must hurry to rescue him. Fortunately, Bob the inflatable sea serpent is in Taffy's bag, and soon he is tearing down the beach, in hot pursuit. Michael Paraskevas has been a bouyant and cheery presence in the picture book market for over twenty years, and Taffy's bright colors, beautiful seascapes, and colorful characters are sure to please parents and children alike. The Violet Hour Candlewick Press A New York Times bestseller and one of 2019's best-reviewed books, a poetic

memoir and call to action from the award-winning author of *Speak*, Laurie Halse Anderson! Bestselling author Laurie Halse Anderson is known for the unflinching way she writes about, and advocates for, survivors of sexual assault. Now, inspired by her fans and enraged by how little in our culture has changed since her groundbreaking novel *Speak* was first published twenty years ago, she has written a poetry memoir that is as vulnerable as it is rallying, as timely as it is timeless. In free verse, Anderson shares reflections, rants, and calls to action woven between deeply personal stories from her life that she's never written about before. Described as "powerful," "captivating," and "essential" in the nine starred reviews it's received, this must-read memoir is being hailed as one of 2019's best books for teens and adults. A denouncement of our society's failures and a love letter to all the people with the courage to say #MeToo and #TimesUp,

whether aloud, online, or only in their own hearts, SHOUT speaks truth to power in a loud, clear voice-- and once you hear it, it is impossible to ignore.

**Death & Sparkles** Penguin

Two years after choosing his mother in a Christmas-season custody hearing, Truman Capote runs away to spend Christmas in Monroeville, Alabama, with best friend, Nelle Harper Lee, who gives him courage to stay true to himself.

**Poetry of Days** Grove Press

Fresh Off the Boat meets Junie B. Jones in this first novel in an adorable new chapter book series about Mindy Kim, a young Asian American girl who is starting a snack business! Mindy Kim just wants three things: 1. A puppy! 2. To fit in at her new school 3. For her dad to be happy again But, getting all three of the things on her list is a lot trickier than she thought it would be. On her first day of school, Mindy's school snack of dried seaweed isn't exactly popular at the lunch table. Luckily, her new friend, Sally, makes the

snacks seem totally delicious to Mindy's new classmates, so they decide to start the Yummy Seaweed Business to try and raise money for that puppy! When another student decides to try and sabotage their business, Mindy loses more than she bargained for—and wonders if she'll ever fit in. Will Mindy be able to overcome her uncertainty and find the courage to be herself?

**Yummy: The Last Days of a Southside Shorty** Lulu Press, Inc

Learning about opposites has never been more fun - or funny - than with this winning book. Yummy! Spaghetti is yummy, but worms - and blue crayons, and sand, and other things too gross to mention - are definitely yucky when tasted. Amiably illustrated in a bright, graphic style, Leslie Patricelli's spirited book, *Yummy Yucky* stars an obliging, bald, and very expressive toddler who acts out each pair of opposites with comically dramatic effect.
