<i>The Money Book for the Young, Fabulous & Broke</i> Baker Books		droppingly truthful celebration of life with mental illness. 'I loved it. A brilliant fast and funny and frank look at something that absolutely needs to be talked about in this way' Matt Haig Bryony Gordon has OCD. It's the snake in her brain that has told her ever since she was a teenager that her world is about to come crashing down: that her family might die if she doesn't repeat a phrase 5 times, or that she might have murdered someone and forgotten about it. It's caused alopecia, bulimia, and drug dependency. And Bryony is sick of it. Keeping silent about her illness has given it a cachet it simply does not deserve, so here she shares her story with trademark wit and dazzling honesty. A hugely successful columnist for the Telegraph, a bestselling author, and a happily married mother of an adorable daughter, Bryony has managed to laugh and live well while simultaneously grappling with her illness. Now it's time for her to speak out. Writing with her characteristic warmth and dark humour, Bryony explores her relationship with her OCD and depression as only she can. Mad Girl is a shocking, funny, unpredictable, heart-wrenching, raw and jaw-droppingly truthful celebration of life with mental illness.

<i>The Money Book for the Young, Fabulous & Broke</i> Baker Books		Using the baseball analogy that is the woven throughout the book, Wayne Rickman in Fair-to-Fabulous in Fifteen Minutes has hit a homerun! Drawing upon his extensive experience in marketing, sales, coaching, parenting, and life, Mr. Rickman has succeeded where many of his predecessors have not. Fair-to-Fabulous is not only entertaining and inspirational, but it is also educational and useful. Rather than simply relying upon “feel good” stories or “five rules for a lifetime of bliss,” the book employs the use of questions rather than pat answers. By posing carefully crafted sets of basic questions and open lists for the reader to consider and then answer in each chapter, by the end the reader has not only been on an illuminating journey of self-discovery, but even more importantly a clearer path forward towards a more rich and rewarding personal and professional life. It truly does take you around the proverbial bases and by the time you reach home plate, you really do feel “fabulous” about your ability to shape and respond to what the future has in store.
