Lippincott's Review for Medical-Surgical Nursing Certification, Fifth Edition provides the information nurses need to achieve certification in the specialty of medical-surgical nursing. This helpful reference covers the broad range of content found on the actual examinations, including disorders by

body system, such as coronary artery disease, COPD, and diabetes. The product reviews signs and symptoms, diagnostic tests, medical treatments, nursing assessments, and interventions for scores of health problems. Concise refreshers on wound care, perioperative nursing, collaborative practice, nursing research, and legal issues are also included. Review questions after each chapter and an end-of-book posttest help assess the nurse's preparedness for the exam. The book is appropriate for exams of both major certifying bodies: the ANCC and the AMSN.

Lippincott Williams & Wilkins

Lippincott Review for NCLEX-PN, 11E is designed to help pre-licensure nursing students in practical and vocational nursing programs prepare to take the licensing examination. More than 2,000 questions span all areas of nursing practice. Seventeen specialty tests contain questions across all the Client

Need categories of the NCLEX-PN. A two-part Comprehensive Examination contains 263 items--more than the maximum of 205 questions asked on the NCLEX-PN—to provide an outlet for comprehensive review and test practice. Every test section concludes with a review of Correct Answers, Rationales, and Test Taking Strategies. A detailed section of Frequently Asked Questions provides details about the design and process of the NCLEX-PN, as well as tips for students on how to prepare.

Questions fully align with the National Council of State Boards of Nursing (NCSBN) 2017 PN test plan and are written in the style used on the licensing examination, including the use of all the types of alternate-format questions found on the licensing examination. A free trial of PassPoint PN provides book purchasers an opportunity to practice with additional questions and gives a sneak preview of the full PassPoint PN product.
