### Administrative Decisions Under Immigration & Nationality Laws

Since 9/11, a concern has been that terrorists

or their supporters would seek to immigrate to the U.S. (i.e., seek lawful permanent residency (LPR)). The U.S. Citizenship and Immigration Services (USCIS) conducts background checks for those applying for LPR. This report reviews USCIS's processes for screening individuals applying for LPR. The auditor assessed: what data show about the extent to which national security concerns were discovered during USCIS background checks for LPR applications; what issues USCIS has encountered in its background check processes and what actions have been taken to resolve those issues; and the extent to which USCIS has

addressed fraud vulnerabilities in its adjudication procedures for LPR. Illus.

### **Benjamin Disraeli Letters**

This book makes accessible—for the first time in English—declassified archival documents from the former Soviet Union, rabbinic sources, and previously untranslated memoirs, illuminating everyday Jewish life as the site of interaction and negotiation among and between neighbors, society, and the Russian state, from the beginning of the nineteenth century to World War I. Focusing on religion, family, health, sexuality, work, and politics, these documents provide an intimate portrait of the rich diversity of Jewish

life. By personalizing collective experience through individual life stories—reflecting not only the typical but also the extraordinary—the sources reveal the tensions and ruptures in a vanished society. An introductory survey of Russian Jewish history from the Polish partitions (1772–1795) to World War I combines with prefatory remarks, textual annotations, and a bibliography of suggested readings to provide a new perspective on the history of the Jews of Russia.
