Another wonderful ABDL/FemDom novel by accomplished author - Colin Milton Scott and Samantha's marriage was reaching that most treacherous of troubles - complacency. But Samantha was not one to let her relationship perish without trying everything she could. At the suggestion of a friend, Samantha went to www.couplesupport.com, read up on their program and made an appointment for her and Scott. As she found out later, the guiding principle of their counselling was the fact that all men are essentially big 'boys'. But what was truly special was that they understood that some men were little boys and some were really just babies. A wonderful story of reconciliation and success with a very unusual (to other people!) training program.
