Horses & Ponies Simon and Schuster

Color My ABC's and 123's Coloring and Activity Book. Full of Fun Coloring and Learning. Ideal for early toddlers and preschool aged children. Color My ABC's and 123's Coloring Book helps early age and preschool children 3-5 learn fundamental skills like reading and counting through coloring, tracing and pictures. Coloring the alphabets, pictures and numbers by filling in each letter helps reinforce the shapes of ABC's & 123's in your child's mind. The illustrations get progressively more complex to challenge your child's skills. It's easy to learn the Alphabets when each one is associated

with a familiar item. Tracing and practicing the letter and number patterns will also help to reinforce the skills in your child. Color My ABC's and 123's Coloring Book includes pictures to color, alphabets and picture associations, numbers and a few advanced activities like tracing and matching. These illustrations are perfect for building fine motor and recognition skills. BOOK FEATURES 40+ pages of learning with illustrations Illustrations contain Large Alphabets, Pictures & Numbers to color, Pre-writing and Following Directions exercises. The back of each page is left blank to allow for use of markers or for doodling. For toddlers and pre-school children ages 3-5 Book size: 8.5" x 11" pages with glossy cover The last page of Color My ABC's and 123's Coloring Book is the "Great Job! Certificate of Achievement" which you can fill out and present to your child to motivate them to continue the journey of learning. The Color My ABC's and 123's coloring book helps kids learn Alphabets, Numbers and following directions. Illustrations appear in order of increasing difficulty to challenge preschoolers. The Benefits of Coloring Books and Activity Books for Children: A

great way to improve learning. Learning to write by hand and recognize numbers and letters. Coloring the kid friendly illustrations and performing the exercises reinforces motor skills. Fires up specific areas of a child's brain which help in creativity and association. Completing each page provides a sense of achievement building your child's confidence. Using coloring books and activity books is an effective way for your children to learn by having fun coloring the alphabets, pictures of foods, animals and numbers. This coloring and activity book makes a great gift for children on their birthdays, Christmas, Easter or any time.

Creative Teaching Press

HearBuilder® Following Directions Fun Sheets contains hands-on color, cut, and paste activities for students to practice following oral directions with basic concepts. This 210-page reproducible workbook includes five sections: Basic directions (Cover the guitar.) Sequential directions (First color the dog, then color the jump rope.) Quantitative and spatial directions (Cover the third car.) Temporal directions (Put a train in the box before you put a horse in the box.) Conditional directions (If a plane and a doll are in a box, put the box in the toy store.) These worksheets are companion activities to reinforce the tasks in the HearBuilder® Following Directions interactive software program. The sections in the workbook directly correspond to the five activities in the HearBuilder® Following Directions

software. The hands-on activities in this book encourage students to transfer the skills learned on the computer to tasks completed with an adult. Each section contains 20 lessons; two lessons for each objective. The first lesson for each objective uses pictures and vocabulary taken from the HearBuilder® Following Directions software. The second lesson for each objective addresses the same skills using general preschool to third-grade vocabulary. The activities in this book include the following basic concepts: Colors ; red, blue, green, yellow, purple, orange, brown, white Quantities ; one, two, all, both, either, except, or, and, don't, not Sequences ; first, second, third, then, next, last, finally, fourth, fifth Shapes ; circle, square, triangle, star Size ; large, small, long, short Time ; before, after Spatial Relationships and Positions ; first, second, third, last, between, beside, next to, above, below, inside, in front of, on, in, behind Each lesson includes a list of materials needed, the lesson objective, teacher directions, and specific instructions.

Critical Thinking Skills: Following Directions Carson-Dellosa Publishing 2020 Mathical Award Winner Telling a story about pigeons should be simple. But what's a narrator to do when the number of feathered friends is constantly changing? Can our intrepid storyteller use

math facts to keep up with the unstable quantities. . . or is this pigeon-centric tale doomed?

Following Directions Activities for Winter
Henry Holt and Company (BYR)

Comprehension is key to a child's success in school, for reading is more than just recognizing and pronouncing printed words - it involves comprehending the meaning of those words as well. Children can truly read only when they understand the meaning of the words they can pronounce. This workbook provides activities designed to strengthen important comprehension skills including following directions, categorizing, sequencing, finding the main idea, using context, and locating information. Exercises are designed so a child can work with a minimum of supervision in a classroom or at home. Answer keys included.

Color & Fold, Ages 3 - 5 Milliken
Publishing Company
