In 1867, a teacher training school was formed in a leaky railroad boxcar in Blue Island, Illinois. Over the next 150 years, the school grew from a rural county certificate-granting program to Chicago State University (CSU). During the 1930s, CSU was at the forefront of preparing teachers for diverse learners, and by the 1980s, the institution expanded its influence by partnering with international universities. At its inception, there were 13 pupils, and by the mid-1990s, the university had a student body exceeding 8,500 students. As the school grew, so did its influence. Now in the 21st century, CSU has become a hub for education, science and technology, and health professions, offering baccalaureate through doctoral degrees. In addition to academics, the institution has a rich history of student activism, athletics, and cultural activities.

Melanie Hemry and Gina Lynnes share true-life and personal experiences of many who have been dramatically saved, including: Debbie, whose marriage was shattered. Mac, an out-of-control drug dealer. Danielle, a self-declared atheist. Phillip, an enforcer with the Black Panthers. LuLu, who doubted that anyone could ever love her. Angelika, an occult bookstore owner. Barbara, who worshipped a New Age guru. These testimonies, and many others, provide stunning evidence that God can save our lost loved ones, no matter how hopeless they may seem.

A guide for pastors, church leaders, and all who help African Americans in their search for a meaningful Christian lifestyle. Forming Christians--leading fallen and flawed human beings into the path of discipleship to a crucified and risen Lord--is one of the central, if not the central, tasks of all Christian churches. It is a difficult enough task anywhere, but for African Americans, beset by racial conflict, personal crises, generational separation, and other concerns, it is especially so. African American churches must work particularly hard to counter the messages their members receive from the dominant and often unfriendly culture. This book employs the biblical text and African tradition to draw

on the idea of the search for wisdom as a potent way to help African Americans in their pursuit of genuine Christian discipleship. Wisdom in African American tradition is not simply knowledge; rather, it is those insights, attitudes, beliefs, behaviors, and practices that create and sustain a life of hope and that produce an inherent sense of the worth of one's self. If their members are to engage in the search for wisdom, African American churches must build an intentional ministry of faith formation. Wisdom can be gained, the authors argue, when African Americans listen to the black oral tradition with its proverbial sayings, revered Bible stories, songs, and narratives from the lives of exemplary individuals. The book offers several similar avenues for the search for wisdom, including helpful models of black males mentoring younger black males, as a remedy to the destructive effects that contemporary culture has on this segment of the African American community.

*The Black Church in the African-American Experience* Duke University Press

Is the Black Church dying? The picture is mixed and there are many challenges. The church needs spiritual revival. But reviving and strengthening the Black Church will require great wisdom and courage. Reviving the Black Church calls us back to another time, borrowing the wisdom of earlier faithful Christians. But more importantly, it calls us back to the Bible itself. For there we find the divine wisdom needed to see all quarters of the Black Church live again, thriving in the Spirit of God. It's pastor and church planter Thabiti Anyabwile's humble prayer that this book might be useful to pastors and faithful lay members in reviving at least some quarters of the Black Church, and churches of every ethnicity and context— all for the glory of God.

Josh McDowell, bestselling author and one of the most recognized Christian apologists, teams up with researcher Bill Wilson in this classic apologetics book, now with a new title, new cover, and new opportunity to connect with readers. This accessible resource explores historical evidence about Jesus so seekers, skeptics, and Christians can understand more about Christ, His claims, His impact, and the evidence for His life. Revealing material includes: surprising information from ancient secular writings about Jesus insights and errors from the post-apostolic writers how to test the New Testament evidence and material outside of the gospels details of the geography, culture, and other religions at the time of Christ findings about Jesus' miracles, death, resurrection, and identity Packed with fascinating, relevant, and intriguing information about Christ and His purpose, this is an ideal resource for individuals, groups, churches, as well as personal and academic libraries.

*Reviving the Black Church* Christian Faith Publishing, Inc.

This book represents not only the storms of life which the authors have experienced but also their unquenchable hope for a better tomorrow. For each, the Black church has been not only a source of personal valuation; but it has also been the foundation upon which each has been sustained, renewed, and revived. The authors hope that the reader of this book will also find something of personal, communal, and spiritual value which will assist them in maintaining hope in a world gone mad. Readers will find the various roles the Black church has provided over the years, along with some examples which can be replicated in twenty-first-century America. The authors believe in the immortal words of Dr. Benjamin E. Mays, former president of Morehouse College who said, "It must be borne in the mind that the tragedy in life doesn't lie in not reaching your goal. The tragedy lies in having no goal to reach. It isn't a calamity to die with dreams unfulfilled, but it is a calamity not to dream. It is not a disaster to be unable to capture your ideal, but it is a disaster to have no ideal to capture. It is not a disgrace not to reach the stars, but it is a disgrace to have no stars to reach for. Not failure, but low aim is a sin." God bless. Creigs C. Beverly, PhD Olivia D. Beverly, PhD

**A Guide to Books for Social Students and Workers ...**  
Springer

**Death of a King** Arcadia Publishing

The key to creating and growing a more unified and holistic church is the multi-ethnic and Christ-centered community that offers a strong connection between theology and practical ministry models, and that nurtures believers who are wrestling with what it means to be the church of the Bible today. Most books on racial reconciliation or multi-ethnic ministry center on the theological foundations, history, or social problem aspects of the topic. The Post-Black and Post-White Church offers a practical, hands-on blueprint for developing and sustaining a multi-ethnic and Christ-centered community. Written by Efrem Smith, an innovative and passionate African American leader of the Covenant Evangelical Church and founding pastor of Sanctuary Covenant Church in Minneapolis, Minnesota, this groundbreaking book shares his skills, experience, and wisdom for congregations who want to grow into a multi-ethnic, missional identity. The Post-Black and Post-White Church connects theology and practical ministry models for wrestling with what it means to be church in an increasingly multi-ethnic world that is polarized by class, politics, and race. The book embraces Jesus as one who was both Jewish and multi-ethnic and focuses on a theology of reconciled, multi-ethnic, and missional leadership.

*Review of Reported Expenditures of the Associated Students of California State Universities* Bradley Dowden

*The Black Student's Guide to Colleges* Macmillan Reference USA

A sweeping, ambitious history of American democratic socialism from one of the world's leading intellectual historians and social ethicists "Dorrien is supremely qualified for the task he has set himself in this very thoughtful, necessary, and timely book."—Maurice Isserman, author of *The Other American: The Life of Michael Harrington* Democratic socialism is ascending in the United States as a consequence of a widespread recognition that global capitalism works only for a minority and is harming the planet's ecology. This history of American democratic socialism from its beginning to the present day interprets the efforts of American socialists to address and transform multiple intersecting sites of injustice and harm. Comprehensive, deeply researched, and highly original, this book offers a luminous synthesis of secular and religious socialisms, detailing both their intellectual and their organizational histories.

**Index T Black Periodicals 1992** Rowman & Littlefield

Pioneering work by the great modernist painter, considered by many to be the father of abstract art and a leader in the movement to free art from traditional bonds. 12 illustrations.

*To Serve this Present Age* Rowman & Littlefield

This anthology provides a scholarly, in-depth analysis of the thirteen Gospel Topics essays issued by the Church of Jesus Christ of Latter-day Saints from December 2013 to October 2015. The contributors reflect a variety of faith traditions, including the LDS Church, Community of Christ, Catholic, and Evangelical Christian. Each contributor is an experienced, thoughtful scholar, many having written widely on religious thought in general and Mormon history in particular. The writers probe the strengths and weaknesses of each of the Gospel Topics essays, providing a forthright discussion on the relevant issues in LDS history and doctrine. The editors hope that these analyses will spark a healthy discussion about the Gospel Topics essays, as well as stimulate further discussion in the field of Mormon Studies.

**Historical Dictionary of African American Theater** Little, Brown

A revealing and dramatic chronicle of the twelve months leading up to Dr. Martin Luther King, Jr.'s assassination. Martin Luther King, Jr. died in one of the most shocking assassinations the world

has known, but little is remembered about the life he led in his final year. New York Times bestselling author and award-winning broadcaster Tavis Smiley recounts the final 365 days of King's life, revealing the minister's trials and tribulations -- denunciations by

the press, rejection from the president, dismissal by the country's black middle class and militants, assaults on his character, ideology, and political tactics, to name a few -- all of which he had to rise above in order to lead and address the racism, poverty, and militarism that threatened to destroy our democracy.

Smiley's *Death of a King* paints a portrait of a leader and visionary in a narrative different from all that have come before. Here is an exceptional glimpse into King's life -- one that adds both nuance and gravitas to his legacy as an American hero.
