Caribbean, small island developing state perspective, the volume uses the events of the recently held Cricket World Cup 2007 (CWC 2007) as a launching pad for identifying best practices and the way forward. The CWC 2007 was the first time in any sport, a World Cup was staged in nine independent countries. None of the Caribbean territories hosting a match has a population	larger than Jamaica's 3.4 million; most have less than quarter of a million people; economies are small and infrastructure limited. The hosting of this event produced significant lessons that the region and the world can learn from concerning sports event management. <i>Mi Primer Libro Animales Salvajes/My First Book Of Wild Animals</i> Lectorum Publications Primer libro de una serie que pretende acercar el arte	a los más pequeños de una manera diferente a la de otros libros. Usborne It's easy to learn counting with this classic Little Golden Book! The rhythmic text, paired with heartwarming animal illustrations by Garth Williams, have made counting from one to ten a joy for nearly 60 years. A must for every toddler and preschooler's library. Little Golden Books have been loved by

children for over 75 years.

When they were first published in 1942, high-quality books for children hadn't been available at a price most people could afford. Little Golden Books changed that!
