The Five-Minute
Writing Prompt Journal
Lake Union Publishing
Ever have one of those

days when the creative well runs dry? This book will give your brain the teaser it needs to get your writing juices flowing, and get over that battle with writer's block. This extensive

list of topics, while random, is thought provoking, entertaining and fun. Perfect for stumped writers who want common and accessible concepts, or something manageable to write to get past that glaring blank page. An example of some questions: - What is your addiction? What would make you overcome it? - Describe your perfect vacation. - If you could, would you want to have a pet dinosaur? What kind? How would you take care of it? - Write a letter to a friend you have not seen in a long time. - How much of who you are is a product of who others expect you to be? - Create your own quote and explain it. - What would you put on the ultimate sandwich? - Name some little

things that can make your day great. - If you were a teacher, what subject would you teach and how would you teach it? - Think about a day in the life of a pencil. - Have you ever cried from happiness? If so, what prompted it? - What age, if ever, should most people stop watching cartoons? - What would your life be like if you only had one finger? *Book includes two prompts per page.

From the bestselling

author of *Wild*, a

collection of quotes-- drawn from the wide range of her writings-- that capture her wisdom, courage, and outspoken humor, presented in a gift-sized package that's as irresistible to give as it is to receive. In her three previous books-- her critically acclaimed debut novel, *Torch*, her groundbreaking memoir, *Wild*, and her dazzlingly insightful "Dear Sugar" advice columns, *Tiny Beautiful Things*--Cheryl Strayed has shared with an ardently devoted audience the many twists and trials of her remarkable life, offering much-needed truths, as well as laughter, to millions of readers. Her honesty, spirit, and ample supply of tough love have enabled many of us, even in the darkest

hours, to somehow put one foot in front of the other--and be brave enough. Whether humorous or wise (and often both at once) Strayed's words are anthems that remind us that we may inevitably make mistakes, but we can also do better, both for ourselves and for others. Such as: Be brave enough to break your own heart. You can't ride to the fair unless you get on the pony. Keep walking. Acceptance is a small, quiet room. Romantic love is not a competitive sport. Forward is the direction of real life. Brave Enough gathers more than 100 of these "mini-instruction manuals for the soul," urging us toward the incredible capacity for love, compassion,

forgiveness, and endurance that is within us all.

I give to you a compilation of 278 random thoughts about life in no particular order. Some are serious, some are humorous, and some are twisted - just like life! Within these pages I also have journal entries that reflect my own opinions and my life experiences. I offer them to give you a glance into my world and how I have learned from my quotes. Your emotions, opinions and life experiences will be different, although of course you might find some connections! I invite you to write your own unique thoughts

about the quotes that are meaningful to you. This is the beauty of life and journaling. So, are you ready to learn about yourself? Dive on in. Nobody can change anyone else and sometimes circumstances can't be "fixed"; but learning about yourself can help you change. Journaling helps us stay focused on ourselves. Some days you might only be able to write a sentence, other days your pen - or computer keyboard - will keep going non-stop. Don't worry about spelling, grammar, or whether it makes sense. This book is meant to be used over and over. You will see each quote differently as you have new experiences; you will therefore see yourself and your world differently. If you get

stuck on an entry, ask yourself why. My hope is that you will learn to use writing as your voice and your teacher. [Grateful Hearts Girl's Gratitude Journal](#) Lulu.com
