Ghost in the Shell (2017) - IMDb

Primarily set in the mid-twenty-first century in the fictional Japanese city of Niihama, Niihama Prefecture, otherwise known as New Port City, the manga and the many anime adaptations follow the members of Public Security Section 9, a special-operations task-force made up of former military officers and police detectives Political intrigue and counter-terrorism operations are standard fare for Section 9, but the various actions of corrupt officials, companies, and cyber-cri
