### Security Officer Training Prentice Hall

This book is a comprehensive defensive tactics course with dozens of professionally taken photos designed specifically for College Campus Public Safety Officers and University Police Officers. The techniques can be learned by anyone regardless of prior experience. Campus safety and security officers need training to be adequately prepared to face the unique set of environmental and societal factors on university property. Dealing with various situations requires the proper mindset as well as effective verbal and physical self-defense techniques to neutralize and subdue potentially violent or uncooperative students, trespassers and criminals. The "College Campus Safety & Security Defensive Tactics Training Course" contains essential information for anyone working in a campus environment including not just university and college campuses, but medical complexes, corporate business centers, malls and other areas that require round-the-clock armed or unarmed security officers. Techniques include unarmed attacks against one and multiple assailants as well as knife attacks and firearm attacks. Reference charts of effective areas to strike are also included. This complete course also includes (2) follow-up quizzes that can be given to officers who complete the training to ensure that they have retained the information. Each quiz has two parts - a Non-Physical Defensive Tactics Comprehension section and a Physical Defensive Tactics Comprehension section. Instructors should have some prior self-defense, defensive tactics or martial arts experience and be comfortable in teaching these techniques. The author does not recommend attempting to learn any of the physical self-defense techniques without the direction of a qualified individual that can properly instruct on their execution. Improper training will cause injury, so do so at your own risk. By purchasing this guide, you release the author from any legal ramifications and acknowledge that by performing the techniques in the guide, you are physically able to do so - check with your physician if necessary. The author is also available for speaking, seminars and training individual officers as well as entire departments; please email your request and contact information to "masterpete@learnselfdefenseonline.com."
