RICHARD CASSIUS

This Jazz Man Scholastic Inc.

From the prizewinning Jewish Lives series, a fastt'moving, musically astute portrait of arguably the greatest composer of American popular music Irving Berlin (1888–1989) has been called—by George Gershwin, among others—the greatest songwriter of the golden age of the American popular song. “Berlin has no place in American music,” legendary composer Jerome Kern wrote; “he is American music.” In a career that spanned an astonishing nine decades, Berlin wrote some fifteen

hundred tunes, including “Alexander’s Ragtime Band,” “God Bless America,” and “White Christmas.” From ragtime to the rock era, Berlin’s work has endured in the very fiber of American national identity. Exploring the interplay of Berlin’s life with the life of New York City, noted biographer James Kaplan offers a visceral narrative of Berlin as selft’made man and witty, wily, tough Jewish immigrant. This fastt’paced, musically opinionated biography uncovers Berlin’s unique brilliance as a composer of music and lyrics. Masterfully written and psychologically penetrating, Kaplan’s book underscores Berlin’s continued relevance in American popular culture. About Jewish Lives: Jewish

Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity. Individual volumes illuminate the imprint of Jewish figures upon literature, religion, philosophy, politics, cultural and economic life, and the arts and sciences. Subjects are paired with authors to elicit lively, deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present. In 2014, the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award, the first series ever to receive this award. More praise for Jewish Lives: “Excellent.” – New York times “Exemplary.” – Wall St. Journal

“Distinguished.” – New Yorker
 “Superb.” – The Guardian

The Complete Michael Jackson SCHOLASTIC

From his cavernous voice and unparalleled artistry to his fearless struggle for human rights, Paul Robeson was one of the twentieth century's greatest icons and polymaths. In *Everything Man* Shana L. Redmond traces Robeson's continuing cultural resonances in popular culture and politics. She follows his appearance throughout the twentieth century in the forms of sonic and visual vibration and holography; theater, art, and play; and the physical environment. Redmond thereby creates an imaginative cartography in which Robeson remains present and accountable to all those he inspired and defended. With her bold and unique theorization of antiphonal life, Redmond charts the possibility of continued communication, care, and collectivity with those who are dead but never gone.

He's bad at sports and not much better at school, but Jimmy sure can draw terrific cartoons. And his dream, like that of his

Uncle Lester, who writes flop Broadway musicals'is to be recognized for what he loves doing most.

Paletero Man Hal Leonard Corporation

There are dozens of books about the Boss, exploring every facet of his career.

So what's left to say?

Nothing objective, perhaps. But when it comes to music, objectivity is highly overrated. Robert Wiersema has been a Springsteen fan since he was a teenager. By most definitions, he's a fanatic: following tours to see multiple shows in a row, watching set lists develop in real time via the Internet, ordering bootlegs from shady vendors in Italy. His attachment is deeper than fandom, though: he's grown up with Springsteen's music as the soundtrack to his life, beginning with his working-class youth in rural British Columbia and continuing on through dreams of escape, falling in love, and becoming a father. *Walk Like a Man* is liner notes for a mix tape, a frank and inventive blend of biography, music criticism, and memoir over the course of thirteen tracks. Like the best mix tapes, it balances joy and sorrow,

laughter seasoning the dark-night-of-the-soul questions that haunt us all. Wiersema's book is the story of a man becoming a man (despite getting a little lost along the way), and of the man and the music that have accompanied him on his journey.

"But He Doesn't Know the Territory" Harper Collins

Rhyming, cumulative text adapted from a classic nursery song introduces six musical instruments, while glimpses through die-cut windows hint at who is playing each one.

Walk Like a Man Open Road Media

The first biography of the artist who “essentially invented indie and alternative rock” (Spin) A brilliant and influential songwriter, vocalist, and guitarist, the charismatic Alex Chilton was more than a rock star—he was a true cult icon.

Awardwinning music writer Holly George-Warren's *A Man Called Destruction* is the first biography of this enigmatic artist, who died in 2010. Covering Chilton's life from his early work with the chart-topping Box Tops and the seminal power-pop band Big Star to his experiments with punk

and roots music and his sprawling solo career, *A Man Called Destruction* is the story of a musical icon and a richly detailed chronicle of pop music's evolution, from the mid-1960s through today's indie rock.

Jackie Wilson Classic Books with Holes 8x8 Harry Chapin was an incredibly gifted singer-songwriter, who, in a successful career lasting a little over ten years, carved for himself a place in music history that, even to this day, is hard to define. His thought-provoking, soul-searching and heart-breaking story-songs, such as *Cat's in the Cradle* and *Taxi*, now well embedded in American lore.

Harry Chapin: The Music Behind the Man

U of Minnesota Press
A vibrant picture book celebrating the strength of community and the tastes of summer from Latin Grammy-winning musician Lucky Diaz and celebrated artist Micah Player. Ring! Ring! Ring! Can you hear his call? Paletas for one! Paletas for all! What's the best way to cool off on a hot summer day? Run quick and find Paletero José! Follow along with our narrator as he passes through his busy

neighborhood in search of the Paletero Man. But when he finally catches up with him, our narrator's pockets are empty. Oh no! What happened to his dinero? It will take the help of the entire community to get the tasty treat now. Full of musicality, generosity, kindness, and ice pops, this book is sure to satisfy fans of *Thank You, Omu!* and *Carmela Full of Wishes*. Includes Spanish words and phrases throughout, an author's note from Lucky Diaz, and a link to a live version of the Lucky Band's popular song that inspired the book. A Junior Library Guild Selection!

MICHAEL JACKSON(CD1

□□□) Random House
"We developed reputations real fast. We treated our entertainers right. We got them paid. Other agents and promoters and managers showed them the money. We got them the money. We brought respect to the African American artist in America. We brought them prestige. We really cared about our artists and those who worked for us, and it was obvious because we fought like hell for them. So when you listen to some of that music today--an Otis Redding record or Percy

Sledge or anyone from our shop--you're not just hearing music but also the sound of iron being hammered and bricks being laid for those--especially African Americans--who are in the business today." Alan Walden *Southern Man* is the memoir of a life in music during one of the most racially turbulent times in American history. It presents the voice of Alan Walden--a remarkable, sensitive, humble, and brilliant man; a boy from the country who, serendipitously, along with his brother Phil and best friend Otis Redding, helped to nurture a musical renaissance. It is the story of a son of Macon, Georgia, and his passion for R&B and rock'n'roll at a time when it took wits and a Southern persistence to overcome the obstacles on the hard scrabble road to success--the tragedy of loss, disappointment, and betrayal, along with the joy of victory, optimism, and hope--and taking a dream right over the mountain. That dream led him to work with and nurture the talents of a virtual who's who of Southern music, from Sam & Dave and Percy Sledge to Boz Scaggs and Lynyrd

Skynyrd. Anyone who was alive during the golden age of R&B and Southern rock remembers the music, but Alan's narrative invites the reader to the centre of the story, into the studio and on the road, to backroom deals and backroom brawls. It wasn't always peaches and cream. The music business is tough, and Alan Walden was one of the toughest kids on the street. He had to be, in order to survive in a world of guitars, guts, and guns. This is rock'n'roll noir--the story of a few pioneers who cut the rock and laid the pipe under the hard scrabble terrain so that the water of creativity can more freely flow today. "Alan, I got to tell you ... you're one soulful guy ... I don't think I've ever met a white guy with more soul than you." Quincy Jones

The Way of Bach
Houghton Mifflin Harcourt
Joel Sachs offers the first complete biography of one of the most influential figures in twentieth-century American music. Henry Cowell, a major musical innovator of the first half of the century,

left a rich body of compositions spanning a wide range of styles. But as Sachs shows, Cowell's legacy extends far beyond his music. He worked tirelessly to create organizations such as the highly influential New Music Quarterly, New Music Recordings, and the Pan-American Association of Composers, through which great talents like Ruth Crawford Seeger and Charles Ives first became known in the US and abroad. As one of the first Western advocates for World Music, he used lectures, articles, and recordings to bring other musical cultures to myriad listeners and students including John Cage and Lou Harrison, who attributed their life work to Cowell's influence. Finally, Sachs describes the tragedy of Cowell's life, being sentenced to fifteen years in San Quentin -- of which he served four -- after pleading guilty to a morals charge that even the prosecutor felt was trivial. Providing a wealth of insight into Cowell's ideas and philosophy, Joel Sachs lays out a much-needed perspective on one of the giants of twentieth-century American music. Man in the Music Firefly

For half a century, Michael Jackson's music has been an indelible part of our cultural consciousness. Landmark albums such as *Off the Wall* and *Thriller* shattered records, broke racial barriers, amassed awards, and set a new standard for popular music. While his songs continue to be played in nearly every corner of the world, however, they have rarely been given serious critical attention. The first book dedicated solely to exploring his creative work, *Man in the Music* guides us through an unparalleled analysis of Jackson's recordings, album by album, from his trailblazing work with Quincy Jones to his later collaborations with Teddy Riley, Jimmy Jam, Terry Lewis, and Rodney Jerkins. Drawing on rare archival material and on dozens of original interviews with the collaborators, engineers, producers, and songwriters who helped bring the artist's music into the world, Jackson expert and acclaimed cultural critic Joseph Vogel reveals the inspirations, demos, studio sessions, technological advances, setbacks and breakthroughs, failures and triumphs, that gave

rise to an immortal body of work.

While walking down the road, the narrator sees a donkey that he shares more about as the story progresses.

The Man Behind the Music
National Geographic Books

Jonathan Keates original biography of Handel was hailed as a masterpiece on its publication in 1985. This fully revised and updated new edition - published to commemorate the 250th anniversary of the composers death - charts in detail Handel's life, from his youth in Germany, through his brilliantly successful Italian sojourn, to the opulence and squalor of Georgian London where he made his permanent home. For over two decades Handel was absorbed in London's heady but precarious operatic world. But even his phenomenal energy and determination could not overcome the public's growing indifference to Italian opera in the 1730s, and he turned finally to oratorio, a genre which he made peculiarly his own and in which he created some of his finest works, such as Saul, Messiah,

Belshazzar and Jephtha. Over the last two decades a complete revolution in Handel's status has taken place. He is now seen both as a titanic figure in music, whose compositions have found a permanent place in the international repertoire, and as one of the world's favourite composers, with snatches of his work accompanying weddings, funerals and television commercials the world over. Skillfully interwoven with the account of Handel's life are commentaries on all his major works, as well as many less familiar pieces by this most inventive, expressive and captivating of composers. Handel was an extraordinary genius whose career abounded in reversals that would have crushed anyone with less resilience and will power, and Jonathan Keates writes about his life and work with sympathy and scrutiny.

Henry Cowell Greystone Books

As Dede Montgomery moves through grief to accept of the death of her father, the stories in *My Music Man* shed light on change, acceptance, and forgiveness amid close personal relationships and Oregon's natural

landscapes. The reader is catapulted into autumn on the Willamette's riverbank in the 1960s with the author and her brothers, where they discover their father's own childhood stories and the intimate relationship he shares with the land. Tales about generations of family weave between time periods, held together by the constancy of place and colored by memories of picking berries and filberts, traveling through the West Linn locks, and swimming in the river on a hot summer day.

Montgomery describes small-town life in a school where everyone knows everybody, and how it felt to be an only girl in what often felt like a never-ending sea of boys.

The Music Man Yale University Press

Filled with stunning photographs, this is the ultimate reference to the King of Pop: Michael Jackson Years after his death, Michael Jackson continues to captivate fans. *The Complete Michael Jackson* is the definitive look at the pop idol's long and storied career--from start to finish, with nothing left out. Fantastic images capture every part of the music titan's life, from his childhood debut as a

member of the Jackson 5 all the way through his preparations for his sell-out season at the O2 arena. Music writer Chris Roberts exhaustively explores every album, recording, appearance, and gig, resulting in an unforgettable portrait of the most successful entertainer of all time.
