The Horseman's Guide to the Meaning of Life Sealifters Press, Incorporated

The Virginian (otherwise titled The Virginian: A Horseman of the Plains) is a 1902 novel set in the Wild West by the American author Owen Wister, (1860-1938). It describes the life of a cowboy on a cattle ranch in Wyoming and was the first true fictional western ever written, aside from short stories and pulp dime novels. The Virginian paved the way for many more westerns by such authors as Zane Grey, Louis L'Amour, and several others. The Virginian is a ranch hand at the Sunk Creek Ranch, located outside of Medicine Bow, Wyoming. His friend Steve calls him "Jeff " presumably after Jefferson Davis, but he is always referred to as the Virginian, and no name is mentioned

throughout the story. He is described as a tall, dark, slim young giant, with a deep personality. At first, he is only a cowboy, but halfway through the book, he is signed on as the full-time foreman. He is the Judge's most trusted worker. Several times throughout the book, he is offered the chance to run down his enemy, Trampas, behind his back, but each time he refuses the temptation. It is made clear that he will not use his official position as foreman to crush any of his employees. One of the main plots is the Virginian's ongoing romance with the newly appointed schoolmarm of Medicine Bow, Miss Molly Stark Wood. Being from the East, she is not used to the wild West, and the Virginian is a perfect gentleman to her, intending to make her "love him before we get through." The television series, "The Virginian," was based on this novel. This is a Green Bird Publication, a quality soft covers suitable for libraries, home libraries, gifts, and keepsakes.

**BESTSELLING AUTHOR COLLECTION** Reader-favorite romances in collectible volumes from our bestselling authors. **HOME ON THE RANGE** Rancher Lonny Ellison has never known a woman like Joy Fuller. She doesn't seem very interested in him, and as a former rodeo cowboy, Lonny is used to being mobbed by women. It isn't like him to get rattled, but Joy knows exactly what buttons to push. While he and Joy might argue constantly, Lonny can't help but fall for her. Now he just has to convince her that opposites attract! No-nonsense schoolteacher Joy has no time for cowboys in her life. Especially not the bullheaded Lonny, who can't seem to take a hint. Joy wants nothing to do with Lonny, yet she finds herself drawn to him when he begins to mentor one of her troubled students. But when Joy's ex shows up in town, she will have to decide between the man she once loved...and the cowboy who's lassoed her heart. **FREE BONUS STORY INCLUDED**

Now cop Collena Drake has shown up to claim her son, but Dylan won't give him up without a fight. Previously published.

**RIDE SMARTER: ON TO THE NEXT LEVEL OF HO** Harlequin

The key to enjoying a safe, fun, and fulfilling partnership with your horse is having the knowledge and confidence to lead and train him. All great partnerships are based on three elements: trust, respect, and communication. Whenever one element is lacking, the partnership fails to form or ceases to exist. When it comes to interacting with horses, we unintentionally tend to be our own worst enemies. By design, horses and humans perceive the world from opposite ends of the scale: horses are prey animals with an ingrained flight or fight response, and humans are predators. Because of this, before you train a horse, you have to understand basic horse psychology and what makes your horse tick. When you know how the horse processes his thoughts and why he does the things that he does, both good and bad, you can accomplish anything. If you don't understand how your horse perceives the world around him, then you will struggle with your horsemanship goals. Clinician Clinton Anderson knows good horsemanship isn't always easy. With over 20 years of experience working with horses and helping people safely train them, Clinton has become an expert at bringing out the best in both. In this highly illustrated book, he shares his philosophy, knowledge and wisdom, detailing what he feels every person should know about horses before working with them. Breaking down the crucial elements of his method of horsemanship, Clinton explains how to

become an effective leader that your horses will look to for guidance and how to successfully start a mutually enjoyable partnership. Readers will learn what motivates horses, the basics of respect and why it must be established, and the role pressure and body language play in communicating. Clinton prescribes a tried-and-true formula to train a well broke horse and discusses the three elements that go into becoming an all-around great horseman. Filled with commonsense explanations and personal anecdotes from Clinton's life, the lessons in Philosophy provide the instruction and inspiration needed to help you achieve your horsemanship dreams.

**Hunting Down the Horseman** Morris Communications Corp  
 "A wonderful novel. . . Tim Pears combines a down-to-earth rendering of the realities of rural life with a magical sense of another world beyond our everyday experience."--Wall Street Journal  
 From acclaimed author Tim Pears, the first novel in a sweeping historical trilogy, beginning in rural, pre-WWI England. Somerset, 1911. The forces of war are building across Europe, but this pocket of England, where the rhythms of lives are

dictated by the seasons and the land, remains untouched. Albert Sercombe is a farmer on Lord Prideaux's estate and his eldest son, Sid, is underkeeper to the head gamekeeper. His son, Leo, a talented rider, grows up alongside the master's spirited daughter, Charlotte--a girl who shoots and rides, much to the surprise of the locals. In beautiful, pastoral writing, *The Horseman* tells the story of a family, a community, and the landscape they come from. *The Horseman* is a return to the world invoked in Pears' first award-winning, extravagantly praised novel, *In the Place of Fallen Leaves*. It is the first book of a trilogy that will follow Leo away from the estate and into the First World War and beyond. Exquisitely, tenderly written, this is immersive, transporting historical fiction at its finest.

*The Tarnished Horseman Comes Home* Trafalgar Square Books  
 Jim Gath was a corporate executive for many years. Although he grew up around horses, including race horses, his adult career path took him in a very different direction. Jim Gath was one of the founders of USA TODAY and worked for the Turner Broadcasting System. He even ran a couple of his own marketing companies. Along the way, though, Jim realized that none of this was making him happy. He made a decision that would change his life forever. He had to get back to his roots. He realized that he was happiest when he was around horses. So, he changed his life. He got a few horses, gave riding lessons and happily hung out with his horses, until he was touched by the realization that there were many, many horses throughout this land that needed a happy, healthy home. That day was the day that Tierra Madre Horse Sanctuary was born. Through Jim's eyes and spirit displayed in his writing, you can almost live that life with him. In

Jim Gath's book, *Diary of a Horseman: My Life and Times at Tierra Madre Horse Sanctuary*, you will meet some horses - some famous, some that no one has ever heard of - until now. You will learn what it's like to live on "Tierra Madre" - Mother Earth. His essays will make you laugh and make you cry. You might even decide to change your own life in one way or another. You will learn what dedication is all about.

*The Horsemen* Cavendish Square Publishing, LLC

*I Hear You, Horse.* is full of meaningful life adventures as shared by an ex-corporate executive who found his calling when he founded the non-profit organization, Tierra Madre Horse Sanctuary. Tierra Madre Horse Sanctuary, located in Cave Creek, Arizona, is a sanctuary rescue ranch - a "Forever Home" to 31 previously unwanted, neglected, injured or abused horses. Ex-racehorses, ex-show horses, ex-rodeo horses, ex-ranch horses, ex-trail horses - horses of all sizes and breeds have found their way to Tierra Madre. Jim Gath comes from a family of horsemen - his grandfather was a trick rider, trainer and horse trader, one of his uncles was a jockey and another was an owner of rather questionably talented racehorses. As a kid, horses were an important part of his life, but he began his adult life taking a different trail. This book provides a guide that offers riders a proven method of establishing an excellent physical and emotional relationship with their horse. Horses are great at trying to tell us what they need. The trouble is we aren't always listening! Horses communicate with body language and behavior to inform us when something isn't right. Sometimes it is a question of understanding their behavior, sometimes it means we need to change our way of handling them. Author Jim Gath has

never, ever met a horse he didn't like. "You just have to listen to them," he says. "They'll tell you everything you need to know." TIERRA MADRE HORSE SANCTUARY is simply a very nice, very loving home for horses who, through no fault of their own, have no better place to go. Good food, good care, a lot of room, a lot of love and understanding and a lot of treats - a place where horses can enjoy being horses. Jim Gath is also the author of *264 W 40th Street - A memoir of his life in New York City in the 1970's.*

*The Horse and Tractor Wars* CreateSpace

*The Horseman's Last Call* presents the closing chapters in the life of Wild Jack Strong. The story opens with Jack content on the ranch he had always dreamed of, with a loving wife and an adopted son. His good friend Jim Spencer and Jim's family live just down the road, so life couldn't be better. However, things take an unwanted turn when war breaks out in Europe and Jack once more feels the need to heed his country's call. But the war changes his life in unexpected ways as he discovers that not only does loyalty sometimes go unrewarded, it can also be one-sided. *The Horseman's Last Call* is the third and final volume in the Wild Jack Strong trilogy that began with *The Frog Lake Massacre* followed by *The Luck of the Horseman*. The series recounts how one man's life is impacted by the great events of Canadian history, from the Riel rebellion in 1885, through the Anglo Boer War and World War I, to the Boxcar Rebellion of 1935.

*Into the Secret Heart of Ashdown Forest: A Horseman's Country Diary* HarperCollins Australia

This booklet details how to find the right truck and trailer for the particular horse person's needs and budget. Also, it offers good advice on properly selecting, using, and maintaining the

equipment.

The Horseman Western Horseman Book

19th Century American West. Dillon Hennessey was a man like no other... Strong yet caring, determined yet kind. But he was still a man, Katelyn Green reminded herself, and therefore not to be trusted. Hadn't her own husband abandoned her in her hour of need? And yet the whispers in her soul promised happiness with this man who'd gentled horses...and her heart! Katelyn Green had lost a child, and Dillon knew it ate away at her very core. He would help her if he could, if he had the words and ways. But would his tenderness be enough to win a woman who'd been robbed of her faith in love?

*Chasing a Dream* iUniverse

Robert Louis Stevenson who understood a thing or two about the selves we refuse to know once said I travel not to go anywhere, but to go. Surely it was the likelihood of an accident, the unparalleled joy of stumbling upon himself now and then, which Stevenson most cherished in the going. A bit like Stevenson, Bart Reitter is a man who revels in the great distance between here and there. His memoir *The Horseman* is a wonderful account of the selves forged and found during his travels across the first half of a lifetime a heartfelt testament to the wisdom of refusing to stand still. --Professor Greg Coln Semenza, University of Connecticut For those who have ever spent time on the road for a living this book will awaken memories some fond, some downright scary. Its the diary of a young man plying his trade as he jets around the world while climbing the corporate ladder. Bart Reitter writes in exacting detail. A delightful read. --Thomas J. Gibbons Jr. Retired Staff Writer, Philadelphia Inquirer *The Horseman* is an

excellent story about one mans travels. The book drew me in and I found myself reading longer than I had allowed for. Reiters enthusiasm for travel has rekindled my own excitement for the many business trips I have planned for this year. --Rich Dibernardo, President, Initech, LLC Reading *The Horseman* brought back fond memories of my travels with Bart. I also have been infected with the travel bug and the cure is to get me on the next flight to anywhere. --John Lin, Senior Territory Sales Manager For author Bart Reitter, the journey is the destination. In this travelogue, he narrates his lifelong journey of discovery through travel. Written with stark clarity and emotional honesty, *The Horseman* begins with a six-year-old boys first joyful trip to Disney World and concludes with a 26,000-mile circumnavigation of the globe. Compiled from journals kept while traveling the world and interwoven with personal reflection and unique historical perspective, *The Horseman* voyages through the joys and frustration of global travel as well as the introspection aimed at understanding lifes meaning. It presents an emotional, scientific, funny, and irreverent window into Reiters mind as he seeks to understand the insatiable wanderlust that drives him forward. From the eastern United States to Singapore, and from the streets of Paris to the jungles of Thailand, Reitter communicates a unique point of view of life on the road that pictures rarely tell. From the euphoria of successful business deals to the loneliness of sterile hotel rooms, the story is never boring. In the end, with the help of his daughters, he discovers the best journey of all is the journey home.

*The Horseman's Last Call* Createspace Independent Publishing Platform

It takes more than horse sense to maintain a healthy horse. A knowledge of veterinary medicine is essential, not only for when emergencies occur but to provide the animal with a safe and nurturing environment that will prevent as many problems as possible. Acclaimed when first published in 1977 and now available for the first time in paperback, Horseman's Veterinary Encyclopedia offers a comprehensive approach to equine health, discussing diseases, unsoundnesses and other problems according to the parts of the horse's body: injuries and lameness; foot and hoof care; parasites; skin and coat care; colic and other sicknesses; dental care; and the respiratory, circulatory and reproductive systems. As a practical handbook for the owner and as a guide to working with the veterinarian and farrier, Horseman's Veterinary Encyclopedia is an indispensable tool for every home, barn, and ranch. The highly acclaimed reference on equine medical treatment and preventive care. It takes more than horse sense to maintain a healthy horse. A knowledge of veterinary medicine is essential, not only for when emergencies occur but also to provide the animal with a safe and nurturing environment that will prevent as many problems as possible. Acclaimed when first published in 1977, and now thoroughly updated with the latest veterinary advances, Horseman's Veterinary Encyclopedia, Revised and Updated, offers a comprehensive approach to equine health, discussing disease, unsoundness, and other problems according to the parts of the horse's body: injuries and lameness; foot and hoof care; parasites; skin and coat care; colic and other sicknesses; infectious diseases such as West Nile virus; dental care; and the respiratory, circulatory and reproductive systems. As a practical

handbook for the owner and as a guide to working with the veterinarian and farrier, Horseman's Veterinary Encyclopedia, Revised and Updated, is an indispensable tool for every home, stable, and ranch.

#### **Riding Home** Xist Publishing

The Tarnished Horseman is not a linear story in the traditional sense. It is a sea of voices, a kaleidoscope of images, opinions, and observations about one man, George Arnold, and his time. The voices come from tumultuous periods of the twentieth century, and each has a unique perspective, its own story to tell, yet the voices all center on George Arnold. He is a man out of one time, searching for his place in another. George was a good son, the perfect student, the brilliant promise of so many peoples' dreams. George, the idealist, leaves the university to fight in the Spanish Civil War. Through various accidents of fate, he becomes an active combatant in World War II. Caught in France without a valid passport, he enlists in the French Foreign Legion, escapes from the Maginot Line to England, where he joins the RCAF. Shot down over Germany, he fights much of the war with a Siberian Cossack unit and a sub-machine gun . . . but on horseback. Released from the Soviet Union in 1948, a bad year to return to America from a communist country, George cannot find work. He turns to using the only skills he knows, first with the Israelis, later with the French in Viet Nam and Algeria, and finally with various mercenary groups in Africa. He drifts from one 20th century conflict to another. The reader sees him through the overlapping voices of those around him; and also through his own voice, as he leaves an oral history for the one woman with whom he finds love. The reader must use these voices as keys to

understanding the brilliant, idealistic young man who left the American dream in order to help his fellow men, but who finishes his career as a mercenary, kicking gold teeth out of dead men's mouths. George is not only the last horseman of the world before world wars; his journey signifies the end of America's idealistic foreign engagement. Out of this study of war, emerges an unexpected, but passionate romance. A young woman manning a machine gun in the Israeli war for independence comes to see George as more than a hero. She seeks him across time and space, coming to see him as a man, but one she comes to love. Their passion infuses the book with humanity. This story, however, is not just one of tragic flaws of character. It is not even solely a study of the character himself, but a revealing look at man during our modern time. George lives in the numbing twentieth century era of wars. The novel questions what causes him to become what he becomes, and perhaps what has happened to mankind in general, in the technological, global society of today.

#### The Girl in Red Little, Brown

The ancients saw Death as a blazing figure on horseback, swift and merciless. Those facing the black chasm often mistook their pounding hearts for the beating of hooves. Now, two FBI agents pursuing a killer from a centuries-old cult realize they have become his prey.

Don Burt believes that we can learn as much about patience, commitment, strengths and weaknesses, and goals from our horses and other horsemen as we can teach them. He has made that perception an integral part of his life and his work with

horses and riders. Whether introducing a young colt to saddle and bridle, competing in or judging an entry-level horse show or a national championship, or organizing an informal trail ride or running an international organization, Burt has observed, analyzed, and applied what he has experienced or observed to other aspects of his life. Drawing from decades of familiarity with thousands of horses and horsemen, the author distills and shares this wisdom in a folksy yet insightful style in *The Horseman's Guide to the Meaning of Life*. As Burt tells us in this profound and entertaining reflection on his life and craft, "the horse will tell you everything if you take the time to pay attention." "My experience working with Skyhorse is always a positive collaboration. The editors are first-rate professionals, and my books receive top-shelf treatment. I truly appreciate our working relationship and hope it continues for years to come." -David Fischer, author

#### **The Fourth Horseman** Bloomsbury Publishing USA

The legend of Sleepy Hollow is one of the great tales of American folklore, supposedly stemming from Washington Irving's famous short story. But what if there was more to the ghostly fable than meets the eye? What if Irving's account was based on fact? And what if the Headless Horseman of Sleepy Hollow was not unique, but merely one of a strange line of malevolent spirits sighted across the world, bringing misfortune to all that witness them? Within this book you will find long-forgotten lore about the headless spirits that have plagued mankind for centuries, and perhaps even now seek ingress into our world. The Headless Horseman, and others like him, is at large in the dark places of the world, and should one encounter such a revenant, it is said that tragedy will surely follow...

**The Headless Horseman of Sleepy Hollow** Baker Books

With one Corbett down, four handsome brothers remain...Brave, courageous and single, Jud Corbett loves the life he leads - so it'll be up to his brothers to meet the nice Montana girls their mother hoped they'd marry. Then he encounters horse rider Faith Bailey. Faith is a home-town girl with an adventurous streak and Jud can't help but be attracted to the beautiful blonde. When life-threatening accidents begin to befall her every step, Jud can't walk away. But when he's done playing the hero, will he still be a bachelor?

**Pestilence (The Four Horsemen Book #1)** BLKDOG Publishing

Life was supposed to be less complicated here... But it's not working out that way for Regan Flynn. Her new job at the high school came with a difficult boss and an even more difficult twelve-year-old student. And then there's the girl's charming cowboy father, the local horse trainer with a penchant for rescuing damaged creatures. Will Bishop is doing his best to raise Kylie on his own. But protecting her from the truth just got a lot more difficult with the arrival of the beautiful new teacher. Any future Will and Regan might have together would be burdened by the secret he can't afford to reveal— to anyone.
