KENYON MCINTYRE

Menorah de Gruyter

Los protagonistas de este libro son un pontífice anciano cuyas palabras resuenan como un eco de un mundo lejano y un joven rabino que vive en la Viena cada vez más secular y dispersiva del siglo XXI. Primero se «encuentran» intelectualmente, luego se cartean y finalmente se conocen en persona. Los textos recogidos aquí tienen su origen en el 50 aniversario de la declaración *Nostra aetate*, un documento que supuso un viraje decisivo en las relaciones entre cristianos y judíos además de un importante cambio de mentalidad en los católicos y, en consecuencia, en la sociedad occidental. Esta apasionante sucesión de escritos, comentarios a los mismos, declaraciones públicas y reflexiones del papa emérito y su joven interlocutor, ¿acaso pueden

despertar todavía interés para desterrar los prejuicios seculares y los antiguos rencores en la actual babel de la conexión permanente?

21 Lessons for the 21st Century
Macmillan

This New York Times Notable Book is a “sweeping historical drama” of a physician and his family on the Illinois frontier in the nineteenth century (The New York Times Book Review). Dr. Robert Judson Cole travels from his ravaged Scotland homeland, through the operating rooms of Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich the classical medical

education he received at Edinburgh University. He marries a remarkable settler woman he had saved from illness. The details of how their deaf son manages to become a physician also, despite his handicap, and the story of how the Cole family is sucked into the bloody vortex of the Civil War and survives, makes an exceptional reading experience.

"Let the Wise Listen and Add to Their Learning" (Prov 1:5) Open Road Media
A completely redone version of a treasured classic. This newly translated volume, complete with facing Hebrew-English text and shoulder captions for clarity, revitalizes the study of Rabbi Moshe Chaim Luzzatto's classic ethical work. The Path of the Just has long been regarded as the crown-jewel of mussar

study. The Gaon of Vilna constantly kept a copy of Mesillas Yesharim at his side, and yet the piercing wisdom of the Ramchal is just as relevant to our own lives. The author gently guides the reader through various levels of character refinement, shining a beacon of life on the path to perfection.

Romans 1-16 MacArthur New Testament Commentary Two Volume Set Walter de Gruyter GmbH & Co KG

Tokarczuk's third novel, *Primeval and Other Times* was awarded the Passport Prize in 1996 And The Koscielski Prize in 1997, which established the author as one of the leading voices in Polish letters. It is set in the mythical village of Primeval in the very heart of Poland, which is populated by eccentric, archetypal characters. The village, a

microcosm of Europe, is guarded by four archangels, from whose perspective the novel chronicles the lives of Primeval's inhabitants over the course of the feral 20th century. In prose that is forceful and direct, the narrative follows Poland's tortured political history from 1914 to the contemporary era. And the episodic brutality that is visited on ordinary village life. Yet *Primeval and Other Times* is a novel of universal dimension that does not dwell on the parochial. A stylized fable as well as epic allegory about the inexorable grind of time, the clash between modernity (the masculine) and nature (the feminine), it has been translated into most European languages. Tokarczuk has said of the novel: "I always wanted to write a book such as this. One that creates and

describes a world. It is the story of a world that, like all things living, is born, develops, and then dies." Kitchens, bedrooms, childhood memories, dreams and insomnia, reminiscences, and amnesia - these are part of the existential and acoustic spaces from which the voices of Tokarczuk's tale come, her "boxes in boxes."

Tristes Tropiques DigiCat

In remembrance of the 75th anniversary of the liberation of Auschwitz and the Nazi concentration camps, this award-winning, bestselling work of Holocaust fiction, inspiration for the classic film and "masterful account of the growth of the human soul" (Los Angeles Times Book Review), returns with an all-new introduction by the author. An "extraordinary" (New York Review of

Books) novel based on the true story of how German war profiteer and factory director Oskar Schindler came to save more Jews from the gas chambers than any other single person during World War II. In this milestone of Holocaust literature, Thomas Keneally, author of *The Book of Science and Antiquities* and *The Daughter of Mars*, uses the actual testimony of the Schindlerjuden—Schindler’s Jews—to brilliantly portray the courage and cunning of a good man in the midst of unspeakable evil. “Astounding...in this case the truth is far more powerful than anything the imagination could invent” (*Newsweek*).

The Last Jew Open Road Media
Elisabeth and Theodore Weissberg,
famous musicians, Hilde, a young film

extra, and Vladek, an Eastern European adventurer wanted by the police on political charges, flee Nazi Germany for Shanghai at the onset of World War II. A magnet for every human ambition and vice, Shanghai is a city of extremes—of dazzling wealth and wretched poverty, suffering and pleasure, and, for the four refugees, exile and safety. There, they enter the world of Jewish refugees, many of them artists and intellectuals, who must either starve or eke out an impoverished and sometimes degraded living, but they are determined to live intelligently, upholding the high culture, humor, and even, insofar as they can, the elegance of their former lives. Master storyteller Angel Wagenstein crafts an intense narrative of life and death, passionate love, and profound

courage against the backdrop of the war and the millions of lives caught up in it. [Love in the Time of Cholera \(Illustrated Edition\)](#) Otto Harrassowitz Verlag

Most people believe Jesus has very little to do with anything Jewish. Nothing could be further from the truth. Jesus Himself said, "If you believed Moses, you would believe me; for he wrote of me." (John 5.42) So are we to believe that Moses wrote about Jesus? Yes! But how? Through what we call "types and shadows." The Feasts of Israel all point in some aspect to Jesus, the Messiah of Israel. This book is a very simply written primer on the "Seven Feasts" in the Jewish Bible and how they point to Jesus. It is written in a very easy to read manner and no theological training is needed to understand it.

The Temple Simon and Schuster

' "Twin Towers" was encoded in the 3000-year-old text. "Airplane" appeared in exactly the same place. "It caused to fall, knocked down" crossed "airplane" and "towers"...But it was not this terrorist attack that really shook me. It was what the Bible code predicted was yet to come.' This is the sensational sequel to THE BIBLE CODE, which rocketed to the top of the bestseller charts in 1997. The discovery of a code encrypted in the Bible some 3000 years ago caught the public imagination. But if this code predicted the disastrous events of 9/11, what more can it tell us about our future? And if we are on the road to Armageddon, can it give us the information we need to survive? One word of advice - don't make big plans for

2006...

The Death Committee Walter de Gruyter GmbH & Co KG

A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after

he first declared his love for Fermina, he will do so again.

The Guide for the Perplexed Leiden : Brill

In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. Yonah Toledano, the 15-year-old son of a celebrated Spanish silversmith, has seen his father and brother die

during these terrible days - victims whose murders go almost unnoticed in a time of mass upheaval. Trapped in Spain by circumstances, he is determined to honor the memory of his family by remaining a Jew. On a donkey named Moise, Yonah begins a meandering journey, a young fugitive zigzagging across the vastness of Spain. Toiling at manual labor, he desperately tries to cling to his memories of a vanished culture. As a lonely shepherd on a mountaintop he hurls snatches of almost forgotten Hebrew at the stars, as an apprentice armorer he learns to fight like a Christian knight. Finally, as a man living in a time and land where danger from the Inquisition is everywhere, he deals with the questions that mark his past. How he discovers the answers, how

he finds his way to a singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. *The Last Jew* is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.

The Jerusalem Diamond Ediciones Fundacion Mordejai Anilevich

A man travels to Israel to uncover a diamond's remarkable past in this vivid historical saga from the New York Times–bestselling author of *The Physician*. A diamond cutter and seller from a long, respected line of precious-gem dealers, New Yorker Harry

Hopeman is intrigued by the story of the so-called “Jerusalem Diamond,” a magnificent yellow jewel rumored to date back to the biblical time of King Solomon. So when he’s asked to broker a deal that will return the legendary gemstone to Israel, he eagerly accepts. Arriving in the volatile Middle East, Hopeman soon discovers that his assignment will be anything but easy. Representatives of the Holy Land’s three major religions—Judaism, Christianity, and Islam—are all laying claim to the priceless jewel that once adorned the miter of Pope Gregory, and they will do anything to possess it. Partnering with Israeli government agent Tamar Strauss—a beautiful and courageous Yemenite war widow who inspires the visiting American’s passion as well as his

respect—Hopeman is soon entangled in a web of mystery and intrigue that crosses continents and stretches back thousands of years. As the duo follows the twisting travels of the gem and the bloody conflicts it has ignited throughout its extraordinary past—a history that intertwines with Hopeman’s own family saga—the story of a breathtaking land and its people unfolds in all its drama and glory. International-bestselling author Noah Gordon—whose acclaimed historical novel *The Physician* was the inspiration for the major motion picture of the same name starring Ben Kingsley— “has packed a suspense tale with religious, historical and archeological underpinnings, along with fascinating insights into an industry whose conduct is generally shrouded

from outside scrutiny" (The Philadelphia Inquirer).

Ulysses Open Road Media

Ulysses is a novel by the Irish writer James Joyce. It is considered to be one of the most important works of Modernist literature, it has been called "a demonstration and summation of the entire movement". "Before Joyce, no writer of fiction had so foregrounded the process of thinking." However, even proponents of *Ulysses* such as Anthony Burgess have described the book as "inimitable, and also possibly mad". There have been at least 18 different "Ulysses" editions (Joyce's handwritten manuscripts were typed by a number of amateur typists). This eBook is a faithful reproduction of the notable first book edition published in Paris on 2 February

1922 by Sylvia Beach at Shakespeare and Company (only 1000 copies were printed). James Augustine Aloysius Joyce (2 February 1882 - 13 January 1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for *Ulysses* (1922), a landmark work in which the episodes of Homer's *Odyssey* are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. Other major works are the short-story collection *Dubliners* (1914), and the novels *A Portrait of the Artist as a Young Man* (1916) and *Finnegans Wake* (1939). His complete oeuvre also includes three books of poetry, a play, occasional

journalism, and his published letters.

#1 NEW YORK TIMES BESTSELLER • In *Homo Sapiens*, he explored our past. In *Homo Deus*, he looked to our future. Now, one of the most innovative thinkers on the planet turns to the present to make sense of today's most pressing issues. "Fascinating . . . a crucial global conversation about how to take on the

problems of the twenty-first century."—Bill Gates, *The New York Times Book Review* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY FINANCIAL TIMES AND PAMELA PAUL, KQED How do computers and robots change the meaning of being human? How do we deal with the epidemic of fake news? Are nations and religions still relevant? What should we teach our children? Yuval Noah Harari's *21 Lessons for the 21st Century* is a probing and visionary investigation into today's most urgent issues as we move into the uncharted territory of the future. As technology advances faster than our understanding of it, hacking becomes a tactic of war, and the world feels more polarized than ever, Harari addresses the challenge of navigating life in the face of constant

and disorienting change and raises the important questions we need to ask ourselves in order to survive. In twenty-one accessible chapters that are both provocative and profound, Harari builds on the ideas explored in his previous books, untangling political, technological, social, and existential issues and offering advice on how to prepare for a very different future from the world we now live in: How can we retain freedom of choice when Big Data is watching us? What will the future workforce look like, and how should we ready ourselves for it? How should we deal with the threat of terrorism? Why is liberal democracy in crisis? Harari's unique ability to make sense of where we have come from and where we are going has captured the imaginations of

millions of readers. Here he invites us to consider values, meaning, and personal engagement in a world full of noise and uncertainty. When we are deluged with irrelevant information, clarity is power. Presenting complex contemporary challenges clearly and accessibly, *21 Lessons for the 21st Century* is essential reading. "If there were such a thing as a required instruction manual for politicians and thought leaders, Israeli historian Yuval Noah Harari's *21 Lessons for the 21st Century* would deserve serious consideration. In this collection of provocative essays, Harari . . . tackles a daunting array of issues, endeavoring to answer a persistent question: 'What is happening in the world today, and what is the deep meaning of these events?'"—BookPage (top pick)

Los sefardíes de Bulgaria Random House
 This manual provides a detailed presentation of the various Romance languages as they appear in texts written by Jews, mostly using the Hebrew alphabet. It gives a comprehensive overview of the Jews and the Romance languages in the Middle Ages (part I), as well as after the expulsions (part II). These sections are dedicated to Judaeo-Romance texts and linguistic traditions mainly from Italy, northern and southern France (French and Occitan), and the Iberian Peninsula (Catalan, Spanish, Portuguese). The Judaeo-Spanish varieties of the 20th and 21st centuries are discussed in a separate section (part III), due to the fact that Judaeo-Spanish can be considered an independent language. This section

includes detailed descriptions of its phonetics/phonology, morphology, lexicon, and syntax.

Judíos y cristianos Open Road Media
 This package includes the complete two-volume set of the Book of Romans from the MacArthur New Testament Commentary series: Romans 1-8 and Romans 9-16. The MacArthur New Testament Commentary series continues to be one of today's top-selling commentary series. In the volume one and two of the Book of Romans, MacArthur gives verse-by-verse analysis in context and provides points of application for passages, illuminating the biblical text in practical and relevant ways. The series has been praised for its accessibility to lay leaders, and is a must-have for every pastor's library.

The Middle East, Abstracts and Index RIL Editores

Avraam Moshe Tadjer published his *Notas istorikas sovre los djudyos de Bulgaria i la komunita de Sofya* in Judeo-Spanish and Rashi script in 1932. The work is an essential document for the history of this Sephardic community and one of the last Judeo-Spanish texts published in Bulgaria before World War II. This book offers a critical edition of *Notas istorikas* preceded by a detailed cultural-historical and linguistic study.

Farewell, Shanghai Feldheim Publishers
An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook

the telling of his life story. *Memories, Dreams, Reflections* is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII *Sermones ad Mortuos*.

Gaṇeśapurāṇa Moody Publishers
"A magical masterpiece."—Robert Ardrey. A chronicle of the author's search for a civilization "reduced to its most basic expression."

Jesus in the Seven Feasts of Israel
Macmillan

The New York Times–bestselling author delivers “a big, authentic novel” of the professional and personal challenges of three young doctors (The New York Times). Three young men from different backgrounds have graduated from medical schools and become surgical fellows at a leading teaching hospital in Boston. They learn to become surgeons, to communicate with patients and families, and to be observed and appraised by their peers and professors

on daily rounds. And each month—sometimes with dry mouth and rapid pulse—each attends the meeting of the Mortality Conference, known to all as the Death Committee, which examines every patient loss for possible human error, in order to prevent it from happening again. How the Death Committee affects and is affected by the lives, loves, and ambitions of three new doctors is the theme of this intriguing and profoundly moving novel.
