The acclaimed, epic, and spellbinding fantasy by Hugo Award-winning author Matt Wallace, about a utopian city with a dark secret...and the underdogs who will expose it, or die trying. They call them Savages. Brutal. Efficient. Expendable. The empire relies on them. The Savages are the greatest weapon they ever developed. Culled from the streets of their cities, they take the ones no one will miss and throw them, by the thousands, at the empire’s enemies. If they live, they fight again. If they die, there are always more to take their place. Evie is not a Savage. She’s a warrior with a mission: to find the man she once loved, the man who holds the key to exposing the secret of the Savage Legion and ending the mass conscription of the empire’s poor and wretched. But to find him, she must become one of them, to be marked in her blood, to fight in their wars, and to find her purpose. Evie will die a Savage if she has to, but not before showing the world who she really is and what the Savage Legion can really do. This remarkable and captivating fantasy will take you on a journey into the heart of brutal battles, dire situations, and odds that seem too high to overcome.

A thrilling race against the clock to save the world from fantasy creatures from a cult 80s film. Perfect for fans of Henson Company puppet classics such as Labyrinth, Dark Crystal and The Never-Ending Story. Jack Corman is failing at life. Jobless, jaded and on the “wrong” side of thirty, he’s facing the threat of eviction from his London flat while reeling from the sudden death of his father, one-time film director Bob Corman. Back in the eighties, Bob poured his heart and soul into the creation of his 1986 puppet fantasy The Shadow Glass, a film Jack loved as a child, idolising its fox-like hero Dune. But The Shadow Glass flopped on release, deemed too scary for kids and too weird for adults, and Bob became a laughing stock, losing himself to booze and self-pity. Now, the film represents everything Jack hated about his father, and he lives with the fear that he’ll end up a failure just like him. In the wake of Bob’s death, Jack returns to his decaying home, a place creaking with movie memorabilia and painful memories. Then, during a freak thunderstorm, the puppets in the attic start talking. Tipped into a desperate real-world quest to save London from the more nefarious of his father’s creations, Jack teams up with excitable fanboy Toby and spiky studio executive Amelia to navigate the labyrinth of his father’s legacy while conjuring the hero within—and igniting a Shadow Glass resurgence that could, finally, do his father proud.

From the internationally bestselling author of the “fascinating epic” (Associated Press) *Between Love and Honor* comes a rich, sweeping tale based on the captivating true story of the Mata Hari of Russia, featuring a beautiful aristocrat fighting for survival during the deadly upheaval of the Russian Revolution. Born into Russian aristocracy, wealth, and security, Moura never had any reason to worry. But in the upheaval of the Bolshevik Revolution, her entire world crumbles. As her family and friends are being persecuted by Vladimir Lenin’s ruthless police, she falls into a passionate affair with British secret agent Sir Robert Bruce Lockhart. But when he’s abruptly and mysteriously deported from Russia, Moura is left alone and vulnerable.

Now, she must find new paths for her survival, even if it means shedding her past and taking on new identities. Some will praise her tenderness and undying loyalty. Others will denounce her lies. But all will agree on one point: Moura embodies Life. Life at all cost. Set against the volatile landscape of 20th-century Russia, *The Woman of a Thousand Names* brings history to vivid life in a captivating tale about an extraordinary woman caught in the waves of change—with only her wits to save her.

By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize In 2007, *Time* magazine named him one of the most influential novelists in the world. He has twice been short-listed for the Man Booker Prize. The *New York Times* Book Review called him simply “a genius.” Now David Mitchell lends fresh credence to *The Guardian’s* claim that “each of his books seems entirely different from that which preceded it.” *The Thousand Autumns of Jacob de Zoet* is a stunning departure for this brilliant, restless, and wildly ambitious author, a giant leap forward by even his own high standards. A bold and epic novel of a rarely visited point in history, it is a work as exquisitely rendered as it is irresistibly readable. The year is 1799, the place Dejima in Nagasaki Harbor, the “high-walled, fan-shaped artificial island” that is the Japanese Empire’s single port and sole window onto the world, designed to keep the West at bay; the farthest outpost of the war-ravaged Dutch East Indies Company; and a de facto prison for the dozen foreigners permitted to live and work there. To this place of devious merchants, deceitful interpreters, costly courtesans, earthquakes, and typhoons comes Jacob de Zoet, a devout and resourceful young clerk who has five years in the East to earn a fortune of sufficient size to win the hand of his wealthy fiancée back in Holland. But Jacob’s original intentions are eclipsed after a chance encounter with Orito Aibagawa, the disfigured daughter of a samurai doctor and midwife to the city’s powerful magistrate. The borders between propriety, profit, and pleasure blur until Jacob finds his vision clouded, one rash promise made and then fatefully broken. The consequences will extend beyond Jacob’s worst imaginings. As one cynical colleague asks, “Who ain’t a gambler in the glorious Orient, with his very life?” A magnificent mix of luminous writing, prodigious research, and heedless imagination, *The Thousand Autumns of Jacob de Zoet* is the most impressive achievement of its eminent author. Praise for *The Thousand Autumns of Jacob de Zoet* “A page-turner . . . [David] Mitchell’s masterpiece; and also, I am convinced, a masterpiece of our time.”—Richard Eder, *The Boston Globe* “An achinglly romantic story of forbidden love . . . Mitchell’s incredible prose is on stunning display. . . . A novel of ideas, of longing, of good and evil and those who fall somewhere in between [that] confirms Mitchell as one of the more fascinating and fearless writers alive.”—Dave Eggers, *The New York Times* Book Review “The novelist who’s been showing us the future of fiction has published a classic, old-fashioned tale . . . an epic of sacrificial love, clashing civilizations and enemies who won’t rest until whole family lines have been snuffed out.”—Ron Charles, *The Washington Post* “By any standards, *The Thousand Autumns of Jacob de Zoet* is a formidable marvel.”—James Wood, *The New Yorker* “A beautiful novel, full of life and authenticity, atmosphere and characters that breathe.”—Maureen Corrigan, NPR Look for special features inside. The comedian and Internet star shares her experiences with family, sexuality, mental health, friendship & love in this *New York Times*-bestselling memoir. The wildly popular YouTube personality, star of *Food Network’s* *I Hart Food*, and author of the *New York Times*-bestseller *My Drunk Kitchen* is back! This time, she’s stirring up memories and tales from her past. By combing through the journals that Hannah has kept for much of her life, this collection of narrative essays deliver a fuller picture of her life, her experiences, and the things she’s figured out about family, faith, love, sexuality, self-worth, friendship and fame. Revealing what makes Hannah tick, this sometimes cringe-worthy, poignant collection of stories is sure to deliver plenty of Hannah’s wit and wisdom, and hopefully encourage you to try your hand at her patented brand of reckless optimism. With a *New Afterword* by the Author “By turns hilarious and heartbreaking, Hannah Hart’s new book is a roaring, beautiful, and profoundly human account of an extraordinary life.” —John Green “Hannah shares her truth with an honesty that is inspiring—one that makes me believe her when she says that it’s going to get better or that laughter is just around the corner or that you aren’t alone.” —Jenny Lawson, #1 *New York Times*-bestselling author of *Let’s Pretend This Never Happened* and *Furiously Happy* “The topics are grim, but there is kindness in her story, and, most significantly, humor. Fans will be pleased that other stars such as comedian Grace Helbig make guest appearances, and, like a true role model, Hart uses her platform to raise awareness of the shortcomings of the current U.S. medical system in treating mental health.” —Publishers Weekly

Set in an alternate nineteenth century, muskets and magic are weapons to be feared in the first “spectacular epic” (*Fantasy Book Critic*) in *Django Wexler’s* *Shadow Campaigns* series. Captain Marcus d’Ivoire, commander of one of the Vordanai empire’s colonial garrisons, was serving out his days in a sleepy, remote outpost—until a rebellion left him in charge of a demoralized force clinging to a small fortress at the edge of the desert. To flee

from her past, Winter Ihernglass masqueraded as a man and enlisted as a ranker in the Vordanai Colonials, hoping only to avoid notice. But when chance sees her promoted to command, she must lead her men into battle against impossible odds. Their fate depends on Colonel Janus bet Vhalnich. Under his command, Marcus and Winter feel the tide turning and their allegiance being tested. For Janus's ambitions extend beyond the battlefield and into the realm of the supernatural—a realm with the power to reshape the known world and change the lives of everyone in its path.

"Byron Katie is one of the truly great and inspiring teachers of our time. I encourage everyone to immerse themselves in this phenomenal book." -Dr. Wayne W. Dyer In her first two books, *Loving What Is* and *I Need Your Love-Is That True?* Byron Katie showed how suffering can be ended by questioning the stressful thoughts that create it. Now, in *A Thousand Names for Joy*, she encourages us to discover the freedom that lives on the other side of inquiry. Stephen Mitchell—the renowned translator of the Tao Te Ching—selected provocative excerpts from that ancient text as a stimulus for Katie to talk about the most essential issues that face us all: life and death, good and evil, love, work, and fulfillment. With her stories of total ease in all circumstances, Katie does more than describe the awakened mind; she lets you see it, feel it, in action.

Ship of Smoke and Steel is the launch of Django Wexler's cinematic, action-packed epic fantasy Wells of Sorcery trilogy. A FIERCE WARRIOR. HER DEADLY MAGIC. AN EPIC MISSION TO STEAL A GHOST SHIP. In the lower wards of Kahnzoka, the great port city of the Blessed Empire, eighteen-year-old ward boss Isoka enforces the will of her criminal masters with the power of Melos, the Well of Combat. The money she collects goes to keep her little sister living in comfort, far from the bloody streets they grew up on. When Isoka's magic is discovered by the government, she's arrested and brought to the Emperor's spymaster, who sends her on an impossible mission: steal Soliton, a legendary ghost ship—a ship from which no one has ever returned. If she fails, her sister's life is forfeit. On board Soliton, nothing is as simple as it seems. Isoka tries to get close to the ship's mysterious captain, but to do it she must become part of the brutal crew and join their endless battles against twisted creatures. She doesn't expect to have to contend with feelings for a charismatic fighter who shares her combat magic, or for a fearless princess who wields an even darker power. "Truly epic, fierce, and exhilarating, *Ship of Smoke and Steel* will capture you and lock you away. With magical combat sequences fit for the big screen, the action is almost as breathtaking as the intrigue." —Morgan Rhodes, *New York Times* bestselling author of the *Falling Kingdoms* series At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

In her first two books, Byron Katie showed how suffering can be ended by questioning the stressful thoughts that create it, through a process of self-inquiry she calls *The Work*. Now, in *A Thousand Names for Joy*, she encourages us to discover the freedom that lives on the other side of inquiry. Stephen Mitchell—the renowned translator of the Tao Te Ching—selected provocative excerpts from that ancient text as a stimulus for Katie to talk about the most essential issues that face us all: life and death, good and evil, love, work, and fulfillment. The result is a book that allows the timeless insights of the Tao Te Ching to resonate anew for us today, while offering a vivid and illuminating glimpse into the life of someone who for twenty years—ever since she “woke up to reality” one morning in 1986—has been living what Lao-tzu wrote more than 2,500 years ago. Katie's profound, lighthearted wisdom is not theoretical; it is absolutely authentic. That is what makes this book so compelling. It's a portrait of a woman who is imperturbably joyous, whether she is dancing with her infant granddaughter or finds that her house has been emptied out by burglars, whether she

stands before a man about to kill her or embarks on the adventure of walking to the kitchen, whether she learns that she is going blind, flunks a “How Good a Lover Are You?” test, or is diagnosed with cancer. With her stories of total ease in all circumstances, Katie does more than describe the awakened mind; she lets you see it, feel it, in action. And she shows you how that mind is yours as well.
